AN EXQUISITE LOVE TALE
Published This Morning.
THE LOVER UPON TRIAL; A NOVEL.
By Miss STUART; author of "Olivia," &c., &c. Price 25 cents
PUBLISHERS' ANNOUNCEMENT.
Messrs. STRINGER & TOWNSEND invite the attention of all lovers of good and wholesome reading to their new
MINOR LIBRARY OF CHOICE TALES,
in which will at all times be found the finest efforts of modern literature. The public may rest assured that every work of this series may be taken up with confidence, and read with corresponding interest and pleasure. The leading foreign magazines (to which we shall look as the principal source of supply for this Library, which shall, however, be additionally enriched by occasional productions of home writers of acknowledged talent and celebrity) abound in, short tales, from the pens of the ablest writers in Great Britain. These tales, although large enough for a medium sized book, are yet too small for our larger LIBRARY OF STANDARD NOVELS which, like the present series, embraces only the best works of the best authors, and enjoys a larger patronage and a wider popularity than any similar enterprise ever undertaken in this country. All such minor productions, when bearing the impress of an undeniable talent, shall be incorporated into our "MINOR LIBRARY," and placed before the American public with all the advantages which new and readable type, good printing, and firm white paper can give them. The volumes of this series will be found admirable companions for leisure hours; they will serve to shorten the journeys of all railroad travelers, and while away an evening at home most delightfully, as each can be very conveniently read at a single sitting.

The first "Choice Tale" selected is Miss STUART's exquisite Love Story,

THE LOVER UPON TRIAL.

In this charming little Novel is embodied the same brilliancy of style, the same capacity to analyze, and depict the intensest emotions that the author has exhibited in her previous works. The principle characters of the story are truthfully sketched, and with much power. The dialogue is lively and spirited. To read these pages is like being introduced into the sterling realities of life, idealized by education and refinement.

Then, beneath all its wit and interest, this work has a deep moral, and conveys an admirable lesson to the gentler sex. "The author has a quick and delicate perception of the external indications of emotion, and has a happy talent for expressing the thoughts and passions."

Published by STRINGER & TOWNSEND, No. 222 Broadway; and for sale by all the principal Booksellers throughout the Union.

THE LAMPLIGHTER!—
UNCLE TRUE AND LITTLE GERTY.
THIRTY THOUSAND COPIES PUBLISHED IN FIVE WEEKS!

A genuine American Romance, and a book which will live and be read long after the thousand and one trashy productions of the day shall pass into desuetude.

Rarely has a work appeared in America which has received such universal and hearty commendations from the Newspaper Press. We subjoin a few brief extracts:

"The authoress of The Lamplighter has aimed to produce an agreeable and impressive work of fiction. It is high praise to say that she has succeeded in the attempt." [N. Y. Tribune.

"We have no hesitation in pronouncing the Lamplighter one of the most original, interesting, graphic and affecting tales that has lately appeared." [Traveller, Boston.

"No one can study its instructive and fascinating pages without being made better by its kindly influence." [Atlas, Boston.

"The Lamplighter would do credit to any writer." [Daily Advertiser, Boston.

"One of the most affecting and interesting tales ever issued from the American press." [Daily Tribune, Providence.

"For delicate and forcible delineation of character this work is hardly excelled." [Journal, Boston.

"This book develops a variety of characters—some of them as deeply affecting as the best sketches of Dickens." [Trans., Boston.

"It is a book which is destined to become a great favorite with the reading public." [Daily Herald, Newburyport.

"It cannot fail to suit the most fastidious taste." [Olive Branch, Boston.

"Here is a book destined to have a sale unequaled by any other, unless we except Uncle Tom." [Mass. Life Boat.

"The aged and the young will rise from its perusal with an increased love for the kindlier feelings of our nature." [Hingham Journal.

"The Lamplighter is a book which is destined to great popularity." [Daily Bee, Boston.

"An intensely interesting work, and as a piece of composition admirable." [Clapp's Evening Gazette, Boston.

"A book rich in thought, beauty, pathos and tenderness." [Albany Spectator.

"It is a great book, the work of an original mind of extraordinary power." [International Journal.

