OF THE

KNOXVILLE WHIG.

CLUB RATES OF THE PAPER.

Rare Inducements to Subscribers and Agents.

The undersigned, sole Editor and Publisher of the KNOXVILLE WHIG, takes pleasure in saying that he has not suspended publication, as announced in various Southern papers! The *Tri-Weekly* has been suspended, but the *Weekly* has not and will not stop its visits to subscribers. We have a list of 1,500 subscribers, greater than the other six East Tennessee papers all put together. This list we desire to DOUBLE, and in order to induce the friends of an independent paper to sustain it, we have adopted the following

Club Rates of the Weekly:

One copy one year, (in advance)	.....	$ 2 00
Three copies, one year	"	5 00
Five copies one year,	"	8 00
Seven copies one year,	"	11 00
Ten copies one year,	"	15 00
Twenty copies one year,	"	28 00

And as PRESIDENT DAVIS remarked to several gentlemen recently, in a conversation relative to this paper, that he would not live under a Government that did not tolerate FREEDOM OF THE PRESS, he will feel bound to see that it is transmitted by his mails, its subscribers paying postage like other men.

Certificate of Twenty-eight Years' use.

NEWCASTLE, WESTCHESTER COUNTY, N. Y., August 11, 1860.

Dr. B. BRANDRETH:—

My Dear Sir—I am now seventy-nine years old, and for the last twenty-eight years have been a constant user of your Vegetable Universal Pills when sick, fully realizing the advantage of enforcing purgation with medicine, which, while harmless in its nature, removes all impurities. I can safely say that the vigorous old age I now enjoy has been caused mainly by the timely use of Brandreth's Pills. I have had in these last twenty-eight years great fits of sickness, and occasionally some infirmity of age would press upon me. At those times I have always found your pills a sure remedy, giving me not only health but strength. I consider them, not only invaluable as a purgative, but also as a tonic. I have never during these last twenty-eight years used any other medicine whatever, being convinced, by experience, that none was so good. Brandreth's Pills have also been freely used by my neighbors in every kind of sickness, and have been never known to fail when promptly administered.

Yours truly, NATHANIEL HYATT.

Price 25 cents per box. Sold by Dr. JOHN JACKSON, Knoxville, Tenn., and by all respectable dealers in medicine. (sep14-1m

HIGHLAND BITTERS OR SCOTCH Tonic, has the valuable and peculiar function: it has pleasantness of unpleasant flavor, and yet possesses all the wholesome virtues of the combined antibilious drugs of the pharmacopœia; it relaxes the bowels without driving the digestive process into the other extreme, and then is a mild restorative and tonic, being *duplex* in its action, and perfect in excellence.

Sold by the sole Proprietors, S. MANSFIELD & CO., wholesale druggists, Memphis, Tenn., and by all respectable druggists and merchants. Sold also by Dr. JOHN JACKSON, Knoxville, Tenn. [sept14-2t

PERSONS afflicted with the Fever and Ague, who do not spare either time, trouble or expense to procure Hostetter's Celebrated Bitters, whose beneficent effects upon the system has been clearly proved to those who have been stricken down in a short space of time in the direful curse, who see cheeks sallow and meagre, and whose nerves are sleepless and restless, and whose eyes are dim and sunken, with death staring them in the face, can find much more a blessing, snatching them, as it were, from the mouth of the grave. None Know its true value until they have tested it. When others have failed, these Bitters have restored the sufferer to positive health. Their popularity in all the western and southern parts should introduce them to all persons.

Sold by druggists and dealers everywhere.

To Consumptives.—The Advertiser having been restored to health in a few weeks by a very simple remedy, after having suffered several years with a severe lung affection, Consumption—is anxious to make known to his fellow sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge) with the directions for preparing and using the same, which they will find a SURE CURE for CONSUMPTION, ASTHMA, BRONCHITIS, &c. The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he believes to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and prove a blessing.

EAST TENNESSEE

FEMALE INSTITUTE.

KNOXVILLE, TENNESSEE.

THE FALL SESSION OF THE Institute will begin on Thursday the 5th day of September, next, under the following Board of Instruction:

R. L. KIRKPATRICK, A. M.,
Principal

MRS. M. A. RICHARDSON,
Academic Department,

MISS KATE WHITE,
Primary Department.

MISS H. STERCHI,
Ornamental Department and Modern Languages.

MRS. V. A. WICKS,
Department of Instrumental and Vocal Music.

In again presenting the claims of the Institute to the kind regard and patronage of our citizens and the public, the Principal feels justified in announcing that he has secured as his assistants in the several Departments a corps of Teachers unsurpassed any where for thoroughness and efficiency in the work of instruction and discipline. They have all been tested and approved by ample experience.

Miss Kate White will have charge of the Primary Department,—and will make it a School of very superior interest and advantages for small girls. In addition to the elementary branches usually taught in such department, Miss White will give regular instruction in plain sewing to those pupils whose parents may desire it. No additional charge will be made for such instruction. Miss Sterchi will also give to the pupils of this department without charge, short oral lessons in French twice a week, thus teaching them the names and pronunciation of familiar objects, &c. We are thus authorized to promise our young friends of the primary department a very pleasant and profitable time of it.

The Academic Department will continue to be under the care of Mrs. Richardson whose efforts have given a high and justly deserved degree of satisfaction since her connection with the Institute. The Academic studies include reading, writing, English Grammar, written arithmetic, advanced Geography, History, Webster's Dictionary, &c.

The Principal having under his general superintendence all the departments of the Institute, will give his special attention to the Collegiate Classes. These are four in number embracing the study of Languages, Mathematics, the Natural Sciences and Intellectual and Moral Philosophy.

Miss E. Sterchi will continue in charge of the department of Modern Languages and the ornamental branches comprising French, German, Drawing and Painting of the various styles, and the different varieties of embroidery and other ornamental work.

The Department of Music, instrumental and vocal, will be under the care of Mrs. V. A. Wicks, formerly of Athens, Tenn. Mrs. Wicks is an experienced and successful teacher. Her course of instruction will include lessons on the Piano and Guitar and in Vocal Music.

DISCIPLINE.

The system of discipline required throughout the several departments of the Institute, will be uniformly mild and gentle, but of the most thorough and salutary kind. The pupils will at all times be under the kind and watchful supervision of the teachers, one or more of whom will always boat the Institute from the opening to the closing hours of school. The several recitation rooms will at all times, during school hours, be open to visitation from our patrons, who are hereby earnestly solicited to visit the recitations frequently; as we think this will give them a much juster idea of the proficiency of their daughters than can be given by the more formal examination at the close of the Session.

TUITION IN ADVANCE.

The charge for tuition will continue as heretofore:

COSTIVENESS, by cleansing the whole length of the intestines with a salutary process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure **RHEUMATISM** permanently in three weeks, and **GOUT** in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of **GRAVEL**.

Also **WORMS**, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

SCURVY, ULCERS, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood and all the humors.

MORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of **SALT RHEUM**, and a striking improvement in the clearness of the skin. **COMMON COLDS and INFLUENZA** will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines was cured of Piles of 30 years standing by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

BILIOUS FEVERS AND LIVER COMPLAINTS,—General Debility, Loss of Appetite, and Diseases of Females—the Medicines have been used with the most beneficial results in cases of this description—Kings Evil, and Scrofula, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.
