THE AMERICAN VOCALIST,

BY REV. D. MANSFIELD.

The popularity of this excellent Collection of Music, is sufficiently attested by the fact, that although it has been published but about one year, the sale has already reached 10,000 copies, and is at this time greater than ever before, as the book becomes more generally known.

It is divided into three parts, all of which are embraced in a single volume.

Part 1 consists of Church Music new and old, and contains the most valuable productions of the most distinguished composers, ancient and modern—in all 330 Church Tunes.

Parts 2 and 3 contain all that is valuable of the Vestry Music now in existence, and the most admired English Scottish, Irish, Spanish and Italian Songs, embracing in a single volume, more than five hundred Tunes, including all the GEMS of music, that have been composed during the last five hundred years.

FROM REV. G. P. MATHEWS, of Liberty.

"I do not hesitate to give the American Vocalist the preference to any other Collection of Church music, extant. It deserves a place in every choir, vestry, and family in the Union."

From HENRY LITTLE, Editor of the Wesleyan Harmony

"From my heart I thank you for your excellent arrangement of those sweet melodies, to many of which sacred poetry is now for the first time adapted. It is the best collection of Church Music I have ever seen, and it embraces the only complete collection of Vestry Music, that has ever been published. I am glad that it is not a sectarian work. I hope it may be used in every denomination in the United States."

From N. PARKER, Jr., of Cambridge.

"This book calls up pleasant memories. It contains a better selection of good Tunes, both for public and social worship, than any other collection I have met with. Though an entire stranger to the author, I feel grateful to him; and desire thus publicly to thank him for the important service he has rendered the cause of Sacred Music."

California Life Risks,

taken at lower rates than by any other company

The business of the Company will be conducted upon the Joint Stock, and upon the MUTUAL principal, at the option of the insured, thus meeting the wants and circumstances of the public more fully, it is believed, than purely mutual companies can do.

On the Joint Stock principle the insured will pay 33 1-3 per cent. less for insurance than the rates of the best organized mutual Companies, or will receive what is equivalent to 33 1-3 per cent. per annum, in dividend profits paid in advance, instead of receiving an uncertain amount at the end of each year in script certificates, redeemable on certain contingencies, while at the same time the annual cash payments are increased by the interest paid on notes given for half the amount of the premium.

On the 'Mutual' principle, this company propose to insure at the usual rates of mutual Companies, dividing the net earnings each year, giving script certificates redeemable after a Mutual Insurance Fund of Two Hundred Thousand Dollars is accumulated, and charging a commission for conducting that part of the business, equivalent to only about one half the expenses of the Company, securing (losses being equal) a larger yearly dividend to the mutual insurers, besides giving the members a lien upon a Joint Stock Capital of One Hundred Thousand Dollars, a large Joint Stock Reserve Fund, which will be pledged as security for payment of losses, in addition to the usual Capital and reserve Fund in mutual Companies.

'This company is not only one of the most prosperous but also one of the very best in the country.—*Hartford Daily Courier.*

No Company in the Union has had such a 'run of business' as this company since its organization.

Men for California

are almost universally insuring in this Company because terms are so reasonable.

HEADS OF FAMILIES are anxious to insure in this Company,—a safe Institution.

SALARIED MEN are ensuring in this company by scores.

Hard working men, invest in this company because they regard it as the best of savings banks to lay up their earnings in for their wives and children.

Capitalists invest with this company by taking out policies for life, because they regard it as good as money at 12 to 20 per cent interest. All classes and conditions of men ensure in this company because, just as they do every thing in Hartford, when they meet with losses, they pay "up" at once.

In a new wrapper and in boxes much enlarged

CAUTION.—Counterfeits of Dalley's Extractor in the old wrapper flood the market. Avoid them as you would poison, for they are as dangerous in their application.

Buy Dalley's extractor, only in the new dress and large box—you can tell by the quantity of Ointment over the old size and what is more important yet you avoid the danger of being imposed upon by a Counterfeit, and are certain of getting the genuine article.

The genuine Dalley's Salve as thousands will testify is an infallible remedy for the worst of Burns, Scalds, Pile, Rheumatism, Sore and inflamed eyes, Erysipelas Sore Throat, Cuts, Wounds, Bruises, and all cutaneous inflammatory diseases.

Mind the new dresses and large boxes, and that J. S. Fousey, and Milo S. Barr, are my only traveling agents in the Eastern States.

N. B. Every local agent will be provided with a certificate, signed by my lawful attorney, and by the traveling agent. See the new printed Circulars for 1850—they contain much important and valuable information. H. DALLEY, 415, Broadway, N. York.

SARSAPARILLA

THE WONDER

AND

BLESSING OF THE AGE!

The most extraordinary Medicine in the World!!

This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilitating the system.

We have manufactured 1,500,000 bottles of Sarsaparilla during the past year, and are now putting up at least 5000 bottles per day using more of the Sarsaparilla root in our mouth than all the other manufacturers of Sarsaparilla in our year. Dr. S. P. Townsend's Sarsaparilla is warranted to keep for any length of time in all climates. This Extract has cured more of the following diseases than all the other advertised medicines together have done. Scrofula or King's Evil, obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Boils, chronic sore Eyes, Ring Worm or Tetter, Scald Head, enlargement and pain of the bones and joints, stubborn Ulcers, Syphilitic Disorders, Lumbago Saltrheum and all diseases arising from an injudicious use of Mercury, Ascites or Dropsy, exposure, or imprudence in life. It invariable cures Rheumatism, Indigestion or Dyspepsia, Neuralgia, general and nervous Debility, Palpitation of the Heart, Liver Complaint and Inflamation of the Kidneys. Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to are restored, by the use of a bottle or two, to bloom and vigor.

The number of diseases mentioned above as cured by this preparation of Sarsaparilla may seem large; but we are nevertheless prepared to prove by an extensive array of certificates, that such is the fact. A fraction of the evidence which we possess concerning each disease, would be received by any judicial tribunal as complete demonstration. It must be remembered that all this rightful array of maladies though appearing in an endless variety of forms, and yet similar in their origin and causes, for they all spring directly or indirectly from a corrupt fountain. If the blood were in a pure, healthy and active state, it would drive all these complaints from the system, and chronic disease would be impossible.

THE FACTORY.

The immense and increasing demand for Dr. S. P. Townsend's Sarsaparilla has made it necessary very much to enlarge the operations of manufacture. Medicinal substances are used in incredible quantities, and as each ingredient requires to be carefully and accurately tested, the proprietors have found it necessary to place the Compounding Department in charge of a competent and responsible Chemist—one whose scientific reputation will be a full guarantee of public confidence. Dr. JAMES R. CHILTON has assumed this duty.

CAUTION.

To avoid imposition it will be necessary to see that Dr. JAMES R. CHILTON'S CERTIFICATE as well as the signature of Dr. S. P. Townsend, is on the outside wrapper of each bottle.

☞ Sold by H. L. SPENCER, Rutland, and by all the principal Druggists and Country Merchants throughout the United States, Canadas, &c.
