FINANCIAL AND COMMERCIAL.

MONEY AND STOCKS.

New York Financial Market.

NEW YORK, Jan. 15.—Money—Easy at 1@1½ per cent.; closed offered at 1 per cent.

Prime Mercantile Paper—4½@6 per cent.

Governments—Stronger.

Railway Bonds—Irregular.

State Securities—Quiet.

The stock market was dull and featureless the first hour of business. The tendency, however, was toward lower figures, and before first call a decline of ½ to ¾ per cent. was recorded, Lackawanna leading, with sales down to 88½. Subsequently there was a rally of ½ to ¾ per cent., but still later this improvement was lost. Between 1 and 2 o'clock the market was firm and strong. In the afternoon Louisville and Nashville broke ⅞ to 24¾, and New Jersey Central ¼ to 35¾. This unsettled the entire list, although the decline was less important except in the case of the Canadian Pacific, which broke 2 to 44. Northwestern fell off to 90¾, St. Paul to 74¾, Lachawanna to 88, New York Central to 87½, Union Pacific to 49¾, and Western Union to 56¾. Market closed weak. The weakness late in the day was due to rumors that a prominent house was in trouble. This was confirmed after the close of business by the announcement of the assignment of John J. Cisco & Son to Louis May. The firm has no outstanding contracts at the Stock Exchange.

Compared with last night's closing, prices are ⅜ to 2 per cent. lower, except for Denver, which is ¾ per cent. higher. Among the inactive shares Chicago and Alton rose ¾ per cent. to 13¾, Colorado and Greenville preferred ¾ to 15, and Colorado Coal ¼ to 9¼. C. P. Huntington has bought a seat in the Stock Exchange.

Transactions on Stock Exchange aggregated 215,000 shares, of which 47,000 were Lackawanna, 33,000 Northwestern, 12,000 New York Central, 47,000 St. Paul, 12,000 Union Pacific, and 13,000 Western Union.

The mining market was more active during the forenoon, and prices were steady: Alice sold at 100, Bodie 215, Albion 12@10, Horn Silver 300@295, Red Elephant 2, Homestake 100, Mexican 50@55, Savage 220@210, Sierra Nevada 75, buyer 30.

COMMERCIAL.

There is continued quiet in all branches of the wholesale trade, but there is a better inquiry than during the closing weeks of 1884, and a firm and more hopeful feeling is manifested on all sides. The prices of dry goods are fully maintained, although the volume of trade is somewhat diminished by the stormy weather and a lack of demand in retailers' stocks. Groceries are having a fair movement, though prices are unchanged. Sugars are very firm with an upward tendency. Fish are showing a slight improvement, though still quiet. Eggs have advanced 2c and now bring 20c per dozen. Onions are advanced 50c per barrel.

GRAIN.

Wheat—Firmer and in better demand. Local millers will give full quotable prices for choice stock, but they say that wheat is relatively higher than flour, although they acknowledge that both high and low grades of flour have taken a decided upward tendency during the past week. Futures in wheat are dull and lifeless. New York at noon was ⅜c higher, Baltimore ½c better and Chicago ⅛c stronger.

Corn—Local dealers are active buyers of cash deliveries at full quotations, but we note a marked scarcity of choice grades. Feeling is firmer and general position better than yesterday. Futures dull. New York steady, Baltimore the same and Chicago ¼c lower.

Oats—Firmer, active and scarce about covers the situation.

The following table shows the receipts of grain at this point for the past twenty-four hours;
