Returns From Kauai In Primary Election Show Good Men Chosen

The Bulletin's correspondent in Lihue, Kauai, writes that more interest was taken in the recent Republican primaries for delegates to the County Convention than ever before. In Lihue there was a vote of 175. Following was the result of the primaries:

Kekaha—E. A. Knudsen and G. Hansen.

Waimea—Francis Gay, W. Hastie and Nawai.

Hanapepe—Walter McBride and K. W. Kinney.

Koloa—C. Wilcox, H. Blake and J. Cockett.

Lihue—W. H. Rice Jr., Enoka Lovett, E. Broadbent, N. N. Kaalhue, F. Mahu, H. K. Kaholo and A. H. Sweetser.

Kealia—Geo. H. Fairchild, Prince L. Topic and W. Mokuola.

Kilauea—J. Cox.

Hanalei—Hapio Lota and Ed. Kinney.

Following was the Lihue vote, the first seven being elected: W. H. Rice Jr., 139; E. Lovett, 123; E. Broadbent, 106; N. N. Kaalhue, 102; F. Mahu, 102; H. K. Kaholo, 99; C. H. Sweetser, 85; W. Hillebrand, 69; C. A. Rice, 68; R. L. Wilcox, 66; H. D. Wishard, 51; S. Kauilii, 34; Kaalhaohiwa, 21; J. B. Hanalei, 21; J. H. K. Kaiwi, 21; C. Christian, 28; R. W. T. Purvis, 28; John Gandall, 8; C. Titcomb, 13.

HANAPEPE, Kauai, Sept. 1.—The Hanapepe Republican primary election was carried on most successfully. Very nearly all the Home Rulers have been converted to Republicanism and even the old preacher Lelewi has joined hands with us. The work of K. W. Kinney has had a telling effect upon the Hawaiians. He is held in very high esteem by the voters of this precinct and other parts of Kauai on account of his outspoken accusations against Wilcoxism (note Home Rule Jim) and his staunch backing of the most able, competent and energetic son of the Garden Isle for county clerk.

JIUMALU, Kauai.—Sam K. Kaeo and J. H. Willard are out for the office of County Attorney and there is a promise of a pretty race between these two popular men. Mr. Kaeo was formerly a member of the Legislature under the Republic of Hawaii. Mr. Willard is a young attorney of Lihue, who has made many friends all over the island.

If George N. Wilcox wants to be one of Kauai's Supervisors, all he has to do is to say so. There will be absolutely no opposition to him.

Tom Wan Hoy, charged with larceny in the second degree, was discharged in the Police Court this morning. The cases of David Keating, charged with assault and battery on Chas. Larsch, Tabiguchi, charged with having checks tickets in his possession, and of Tabiguchi, charged with selling liquor without a license, were all continued until tomorrow.

PARISH HOUSE RECEPTION.

A reception will be given by Mr. and Mrs. Usborne in St. Clement's parish house tomorrow (Thursday) evening at 8 o'clock, to all parishioners, attendants or those connected in any way with St. Clements' Church.

No personal invitations have been issued and it is hoped that St. Clements' friends will waive ceremony and accept this announcement as a cordial invitation.

KENNEDY MISQUOTED.

President J. A. Kennedy of the Inter-Island Steam Navigation Company, stated this morning that he had been misquoted by the morning paper in stating that the Kinau left one minute and ten seconds ahead of the Mauna Loa. It was on the contrary the Mauna Loa which left ahead of the Kinau when the two flagships started on their run to Lahaina yesterday afternoon.

QUEEN SERENADED.

Queen Liliuokalani celebrated her birthday very quietly at her seaside home at Waikiki today. A few of the Queen's closest friends were with her. The Territorial band, under the direction of Captain Berger, went to Waikiki early this morning and serenaded Her Majesty, playing a number of well-chosen selections and closing with "Aloha Oe" and "Hawaii Ponoi."

The American-Hawaiian steamship Nebraskan arrived from San Francisco at about 8:30 o'clock this morning after a pleasant and uneventful voyage. She brings about 1200 tons of general cargo for this port and also a lot of live stock including 15 mules, 3 horses, cows and hogs. She has 500 tons of freight for Kahului.

