FINANCIAL AND COMMERCIAL.

MONEY AND STOCKS.

New York Financial Market.

NEW YORK, Jan. 6.—Money—Easy at 1@1½ per cent.; closed offered at 1 per cent.

Prime Mercantile Paper—4½@6 per cent.

Governments—Firm.

Railway Bonds—Irregular.

State Securities—Quiet.

There was increased activity in the stock market to-day, with a sharp advance in prices. Many operators have changed in their positions from the bear to the bull side on the recent advance in wheat, and the likelihood of a freer movement in grain and consequent improvement in railway earnings. Some prominent bears were free buyers, and this assisted the upward movement. The announcement that a large Western rolling mill would resume work shortly had a good effect, and was accepted as indicating an improvement in outside trade. Delaware and Hudson rose 2¾ per cent. to 73¾. Lackawanna 1¾ per cent. to 89¼. St. Paul 1¼ per cent. to 75¼, New York Central 1½ per cent. to 89½, C. B. and Q. 1½ per cent. to 119½. Union Pacific 1 per cent. to 47½, and Western Union, ⅞ to 55⅝. Near the close Louisville and Nashville developed a special weakness on unfounded rumors, falling off 1⅞ to 24⅛. Coal stocks were sold on the refusal of the Pennsylvania Railroad to enter the combination and Grangers on the afternoon decline in wheat. Lackawanna went off 1⅞ to 88⅛, and Delaware and Hudson 1½ to 71¼. Northwestern declined 1¼ to 87½; St. Paul 1¼ to 75⅞; Lake Shore, 1⅛ to 62¼; Union Pacific, 1⅛ to 46¾, and the remainder of the list ½ to ⅞ per cent. In final sales there was a fractional recovery in some shares. Compared with last night's closing, prices are ⅛ to 1½ per cent. higher, except for St. Paul, Louisville and Nashville, Lake Shore, Kansas and Texas, Jersey Central and Pacific Mail, which are ⅛ to ⅝ per cent. lower. It was rumored that the officials of the Pennsylvania and New York Central Railroad Companies had a conference to-day for the purpose of forming a defensive alliance. The Northern Pacific Railroad Company asked the Stock Exchange to list $93,000 of first mortgage bonds issued on 37¾ miles of new road in Washington Territory, the total amount of bonds listed, including the above, to be $48,322,000 on 1,932 miles of road. The Texas Pacific asks the listing of $5,500,000 of general mortgage, terminal 6 per cent. bonds, mortgage is on 1,435 miles of road from Gouldsboro to El Paso, subject to the existing mortgage on the terminals on both sides of the Mississippi, and on Gordon coal property.

Transactions aggregated 3,515,000 shares, of which 92,000 were Lackawanna, 15,000 Lake Shore, 51,000 Northwestern, 17,000 New York Central, 66,000 St. Paul, 22,000 Union Pacific, and 18,000 Western Union.

In the mining market Hale and Norcross sold at 455, Little Chief at 25, Moulton at 115, Sutro Tunnel at 10, Plymouth at 16½@16⅝, and Standard at 58.

PARIS, Jan. 6.—Rentes, 79f. 53½c.

COMMERCIAL.

There is a continued dullness in jobbing circles, though there is considerable improvement of trade as compared with its condition just prior to the holidays. A firmer feeling also prevails. Dry goods, in the several departments, display about the same amount of activity usual to the season, and for both cotton and woolen goods the feeling is firm. Groceries are reasonably active, and are held at fully previous figures. Dairy products are in good demand and firm.

GRAIN.

Wheat—Local markets continue firm, all grades in active demand, millers good customers, and local dealers find no difficulty in disposing of stock at full quotations. Futures find more inquiries than usual, but very few offerings. New York ⅝c higher, Baltimore ½c off, with Chicago ⅝c lower.

Corn—Firm at quotations, with strong demand for cash shipment. Futures quiet. Receipts light. A firm market all along the line. New York steady, Baltimore ½c lower, and Chicago ½c off from yesterday's quotations.

Oats—Scarce and wanted at full quotations.

The following table shows the receipts of grain at this point for the past twenty-four hours:

	Received
Flour, bbls	.....
Wheat, bu	3,600
Corn, bu	9,60
Oats, bu	.....
Rye, bu	.....

The following table shows the amount of grain in store at this point:
