At last accounts the Delegate was at Kailua, where he has a summer residence. His stay at that place was a little longer than was expected Speaker Holstein joined the Delegate at Kohala and will trave over the big island with him.

An automobile will be used to make the trip over the ground to be covered.

While in the city of Hilo the Delegate will be the guest of Supervisor Desha.

LOCAL AND GENERAL

The Bulletin's Big Nickel Scratch Pad is the biggest five cents worth of paper ever offered in Honolulu. Six of them for a quarter.

Millinery, new and reasonable. Mrs. C. L. Dickerson, Sachs' Block. •

Salads served with light lunches at the Baltimore Cafe, Fort street, contain the best of everything.

For your Christmas cakes and puddings, get the pure fresh milk and cream at Pond Dairy. Tel. 890. •

If you want a good job done on an auto or carriage take it to Hawaiian Carriage Mfg. Co., 427 Queen St. •

Mr. Filler, in charge of the Hilo railway construction work, is in town. Great work is being done on the new road, over fifty-three thousand square yards of earth being moved in one week.

This from the Hilo Herald: Hilo people want a day set apart for prayer for rain, so as to get rid of the dust and grippe, saturate the place with a few days of moisture and return the town to its normal condition.

A case of crude surgery was made manifest yesterday when an aged Hawaiian named Welani slashed off his right hand with a not over-sharp knife. He had shattered his hand while using dynamite for some purpose or other and not being within reach of a doctor had attended to the hurt himself. This happened at Brown's camp over on the other side of the island. Welani was sent to town on the limited and is now at the Queen's Hospital.

Pratt, the Land Man

Has the choicest selection of lands in the Territory to offer to those wise people who want to "get in on the ground floor" and invest before prices rise all along the line.

In a very short time, when you meet a friend, and commence to discuss land transactions (as you naturally will), you will be saying, "I could have bought that place in '09 for less than half that price, but—"

Don't be "asleep at the switch," but get a "move on" right now and buy one (or more) of the following properties:

1. Seaside properties, frontages to suit; the best investments in the Hawaiian Islands today.
2. Residence properties on the Makiki and Punahou foothills, the "Nob Hills" of Honolulu.
3. Some of the choicest properties on the Makiki Plains; houses, lots, locations and prices to suit your taste and bank account.
4. Highest grade agricultural land on Oahu, Maui and other islands; size, location, prices and terms to suit.
5. Several leaseholds covering summer (and it's always summer in Hawaii") homes and revenue producing small farms, in the valleys near Honolulu.
6. Nuuanu Valley villa sites; and
7. Other properties too numerous to mention.

For detailed information, prices, etc., apply to

If You Don't Know

That our sodas are the best to be had in the city, it is because you have never tried them. A trial case will convince you that in the manufacture of soda water we are in a class by ourselves.