Songstresses Appeal To the Governor For Their Rights.

REPRESENTATIVE KUMALAE CHAMPIONS THEIR CAUSE

CLAIM THEY ARE NOT BEING PAID WHAT THE LEGISLATURE PROVIDED FOR THEIR SERVICES.

Representative Kumalae, accompanied by Mrs. Alapai and Miss Kelilas, called at the Governor's office in the Capitol yesterday afternoon to submit for his consideration what appears to be a jar in harmony—a discord in the Government band.

Governor Dole was out in his office at the time and the self-appointed committee of three went away disappointed. They will wait upon the Governor this afternoon and lay their troubles before him.

Representative Kumalae, in presenting the case, appears in the interests of the young ladies whose well-trained voices have so often delighted the Honolulu public and strangers within the gates of the city.

Mrs. Alapai and Miss Kelilas, singers in the Territorial band, of which Captain Berger has for over a score of years been the leader and instructor, are not content with the financial remuneration which they are receiving, in which, as a matter of fact, they are refusing to receive.

The vocal soloists claim that they are entitled to receive fifty dollars a month for their services. They have refused to receipt for anything less than that amount. For August, therefore, they have received no money. For July, if they received any, the amount was below the fifty dollars each which they consider their right.

The last Legislature, considering special appropriations for the Government band, provided for fifty dollars per month each for the singers. When the Act became law the vocalists expected to receive the amount provided by the appropriation.

It is said that they were offered $25 for July and that they protested, demanding $50. Captain Berger, it is claimed, declaring it was his privilege to fix the salaries of all those employed in the band. The Captain would make out the pay rolls at the end of each month and take them to the Governor's office for approval and the employes of the Territorial musical aggregation would receive their money accordingly.

Miss Kelilas told her troubles to her relative, Representative Kumalae, and the latter agreed to take the matter to the Governor.

The ladies do not feel inclined to continue singing in public unless they are to be paid what they consider the law entitles them to.

Representative Kumalae said this afternoon that the matter was a se-

GEO. A. DAVIS IS BACK AGAIN FOR A SHORT REST

George A. Davis returned from San Francisco in the Sierra this morning for a short period of rest, on the advice of his physicians. He was not in San Francisco very long before he was taken ill and found it necessary to go to a hospital. He rallied under the watchful care of Dr. Winslow Anderson and it was on his advice that he returned home. Mr. Davis will remain in Honolulu for some weeks, after which he will return to the Coast to continue the fight for the protection of his rights. Seen by a Bulletin reporter this afternoon, Mr. Davis said:

"No, I am not back to stay. I shall return to San Francisco as soon as I have recovered my strength here. I shall then finish the work of doing what is necessary to protect my rights which is already well under way.

"I intend to take three avenues of appeal. In the first place, I shall file a petition for a writ of error and assign the errors. Secondly, I shall appeal to the Circuit Court of Appeals of the Ninth Circuit and, thirdly, I shall appeal direct to the Supreme Court of the United States.

"If these three avenues of appeals fail, then I propose to file the charges against myself in the Circuit Court of the Ninth Circuit, the United States Circuit Court of Appeals and the Supreme Court of the United States, with the stipulation that the record of the Supreme Court of the Territory of Hawaii in the case shall constitute the record of appeal.

"More than this I do not care to say. The work has been started and I have received every encouragement in the world."

NEW MEN IN FIELD

TWO CANDIDATES HAVE COME OUT IN EARNEST

CLARENCE M. WHITE ONLY CANDIDATE FOR AUDITOR—H. C. VIDA FOR CLERKSHIP. SUPERVISOR.

Supervisors — John Ouderkirk, A. Hocking, Wm. H. Hoogs, M. P. Robinson, F. W. Macfarlane and E. F. Bishop, from the Fourth District; and Jas. A. Low, W. W. Goodale and Frank Pahia from the Fifth.

Sheriff—A. M. Brown.

Attorney—W. T. Rawlins with a possibility of others.

Treasurer—S. E. Damon.

Clerk—Harry Murray, Wm. Savidge and Henry C. Vida.

Tax Assessor—J. W. Pratt.

Auditor—Clarence M. White.

Surveyor—No takers yet.

Clarence M. White has set an example that other candidates for positions under county government would do well to follow. He has come out boldly in announcement of the fact that he is a candidate for the office of County Auditor. Yesterday, there were no takers for this office and today Mr. White stands alone. Samuel C. Atkins has been mentioned in connection with the place, but he has not yet declared himself a candidate.

Harry Murray, clerk in the Public Works Department, has also announced himself as a candidate for the office of County Clerk. Henry C. Vida has announced to his friends that he is a candidate for the same place. Wm. Savidge is also out for the place, so that there will be a pretty three-cornered fight.

It is very possible that F. M. Brooks will run for the position of County Attorney against W. T. Rawlins. He would be a most popular candidate and would have the support of a very large proportion of the convention. Mr. Brooks has not fully made up his mind yet, but it is thought that he can be prevailed upon to run.

M. P. Robinson is the newest candidate for the Board of Supervisors. He is a resident and voter of the Fourth District. Mr. Robinson, though he has never been very active in politics, would be sure to administer the affairs of the county in a way that would surely please the great majority.

The regular monthly meeting of the Territorial Central Committee of the Republican party of Hawaii will be held at Republican headquarters on Saturday evening, September 5th, at 7:30 o'clock. Business will include proposed changes in the by-laws, due notice of which was given at the last meeting.

SAYS CONFIDENCE REIGNS AGAIN

B. F. Dillingham Tells Of Conditions On Coast.

BRIGHTER OUTLOOK FOR HAWAIIAN SECURITIES

LOSSES ON COAST FAULT OF SPECULATORS; NOT OF ISLANDS AND PEOPLE HERE.

Among the passengers from San Francisco in the Sierra this morning was B. F. Dillingham, who has been absent from the Territory since June 9 of this year. During all that time he was in San Francisco attending to various important matters of business which he went up to attend to. Mr. Dillingham, when seen this morning, stated that he had accomplished everything he had gone after and felt perfectly satisfied with his trip. He did not care to go into details about what he had done.

Continuing, Mr. Dillingham said: "I found while on the coast that the cable men there were very much pleased with the increase in the business over the wire between San Francisco and Honolulu. The increase had been steady from the beginning and though growing steadily, the business was then as good as the cable people had ever had reason to expect.

"I want to say that among the bankers on the coast, confidence is fast being restored in Hawaiian securities. They feel perfectly confident that the Islands are now going ahead. They know the crops are increasing and that next year we will have about 350,000 tons as our output, which is double what it was in 1898. I had quite a lot of talks with those men on the Coast and I made them see a great deal of good in a country that could double its exports in six years.

"People have wondered at our shortage, but when I put the matter plainly before the people on the Coast, they saw good reason why we should have been short. Last year's crop was 355,000 tons. In 1899, the price of sugar was $90. In 1902, it had dropped to $67. Right there was a loss of $9,000,000 to the country. In the meantime, the cost of labor increased 50 per cent and the advance in cash and the loss caused by the difficulty of getting work done, took four or five million dollars more. Then came the plague fire with a loss of two millions more. This was all in the three years between 1899 and 1902 and at the same time we had to meet the expansion of new business with an outlay of some fifteen millions, swelling the grand total of loss and additional output to about $30,000,000. Is it any wonder we were short?

"All that has stopped and now if we get what we expect next year, we will be in fine shape again. Many of us are looking for four cents on our sugar. This will bring the plantations a return of some $30,000,000 on the

INSANE MAN THREATENS PRESIDENT

PRESIDENT ROOSEVELT ON THE PORCH OF HIS OYSTER BAY HOME

[Associated Press Special Cable.]

OYSTER BAY, L. I., Sept. 2.—A sensation was created today when the public got its first knowledge of an incident at President Roosevelt's home during yesterday evening.

An unknown man, well-armed, tried three times to pass the guards about the President's house. On each occasion the man was stopped and finally put under arrest. There is little doubt that the man would have made an attempt on the life of the President had he succeeded in reaching the house.

When examined today it was apparent the man is insane. The guards and officials at the President's home have little to say of the incident beyond admitting the attempts to pass the guards. The President gives the affair little attention.
