Prime Mercantile Paper—4@5 per cent.

Governments—Strong.

State Securities—Steady.

The stock market has been unusually active all day, and the upward movement which began with the opening board this morning has been almost continuous for some of the most active stocks while everything on the active list is higher this evening than it was twenty-four hours ago. News circulated on the street was generally favorable, and this no doubt had its influence in aiding the upward movement. A better feeling is reported in the coal trade and the action of Presidents of Trunk Lines at their meeting yesterday was generally regarded favorably. To this was added reports of abnormally large east-bound tonnage from Chicago the past week. The total sale of stocks were 396,108 shares, an increase over yesterday of 139,300 shares. Of to-day's business Lackawanna contributed 89,780 shares, St. Paul 66,000 and Northwestern 58,398 shares. Lackawanna opened a shade lower at 94¼, but advanced rapidly to 95, reacted to 94⅝, and before noon sold at 95⅞. In the afternoon it touched 94⅞, and then advanced to 95⅞, but in the final dealings it lost a fraction of this last advance, closing on a sliding scale downward at 95½ net gain for the day of ¾ per cent. St. Paul's opening price was the lowest, and its closing was within ⅛ per cent. highest figure reached, the actual gain being 1⅝ per cent. at 75½, which was made at most without any reaction. Northwestern was 1¼ per cent. higher at 93¼. On slight business Delaware and Hudson is up 2 per cent. at 74¼, its highest quotation for the day. Central New Jersey was strong most of the day and within a small fraction of 89, but at the close it sold off to 88½. Louisville and Nashville was notably strong, gaining 2 per cent. at 26. Northern Pacific preferred is up 1 per cent. at 39¾. Among the comparatively inactive stocks Rhode Island shows a gain of 1¼ per cent. at 111, and Memphis and Charleston of 4 per cent. at 35. The remainder of the list was strong, but the net gains of the day were less than 1 per cent. Loaning rates were easier for some stocks, Lackawanna and New York Central loaning at 1-64@1-32, Union Pacific and Lake Shore at 1-128 and Western Union at 1-128@1-64 per cent. Comparing prices this evening with the closing quotations a week ago all active stocks are from 1 to 6⅝ per cent. higher, the latter for Lackawanna. Delaware and Hudson is up 4¾ per cent., New Jersey Central 4¼, St. Paul 3⅞, Northwestern 3⅞, Western Union 3⅝, Burlington and Quincy 4⅛, Manhattan Consolid and Rock Island each 3, and other stocks for less amounts. Trading in railroad bonds was pretty well distributed and prices generally higher. On the publication of the official announcement that the Erie's March interest would be paid at maturity, Erie 2d new advanced to 57⅞, but closed at 54⅞, a gain of ⅝ per cent. on reduced business as compared with the past two days. The 7s gold are up 1¼ per cent. at 115. There was and advance of 2 per cent. to 97 in Jersey Cntral consolidated assented bonds, 1½ per cent. to 97½ in convertable assented and ½ per cent. to 103 in adjustment bonds. COMMERCIAL.

Dry goods are receiving increased attention from the south and southwest, and trade during the past week was tolerably fair in some lines. Prices unchanged. Groceries continue in good demand and prices remain steady. Fish are meeting with an increased demand as the Lenten season draws near, and the general market is becoming stronger. Foreign dried fruits are in good request, and domestic sorts are firm. Butter and cheese continue dull.

GRAIN.

Wheat—A generally firm feeling is noticed for all cash deliveries. Sellers and receipts are few and light. Millers fair buyers at quotations, but they want choice grades. Futures show some buyers but nothing offered. New York ½c higher, Baltimore ½c higher, and Chicago ⅜c firmer.

Corn—Firmer, and all spot stock will find ready buyers at full quotations. Receipts not quite so liberal. Futures dull. New York ½c off, Baltimore and Chicago steady.

Oats—Firm and scarce, and we note a good local demand.

The following table shows the receipts of grain at this point for the past twenty-four hours:
