MONEY AND STOCKS.

New York Financial Market.

NEW YORK, Feb. 6.—Money—Easy at 1@1½ per cent., closed offered at 1.

Prime Mercantile Paper—4@5 per cent.

Governments—Firmer with an advance of ½ per cent in quotations for coupon 4½s; other issues unchanged.

State Securities—Dull.

The reaction in the stock market yesterday afternoon, as predicted, proved only ephemeral. Prices at the opening of the board this morning were generally ⅜ to ½ per cent. higher than they closed the day before, and during the forenoon substantial advances were made in most of the list. Shortly after midday the bears made a vigorous attack on the general market, at the same time flooding the street with rumors, among them that London was actively engaged in selling American stocks, that New York Central had withdrawn from the railroad pool, and that the long talked-of issue of additional Lake Shore bonds was to take place at an early day. The market, however, did not yield more than a fraction, and gave such convincing evidence of strength that the bears were forced to abandon the fight after having added materially to their short accounts. As soon as the pressure was removed the market advanced on moderate purchases and closed finally with a boom for the coal stocks, while the remainder of the market was strong with one or two exceptions. There continues to be an active borrowing demand for Lackawanna at 1-32@3-64 per cent., and New York Central loaned to-day at 1-64 per cent., and Erie seconds, new, at 1-32 per cent. Business to-day most widely different from that of yesterday, the total sales being 265,000 shares, of which 82,700 were Lackawanna, St. Paul 39,615 and New Jersey Central 29,200 shares, and leaving less than 115,000 shares for the rest of the list.

A remarkable advance in New Jersey Central from 84⅝ to 88⅞ gave rise to a renewal of rumors circulated at different times this winter to the effect that the Baltimore and Ohio had, or was about to, secure control of a majority stock company. There was also talk to-day about Jersey Central passing under the management of the Pennsylvania Railroad or Delaware and Hudson Canal Company. New Jersey Central stock sold at 82¼ Monday. At 94⅛ Lackawanna touched the highest price it has reached since the heavy break following the liquidation of S. V. White. The pool closed to-day within ⅛ per cent. of the highest price, and 1⅞ per cent. higher than yesterday. Delaware and Hudson went up 1¼ per cent. at 72¾. Erie at 12⅝, New York Central and St. Paul each ⅜ per cent. at 88⅝ and 78¾ respectively and nearly all others on the active list smaller fractions. Union Pacific was conspicuous for its weakness on a statement from Washington that the sixty year funding bill will be defeated it classed ⅝ per cent. lower at 48⅝. Persons on the inside say there is something going on in connection with the Missouri Pacific, which is kept a profound secret, but which is expected to come to the surface within ten days and which is expected to cause considerable advance in the price of stock; it is ⅜ per cent. higher to-day at 96⅝. There was a large business again to-day in Erie seconds, new, and trading in other issues pretty well distributed, but purchases were for small amounts. On an official denial of some rumors afloat yesterday, prices were generally higher. Erie seconds, new, opened ¾ per cent. higher at 52⅝ and advanced in the afternoon to 53⅞, closing at 53¾. The sevens consolidated gold were also 1¾ per cent. higher at 113¾. There was an advance of 2 per cent. in Richmond and Danville debenture 6s to 59½, and 3 per cent. in Houston and Texas Central seconds, main line, to 73, while firsts, Western division, were unchanged at 80. There was also an advance of 1 per cent. in St. Louis, Jacksonville and Chicago firsts to 118½, and Pennsylvania Railroad Company 3½ per cent. coupons to 98. West Shore firsts were 1¼ per cent. higher at 34¾, and New Jersey Central firsts, convertible assented, 1 per cent. at 96. Ohio Central firsts sold at 53, declined 1 per cent., and there was an equal decline in Atlantic and Pacific Western division firsts at 73½, and Louisville and Nashville general 6s at 85, while same New Orleans and Mobile division bonds went down ½ per cent. at 75½. East Tennessee consol 5s are ¾ per cent. lower at 46¾, and incomes ⅞ per cent higher at 120.

Transactions, 273,000 shares; 82,000 Lackawanna, 27,000 Lake Shore, 14,000 Northwestern, 23,000 New Jersey Central, 41,000 St. Paul, 20,000 Union Pacific and 18,000 Western Union.
