Prince Imperial Champagne

FROM DEFENNAY, PARIS.
DE VENOGE & Co.

THIS WINE HAS HITHERTO been confined to the best tables of the continent of Europe, and has only very recently been introduced by Messrs. De Venoge & Co., into this market, where its RARE QUALITY, combined with the moderate price at which it is offered, has already achieved a success and reputation commensurate with the annals of the Wine Trade.

VALUABLE FARM

FOR SALE.

BEING DESIROUS OF MOVING West, I offer for sale my Farm, lying three miles east of Cleveland, the County Seat of Bradley county, one of the most pleasant and prosperous towns in East Tennessee, on the E. T. & Ga. Railroad. The farm contains about two hundred acres—eighty of which is in a good state of cultivation—the rest is well timbered.—The buildings are good—consisting of a dwelling house, smoke house, &c. The house is one of the healthiest to be found in East Tennessee, and is supplied with water by one of the best springs that ever ran out of the ground, within fifty yards of the kitchen. About half this cleared land is kept in clover, and produces clover freely. The above desirable Farm will be sold on reasonable terms, as I am anxious to go west.

For further particulars, address the undersigned, at Cleveland, E. Tennessee.
