PUBLIC ATTENTION IS CALLED to the greatest proven specific ever known of for gravel, dropsy and cancer, and without the knife, and no allurement as such as handsome attractive delineators all their merits to decoy the poor afflicted by travelling seasonable quacks in plain English language. He's only a physician that cures. It is the boldness of honest merit sealed by public justice and which demands public satisfaction to know where are the cures and who is the cure.—But when it is known that it is no other than our humble fellow-citizen, Herb Dr. ROBERT DELANEY, who is now saving the lives of many of their made cripples of mercurial cancer, paralysis, coughs, asthma and consumption. His cures are identified by the first respect in our community. Whilst knowing that great man, M. D. R. Professor Beecher, his great talent and immortal researches in both Europe and America. He called the lily and the rose of reform, but forgot when a frog is bitten by a snake the frog flies to the herb plantain, the cat to catnip, the dog to rib grass, chickweed and scullcap—all combined with his great Indian cancer WAHOO ROOTS, barks and herbs, &c. Saves life in a few minutes of the most deathly poison dog and serpent bites, dreadful maladies, fevers, plagues and epidemics, the most violent cholics, paralysis, cramps and fits, and the Indian plasters and salves, saving life of the most painful gravel and dropsy, cancer, king's evil, rose cancers, swellings, tetter, piles and fistulas. Here again this humble Herb Doctor in his writings calls the attention to the Honorable President Professor Beecher and to the no small surprise of all kinds of professors, of saving ladies, both mother and child, when consigned to die within the cold walls of an hospital, suffering dreadful wounds disease, spasms and fits, others paralysis, &c. As a head Government Surgeon and Professor declares well his saving young females of coughs, rose cancer and decline, and elderly ladies suffering with the changed life, as though a sword pierced the heart, and his new established reliable Specific for all female weakness and deathly painful womb disease and cancer, sore breasts and fits, is beyond our comprehension, and no less than heads of families scaling the same before our magistrates and public journals. Know proud man, God's gift you can't take away; know his stewardship is accountable to the awful judgment. Again, when the French Professors were philosophying the poison, &c., of the choleratic zone, wrote in sympathy to Prof. Stone, of New Orleans, to free the heart and restore the blood vessels, and heralded, through the press, but they had not the cure. Behold this poor Herb Doctor was some weeks in advance published in our Baltimore American, and was treated slight. ☞ because they were not Herb Dr. Delaney, until last May, both mercenaris and the head captains of vessels sent a responsible agent from New Orleans to this Herb Doctor for $100 worth of his No. 1 and Pain Killer, plague disinfecting agents, having tested and run out of the same, and saving them from Yellow Fever and the Black Vomit in South America, Aspinwall, and New Orleans, with its repetition for the same in the West Indies and Cuba, and home, for all kinds of Cholera, Ship and Yellow Fevers and Black Vomit. The Doctor then, unfortunately, being traveling all kinds of sickly climes, Georgia and South Carolina, sweeping all kinds of Agues, Bone Fevers, Yellow Jaundice, Paralysis, Palsies, Fits, Mercurial Cancers, and Spinal Crippled Rheumatics, public Southern journals, to our Baltimore American and Sun from June the 8th, to our Baltimore Exchange, October the 9th, and to date, speaks for all. The Doctor is now home, per Express will furnish any supply. Personal or letter, per Indian Herb Dr. ROBERT DELANEY, No. 8 Marsh Market Space, 3d door from Baltimore street, fronting the Maryland Institute, Baltimore, Md.

☞ Observe his small 25 cent 3 oz. Magic Pain Killer is kept and carried by doctors and ministers, public officers, and all travelers, saves life in 3 minutes of most violent Cramps, Cholics, Bloody Flux, Sick Stomach and Head-Ache and Sea Sickness, and all internal and external Hemorrhages, Sores, Bruises, Pains and Hurts, and Frosted Feet. oc29-d3t
