ALBERT H. NICOLAY, Auctioneer.
GREAT PEREMPTORY SALE—
To close a concern, of
200
VERY VALUABLE LOTS,
Comprising some
1,500 FEET WATER FRONT,
Adjoining the steamboat landing at
STAPLETON, Staten Island, at AUCTION.
ALBERT H. NICOLAY will sell on TUESDAY, April 18, 1854, at 12 o'clock, precisely, on the ground, at Stapleton, Staten Island, without reserve, to close a concern, about 200 very valuable and eligible Building Lots, known as the Stapleton Dock Property.
These Lots are situated on the Bay, and for business or manufacturing purposes are unsurpassed, as they are opposite to and in sight of the City of New-York, and immediately contiguous to the Staten Island and New-York Ferry Co landing, at Stapleton. Communication with the city during the summer every half hour, and in winter every hour, landing at Whitehall, New York. This property in point of time is really nearer to Wall st than 14th-st, where lots are selling from $10,000 to $15,000. There is an abundant supply of the finest spring water to be had on the premises, whereby the heavy tax for Croton water, to which the manufacturer or mechanic is subject in the city, is avoided, as well as other enormous city taxation, while the actual convenience of the location for business purposes is greater. This entire property comprises a water front of nearly 1,500 feet, with a substantial wharf the whole distance.
The whole maritime commerce of the port of New-York must of necessity past this point, as the channel and anchorage are on this side of the bay, thus offering great advantages as a depôt for our large steamers, or as a warehousing depot. The salubrity of the situation is unequaled, and the mechanic or laborer may work to great advantage in an atmosphere constantly tempered in the summer season by the sea breezes; and the location is unsurpassed—commanding an extensive view of the whole Bay of New-York. Thus, an opportunity is offered to business men, manufacturers, or capitalists rarely to be met with, and is worthy of attention. A large map, showing the relative position of the property with the Staten Island shore, can be seen at the office of the auctioneer.
Seventy-five per cent. of the purchase money can remain on Bond and Mortgage for 3 or 5 years, at 7 per cent., or a discount of five per cent. for cash. Title indisputable.
For lithographic maps and full particulars apply to
ALBERT H. NICOLAY, Auctioneer, No. 4 Broad-st.
N. B. Should it storm on Tuesday, April 18, the sale will not take place until Friday, April 21, at the same hour and place. (1.107)

JOHN K. OAKLEY, Auctioneer.
GREAT and ABSOLUTE SALE of 1,600 SPLENDID LOTS, on Nostrand, New-York, Brooklyn, Hudson and Albany-ave, and on Schuyler, Pacific, Dean, Bergen, Wyckoff, Warren, Baltic, Butler and Douglass-sts, in the level, beautiful and most desirable part of the IXth WARD of the CITY of BROOKLYN,—OAKLEY & WRIGHT will sell at Auction, on THURSDAY, FRIDAY and SATURDAY, April 13, 14 and 15, at 12 o'clock, M., each day, at the Sales Room, No. 343 Fulton-st., opposite City Hall and Montague-st., Brooklyn, the above mentioned property, minutely described on the Lithographic Maps, which will be ready on and after April 4.
This, without exception, is the best located property ever offered at auction anywhere in the vicinity of New-York—in the immediate vicinity of first-class improvements. Many elegant and costly dwellings have been already erected upon the adjoining property. The surrounding scenery is highly attractive and beautiful, the whole being nearly level—about on the established grade of the IXth Ward, and is in *de facto* the garden of Brooklyn; near Fulton-av route of omnibuses, which run constantly during the day and evening; and railroad omnibuses will be in full operation on this route at the nominal fare of four cents to the ferries, about the 1st of July, 1854. The Long Island Railroad Depot, at Bedford, at which trains stop each trip, is within three minutes' walk of this property—making this property more desirable, convenient and easy of access, than property that is located in the upper part of New-York, the same distance from the Merchants' Exchange. This very desirable property will be sold in sections, containing from eight to sixteen lots. This will be an opportunity seldom met with to purchase handsome building lots or sections for genteel suburban residences or for a safe and profitable investment, in a remarkable healthy and pleasant part of the City of Brooklyn; each lot or section will be sold peremptorily without reserve. Full covenants for restrictions against nuisances will be inserted in the deeds.
Seventy per cent. of the purchase money can remain on bond and mortgage for five years at 7 per cent.
For maps, apply to OAKLEY & WRIGHT, No. 343 Fulton st., Brooklyn; No. 80 Wall-st., and of BRONSON, KNAPP & Co., corner of Broadway and Pine-st., under Metropolitan Bank, New-York.
Full and printed abstracts of the title will be furnished to each purchaser free of charge.
