GREAT and ABSOLUTE SALE of 1,600 SPLENDID LOTS, on Nostrand, New York, Brooklyn, Hudson and Albany-ave. and on Schuyler, Pacific, Dean, Barren, Wyckoff, Warren, Baltic, Butler and Douglass-sts. in the level, beautiful and most desirable part of the IXth WARD of the CITY of BROOKLYN.—OAKLEY & WRIGHT will sell at Auction on THURSDAY, FRIDAY and SATURDAY, April 13, 14 and 15, at 12 o'clock, M., each day, at the Sales Room, No. 343 Fulton-st., opposite City Hall and Montague-st., Brooklyn, the above mentioned property, minutely described on the Lithographic Maps, which will be ready on and after April 4.

This, without exception, is the best located property ever offered at auction anywhere in the vicinity of New-York. In the immediate vicinity of first-class improvements. Many elegant and costly dwellings have been already erected upon the adjoining property. The surrounding scenery is highly attractive and beautiful, the whole being nearly level—almost on the established grade of the IXth Ward, and is in *de facto* the garden of Brooklyn; near Fulton-av. route of omnibuses, which run constantly during the day and evening; and railroad omnibuses will be in full operation on this route at the nominal fare of four cents to the ferries, about the 1st of July, 1854. The Long Island Railroad Depôt, at Bedford, at which trains stop each trip, is within three minutes' walk of this property—making this property more desirable, convenient and easy of access, than properties that located in the upper part of New-York, the same distance from the Merchants' Exchange. The very desirable property will be sold in sections, containing from eight to sixteen lots. This will be an opportunity seldom metwith to purchase handsome building lots or sections for genteel suburban residences or for a safe and profitable investment, in a remarkably healthy and pleasant part of the City of Brooklyn; each lot or section will be sold peremptorily without reserve. Full covenants for restrictions against nuisances will be inserted in the deeds.

Seventy per cent of the purchase money can remain on bond and mortgage for five years at 7 per cent.

For maps, apply to OAKLEY & WRIGHT, No. 343 Fulton-st., Brooklyn; No. 57 Wall-st., and of BRONSON, KNAPP & Co., corner of Broadway and Pine-st., under Metropolitan Bank, New-York.

Full and printed abstracts of the title will be furnished to each purchaser free of charge.

HYGEANA in MAINE.—J. H. Gaubert, Postmaster of Richmond, Me., writes us: "The Hygeana is doing wonders here. My sister has had a distressing cough with great difficulty of breathing for years. She wore the inhaler and took the Cherry Syrup but a few days before she was relieved, and now, after one month's use of it, her cough is well. Dr. Curtis's new system of inhalation must produce an entire revolution in the treatment of diseases of the lungs. There is no mistake, it is truly a wonderful discovery."
