MONEY AND STOCKS.

New York Financial Market.

NEW YORK, Feb. 5. —Money—Easy at 1@1½ per cent., closed offered at 1.

Prime Mercantile Paper—4@5 per cent.

Governments—Active and quiet.

State Securities—Quiet.

The stock market opened strong this morning, Further material advance was made for some of the most active stocks, notably Western Union, Northwestern, Lackawanna and Manhattan L. Prices continued firm until about 2, when the leading bulls called a halt and thus checked the rise to comply with the earnest demands of prominent operators that a moderate reduction should be permitted to take place. This caused an average decline during the last hour of about 1 per cent. It is confidently expected that the market will be taken hold of again to-morrow and the advance continued. There is a large short interest in Western Union, as shown by the fact that there was a difference to day of as much as ¼ per cent. between sales for cash under the rule and transactions regular way. Lackawanna loaned in the forenoon at 3 64 and New York Central at 1-64. Brokers say a good feeling is spreading, and business promises to become much more active. Union Pacific has been quiet recently, and it is said the company is not satisfied with the funding bill now before Congress, and Gould and Huntington are opposed to it in its present shape.

The market was less active to-day, especially during the last hour, the total sales amounting only to 250,640 shares, of which 72,849 were Lackawanna, 37,820 St. Paul, and 29,700 Western Union. Notwithstanding the break in the afternoon, Lackawanna closed this afternoon unchanged from the final price yesterday (92½), after selling at 93⅝. New Jersey Central is ⅜ per cent. higher at 81⅝; Manhattan Consolidated ¼ per cent. higher at 73, and Chicago, Baltimore and Ohio, Reading and Missouri Pacific each ¾ per cent. higher at 120, 15⅞ and 95 respectively. Erie down ⅜ per cent. at 11⅛. New York Central 81⅞, Union Pacific 49 and Rock Island 109¼, are each ⅝ per cent. lower, while Lake Shore shows a decline of ½ per cent. at 61⅞. Reports were freely circulated during the day that the Erie Railway would have difficulty in meeting the interest which matures March 1, and that some of the statements made found ready believers, is indicated by the fact that Erie securities were active and materially lower. Erie gold seventies are down 6⅝ per cent. at 111, West Shore firsts also 1 per cent. lower at 23½; New York, Chicago and St. Louis firsts down ⅞ per cent. at 90; Galveston, Harrisburg and San Antonio firsts ¾ per cent. at 91¾, and Elizabeth, Lexington and Big Sandy 6's ⅞ per cent. at 85½.

The number of comparatively inactive bonds, on the other hand, that are bought principally for investment account are somewhat higher. St. Louis and Iron Mountain 5's are up to 1 per cent. at 71¾; Houston and Texas Central seconds, main line, 2 per cent. at 70; Wabash, St. Louis and Pacific, Chicago Division, 1 per cent. at 74; Louisville and Nashville, New Orleans and Mobile Division, 2½ per cent. at 76. Northwestern issues traded in steady, except registered consolidated gold bonds, which are 1 per cent. lower at 127, and of St. Paul issues firsts (La Crosse Division) sold at 117⅞ and Chicago and Pacific (Western Division) at 95⅞, a decline in each case of ¼ per cent., while firsts (Wisconsin and Minnesota Division) are unchanged. Union Pacific firsts were ¼ per cent. lower at 111⅞, and Central Pacific gold bonds ½ per cent. lower at 110.

Transactions, 252,000 shares: 74,000 Lackawanna, 10,000 Erie, 13,000 Lake Shore, 18,000 Northwestern, 10,000 New York Central, 58,000 St. Paul, 30,000 Western Union.
