INSANITY IS THE AIR.

Insanity seems to be "in the air." For several weeks past, Dr. Emerson, police station physician, has been kept busy examining people of various nationalities as to their sanity, and in every case the subject has been sent to the asylum.

This morning two natives—Jerusalem, 39, and Kauna, aged between 50 and 59, were committed to the insane asylum by Judge Wilcox on the testimony of Dr. Emerson.

Iosia, formerly of Wailuku, Maui, was a prisoner at Oahu jail. On June 25 he was sent to the hospital to be treated for a diseased knee, caused by an accident some time ago. He was quiet enough at first but recently he developed alarming signs.

For a week past Iosia has been reported to lie quietly in bed for hours and then suddenly to break forth in snatches of hula songs interspersed with yells, at the same time leaping about the room. A day or so ago he went to the bath room, jumped into a tub of water with his clothes on and then went directly to his bed. In the evening of the same day he rushed naked into a room where several of the female nurses were.

Kauna is the man that Dr. Emerson could not quite make up his mind about yesterday. Since that time he has decided that the native is insane. Kauna believes he is Jehovah and that he has spent twenty-eight years in heaven. He swears he is 101 years of age and when his beat is given to him, he makes it with mud and then eats it. Kauna further states that he has never been in the grocery business.

Police Court Notes.

In the Police Court this forenoon the following cases were disposed of: Ah Kin, unlawful possession of opium, $50 and costs; Akana, same charge, police grind; Kaimaguchi, selling foreign goods without a license, $50 and costs; Hishimunchiro, selling tobacco without a license, police grind; Tapia Tuyen, keeping a restaurant without a license, $25 and costs; Ah Kong Kaimaguchi, Hiono, Frank Fernandez and John Rodrigues, gambling, $5 and costs; Sam Hoy, unlawful possession of opium, $50 and costs.
