MAN.
A SUCCESSFUL MAN
Who was a carpenter five years ago told me the hardest thing he ever did was to throw up his carpenter job for something better.
He was scared.
He knew he was a good carpenter, but would he be a good business man?
He beat about the bush for a couple of weeks and then decided to make the break.
Now, he says, he can kick himself for not having done it sooner.
Are you, like him afraid to change? Afraid to drop the penny and go after the dollar?
Afraid to exert yourself and use your head a little more?
Change yourself! Have confidence in yourself!
You will make good, and we will show you how. Gentles only.