"Five hundred pages of just such reading as enchains the interest, the curiosity, yea, the whole soul, until the last line of the last page is finished." [Boston Gazette.

"This is a work of surpassing interest." [Albany Argus.

"The Lamplighter deserves all the praise it has received." [Commonwealth, Boston.

"It is infinitely superior to any American novel that we ever read." [Waverley Magazine.

"There is no question but that The Lamplighter will rank among the first of American fictions." [Worcester Palladium.

"An intensely interesting book, from title to finis." [Portland Inquirer.

"The Lamplighter is a delightful story—original, breathing a true and pure spirit." [N. Y. Sun.

"It is unequaled in thrilling interest by any book yet published." [Springfield Post.

"Portions of this book are worthy the genius of Dickens." [Hartford Times Gazette.

"It possesses the rare merit of interesting alike the young and the old." [Banner Whig.

"It is a *great book*." [Sunday Dispatch.

"A work of extraordinary power and interest." [N. E. Farmer.

"It is a most enchanting work." [Christian Secretary, Hartford.

"Without exception one of the most deeply interesting tales we ever perused." [Lawrence Sentinel.

"A work which has every element of popularity." [N. Y. Evangelist.

"The Lamplighter is a thrilling and most interesting story." [Lutheran Observer, Baltimore.

"We have rarely read a work with more real pleasure than The Lamplighter." [State Reporter, Connecticut.

"A book which is destined to be popular, because it comes from the heart and speaks to the heart." [Country Gentleman.

"Some of the best sketches in this book almost rival the masterpieces of Dickens" [Yankee Blade.

"In the execution of her work Miss Cummins has displayed great judgment, an almost intuitive insight into human nature, a careful observation of life, a fine literary taste, a sound and sensible mind, a lovely disposition, a genial heart." [Bunker Hill Aurora.

PROFESSOR WEISS' GREAT HISTORY.
Published this day.
HISTORY OF THE FRENCH PROTESTANT REFUGEES,
FROM THE REVOCATION OF THE EDICT OF NANTES TO OUR OWN DAYS.
BY M. CHARLES WEISS,
Professor of History at the Lycee Bonaparte.
Translated from the French by HENRY WILLIAM HERBERT, Esq.
WITH AN AMERICAN APPENDIX.
In two volumes, 12mo. Price $2 50.

HISTORY OF PROTESTANTISM.—A correct knowledge of the History of Protestantism is a political necessity to the citizen of the United States. Under the unrestricted operation of our free institutions so many creeds and doctrines find full scope, that nothing but a thorough acquaintance with the history of sects and opinions in the past can qualify Americans for a just appreciation of their duties as the conservators of Christian freedom, and the immediate instruments of its dissemination throughout the world.

Those who pretend that the struggle between Romanism and the Christian Church is over, either are hopelessly blind, or willfully attempt to deceive others. At the present moment one-fourth of the entire population of the United States is Roman Catholic—and authentic statistics show that the ratio of the Catholic increase of population is greater than that of the Protestant, so that in five years more the Roman Catholic Church will hold one-third of our entire population within its dominion. The truth is, that never before, since the Reformation, has the Roman Catholic Church been so eager, so earnest, so hopeful, in its efforts to reestablish its weakened power, as at the present moment. It is in the United States, and protected by our free constitution and laws, that the final struggle of Popery to regain its universal supremacy, will take place; and this struggle, precipitated by all the arts of demagogueism, and incited by the fierce lust of political dominion, is already commencing. Already the Word of God is sought to be driven from our public schools, those nurseries of freemen. Already is the sanctity of the grave invaded, and the power of numbers wielded to suppress the march of intelligence, and obstruct religious liberty in its chosen asylum—the United States.

These are the thoughts and these the convictions of the great body of the Protestant clergy in America. All feel and understand that the contest between Romanism and the Protestant religion is not over—and that though in every generation the struggle may assume a new form, yet the principle is ever the same—the war between bigotry, ignorance and superstition on one hand, and religious freedom, enlightenment and progress on the other.

What, then, can be so interesting, so important to be known and understood by American citizens, American mothers and American children as the *History of
