STOCK MARKET AND PRESIDENCY

Brokers See Political Uncertainty As Strong Factor In Sugar Securities.

The local stock market was very quiet today. One well-known broker in discussing the local situation stated that the uncertainty over the Presidential election is influencing the investors and sellers as much as uncertainty over the tariff, for with the next President settled, what he will do with the tariff will be much clearer.

With Taft well in the lead on the number of delegates so far secured, the tariff seems reasonably safe, according to stock market figuring. Roosevelt is regarded likely to stand for a bigger sugar reduction than Taft, but relatively smaller than would be the case were a Democrat to be named President.

Only four sales were noted at this morning's Exchange session, McBryde forming the basis of each one, and the price advancing from $9.12½ to $9.25. Between boards Oahu Sugar at $29.25, O. R. & L. at 170 and some bonds were the medium of a slight activity.

"WOMEN ALL AT SEA"

There are thousands of women today entirely at sea, so far as health is, as their ailments are concerned.

Many are suffering in silence and are from consult a physician, while many others have simply relied and taken no chance without help and are literally discouraged.

Such women would remember that Lydia E. Pinkham's Vegetable Compound can be relied upon to act promptly and thoroughly in such cases. It strengthens the nerves and muscles and restores the delicate system to a normal healthy condition.
