## HEADACHE.

CERTAIN CURE FOR SICK HEADACHE, which has been used in families, every member of which has had sick headache from infancy, as a constitutional family complaint, and has cured effectually in every instance yet known, amounting to many hundreds. It is so perfectly satisfactory, that the proprietor has given directions to his agents to refund the price to any one who is not pleased with, and even cured by it. He hopes also that this may secure its great benefits to the distressed sufferers who are laboring under Headache. E. SPOHN, M. D., inventor and Proprietor.

MOFFAT'S VEGETABLE LIFE MEDICINES.—These medicines are indebted for their name to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor. In many hundred certified cases which have been made public, and in almost every species of disease to which the human frame is liable, the happy effects of MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS have been greatfully and publicly acknowledged by the persons benefitted, and who were previously unacquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act.

THE LIFE MEDICINES recommend themselves in diseases of every form and description. Their first operation is to loosen from the coats of the stomach and bowels, the various impurities and crudities constantly settling around them; and to remove the hardened faces which collect in the convolutions of the smallest intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual costiveness, with all its train of evils, or sudden diarrhœa, with its imminent dangers. This fact is well known to all regular anatomists, who examine the human bowels after death; and hence the prejudice of these well informed men against quack medicines—or medicines prepared and heralded to the public by ignorant persons. The second effect of the Life Medicines is to cleanse the kidneys and the bladder, and by this means, the liver and the lungs, the healthfulness of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

Moffat's Vegetable Life Medicines have been thoroughly tested, and pronounced a sovereign remedy for Dyspepsia, Flatulency, Palpitation of the Heart, Loss of Appetite, Heart-burn and Head-ache, Restlessness, Ill-temper, Anxiety, Languor and Melancholy, Costiveness, Diarrhœa, Cholera, Fevers of all kinds, Rheumatism, Gout, Dropsies of all kinds, Gravel, Worms, Asthma and Consumption, Scurvy Ulcers Inveterate Sores, Scorbutic Eruptions and Bad Complexions, Eruptive complaints, Sallow, Cloudy, and other disagreeable Complexions, Salt Rheum, Erysipelas, Common Colds and Influenza, and various other complaints which afflict the human frame. In FEVER and AGUE, particularly, the Life Medicines have been most eminently successful; so much so that in the Fever and Ague districts, Physicians almost universally prescribe them.

All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions. It is not a newspaper notice, or by anything else he himself may say in their favor, that he hopes to gain credit. It is alone by the results of a fair trial.

MOFFAT'S MEDICAL MANUAL; designed as a domestic guide to health.—This little pamphlet, edited by W. B. Moffat, 275 Broadway, New York, has been published for the purpose of explaining more fully Mr. Moffat's theory of diseases, and will be found highly interesting to persons seeking health. It treats upon prevalent diseases, and the causes thereof. Price, 25 cents—for sale by Mr Moffat's Agents generally.

These valuable Medicines are for sale by GEORGE L. WARNER & Co. Johnson, Vt., General Agents, by whom all orders from any part of the State or Canada, will be promptly answered. 28 1 f

For Fever and Ague, it is a most valuable preventative as well as a sovereign remedy. Its virtues surpass any thing heretofore known in removing St. Vitus' Dance,—two bottles have been known to cure this afflicting disease, after having baffled every exertion for four years. It has a most powerful influence in removing nervous complaints. It is pleasant to take and so easy in its operation, that it may be administered to the infant with safety. It has been used successfully for eight years in the cure of these diseases. ☞Remember the original and Genuine is made only at No. 375 Bowery, New York. All others are counterfeit.

*Consumption and Liver Complaint!*

As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question but this medicine is a certain cure for chronic coughs and colds. I have used it four years in my practice, and always with success. A. F. ROGERS, M. D.

*Tickling in the Throat.*

I know Dr. Taylor's Balsam of Liverwort to be a certain remedy for this complaint, as I have used it myself and found its effects an immediate. I was much troubled until I made use of this medicine.

Hoarseness—Cured.—For the cure of hoarseness I can strongly recommend Dr. Taylor's Balsam of Liverwort. I have not only found great benefit myself, but many of my congregation by my recommendation have received great benefit from its virtue. It is at once mild, efficacious and harmless.

Severe Coughs and Colds.—I have had a most severe cold and cough, for a long time which I could not get rid of. After using many useless things I tried Taylor's Balsam of Liverwort, and it cured me in a few days. JAS. B. KERRINOCK.

Raising of Blood.—About two weeks ago I had a fall, which caused me to spit large quantities of blood which nothing could cure until I tried Dr. Taylor's Balsam of Liverwort. This medicine gave the immediate relief and in a very short time cured an entire cure. Let all persons try it.

*Remarkable Cure of Consumption.*

. . . was so near her death with this disease, that my friends sent for a priest to confess me ere I died. He in his mercy, told me not to give up until I tried Dr. Taylor's Balsam of Liverwort. I sent immediately for this medicine, and although the contest for a few days between this medicine, and my disease was severe, the medicine conquered, and in a fortnight I was restored to health. I had a cough, raising of matter, loss of my voice, pains, weakness, &c. I can refer to Doctor Wilson, in the Carlton House, for the truth of my statement. MARY HILL, 16 h street cor. *Surprizing Cure of Consumption.*

Mr. R. Gladdin of Delhi, N. Y., of a naturally consumptive constitution, has been saved from an untimely end by the use of Dr. Taylor's Balsam of Liverwort. A severe cold brought on an attack of Pleurisy, and thus enabled in general debility and consumption. A constant cough, hectic flush, restless nights, quick pulse, and continual loss of flesh, augured a speedy death; but as soon as I commenced the use of this balsam I grew better, and is now fully restored to health.

*Shortness of Breath.*

For this disease, I have always found Dr. Taylor's Balsam of Liverwort an excellent remedy. It is at once so safe and so effective, that I always use it in my practice, and recommend it to my friends. I have used it in some hundreds of cases within the past four years, and I have never had it fail. In many cases of asthma, I fully believe it to have been the means of saving precious lives. Let all use it.
