LADIES OF WAILUKU DID A BUSSING BUSINESS

HONOLULU AND OTHER ISLANDS HELPED OUT — MRS. LYONS EXPRESSES MANY THANKS.

(Special to the Bulletin)

Wailuku, Maui, Sept. 14.—The fair and concert given by the Ladies of the Catholic Aid Society of Wailuku last Saturday for the benefit of the Brothers of St. Anthony's school, Wailuku, was a success in every way. Financially and otherwise and the ladies who were in charge of the affair are very much pleased over the results.

After paying out all expenses incurred there will remain towards the building fund over $450.

The ladies intend to put up a $1000 cottage for the Brothers. It is expected that the legacy of $250 left for the Brothers by the late Augustine Kong of Wailuku would be used for this most worthy cause. The ladies hope that one more successful fair like the last one would furnish them with all the necessary funds for completing the cottage. Mrs. T. B. Lyons, president of the Ladies' Catholic Society, is highly gratified with the financial results, and more especially with the liberal manner the Honolulu, Hilo, and Kauai delegations to the Territorial Convention at Wailuku, led by the Honorable A. G. M. Robertson, bought up everything at the fair and paid handsomely for them.

The ladies who worked hard to bring the fair to such a successful financial termination are as follows:

Flower Booth—Mrs. S. Kehinoi and the Misses Annie Mossman, Keoki Hart, Leilani Weight.

Fancy Booth—Mrs. R. W. Filler and Mrs. J. Garcia.

Soda Fountain—Mrs. S. B. Harry.

Ice Cream and Coffee—Misses Violet Makee and Nancy Cummings, Mrs. A. Keen, Jr.

Candy—Mrs. I. Fernandez and Mrs. F. Harlem.

Mrs. Lyons is also grateful to Superintendent R. W. Filler of the Kahului Railroad Company for the use of the train, to Judge A. S. Kepoikai for the use of the Court House, to Captain W. H. Hat for the use of Company "I's" armory, and to the musicians who were also members of the Territorial Convention at Wailuku, who furnished such excellent music on the fair grounds that charmed everybody.

MUST ANSWER FOR HARNESS STEALING

Waimalua and Kealiikanakaole were arrested this morning by Officer Joe Leal, charged with stealing a saddle and bridle and a fifty dollar set of harness about two weeks ago from the stable of S. M. Damon.

The sale of the harness to a Japanese pawn broker named Murata led to the arrest of the men, and incidentally to that of Murata. The latter's books show that he paid the harness sellers only $4.50 for the harness. The saddle and bridle were not sold to him but were sent away into the country. The harness was recovered. The men will come up for trial later.

There was a big grist in the police court this morning, thirty-six cases being on the calendar. Twenty-eight arrests were made yesterday and there was a full house at the jail last night. Most of the charges were plain drunks or drunk with complications, such as assault, etc. The county treasury was considerably enriched by the fines imposed, and a number of riotous celebrators will give their services to the county for from five to fifteen days.

The trial of H. Mossman, who was arrested yesterday, charged with burning down the house of his mother-in-law, Katie Stillman, has been set for September 21.

According to a calculation made by a Broadway shoe dealer, who has a fondness for figures, there are twenty-two pairs of shoes worn out in New York City each minute.

It is a dull market day in New York City when 5,000,000 eggs and 500,000 pounds of butter are not received.

CECIL BROWN TELLS WHAT HE WILL DO

"I am not a candidate for any office in the present gift of the people. I shall not run as an independent candidate for the Senate or any other office.

"No; I am not a candidate, and will not be."

That is what Cecil Brown said this noon to a Bulletin man when asked regarding his reported independent candidacy in the coming election.

SOFTNESS OF SEALSKIN.

Is Rivaled by Human Hair Where Dandruff is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pistiferous parasite that sabs the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 10c. in stamps to The Herpicide Co., Detroit, Mich. Hollister Drug Co., special agents.

September 30 will be the last day on which aliens may take out papers of naturalization and still vote at the coming election and as the result the business of this nature before Judge Dole is rushing. The following were made citizens this morning: Manuel J. Silva, Jose Cautano of Portugal; A. M. G. Hasmiussen, of Denmark; E. Gyaux of Switzerland, and J. Wakefield, of England.

HEAT vs. COST

If you will consider the cost of the wood alcohol you use in your chafing dish lamp and compare it with the expense of cooking on a gas stove you will take to the latter at the expense of throwing away the chafing dish. Gas will heat your cooking utensil in shorter time and for less money than any other fuel. It is the most economical and cleanest for every purpose. If you doubt this we will give you a hot plate with two burners to aid in convincing you that we are right.
