DIVIDEND RUMOR OF HAWN. COM.

Hawaiian Commercial stock is showing such activity in San Francisco that local followers of the sugar market believe there is "something doing" in this stock, and several this morning ventured the prediction that the dividend is going to be increased. Cables have come from the Coast lately for buying orders here, the market price here being at times under that in San Francisco.

Hawaiian Commercial's activity locally is also noteworthy. Four hundred and sixty-five shares were reported this morning as having changed hands between boards at 42.25, and fifty shares were transferred on the board today, at 42.50. There was also a sale of seventy shares between boards at 42.50.

Ewa is strong at 33, and Honokaa is in demand at 12.25. Sixty shares of Brewery stock were sold between boards at 23.50, this stock maintaining its strength consistently.

Paia and Haiku are among the possibilities for a dividend increase spoken of "on the street." There is nothing definite apparently to hang the predictions on except good conditions in crop and sugar price. Although another banner year is looked for in sugar, the local market is quiet, and any report that an attack is to be made on the sugar tariff, whether or not it is likely to be successful, would frighten enough of the investors to bear the prevailing quotations.

Norris-Midway oil news is to the effect that the company expects to bring in its well about the middle of February. Manager Clark is now on the ground, having left Hawaii after funds were assured to change the equipment and continue well-boring. Advices are that the indications are excellent and he is confident of striking oil at the expected depth.

PROTEST MADE FOR BEET SUGAR

SAN FRANCISCO, Cal., Dec. 30.—Protest against any action by Congress that may tend to lower the tariff on foreign cane sugar was forwarded to Washington yesterday by the San Francisco Chamber of Commerce, following a meeting of the organization yesterday afternoon. The basis of the protest is a set of resolutions declaring that California produces one-third of the total output of beet sugar, and that to lower the duty on the foreign cane product would be to endanger the trade in California, injure the nation and play into the hands of foreign cane sugar refiners.

Copies of the resolution were forwarded to the California Congressional delegation at the capital and to every chamber of commerce in the State. Moreover, the local Chamber of Commerce will profit by the proffered friendship of the Northwestern civic organizations, represented recently by the Seattle Chamber of Commerce in getting together meetings here, and will urge the Pacific Coast merchant bodies to support California's request and cause their representatives in Congress to aid the State's delegation.

Specifically the resolutions recite that the beet sugar industry in the United States is growing so as to constitute a menace to foreign refineries, that reduction of the tariff would check further development of the business and cripple the establishments that have come into existence through present protective conditions.

A statistical table accompanied the resolutions showing the sources of supply of cane and beet sugar and the approximate annual consumption of the product in the United States.

Arrangements are being made by the Chamber of Commerce to send a large representation to the counties committee meeting of the California development board at Los Angeles January 12 and 13. The membership committee of the organization yesterday announced that the membership stands at 1749.

IT GROWS HAIR

Here Are Facts We Want You to Prove at Our Risk.

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet requisite, is delicately perfumed, and will not gum or permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction, simply come back and tell us, and without question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and $1.00. Sold only at our store—The Rexall Store, Benson, Smith & Co., Ltd., Fort and Hotel streets.
