AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BERKFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues **for the treatment of those** complaints. ERASTUS KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MISS., Feb. 7, 1856.

DR. AYER: I will cheerfully certify your *Pectoral* to the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTERRY, Ia., writes, 3d Jan., 1856: "I had a bellous Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to **consumptive patients, or curing such as are curable.**"

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures will astound you. Speak the lame, write of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also of insidious and dangerous disease that have baffled the best of physicians and skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not vouchsafed by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to testify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Eruptions and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgic and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

ARNOLD'S VITAL FLUID

purifies and strengthens the blood by eradicating, through its wonderful chemical action, the causes of impurities and debility. Hence its power to cure humors that mere medicine cannot cure. Hence its power of strengthening and vitalizing the blood. It furnishes to a certain extent, the element of which pure blood is composed. It eradicates and cleanses away whatever clogs and thickens the blood.

ARNOLD'S VITAL FLUID renders the system strong and healthy, by freeing the blood and stomach from objectionable materials. It nerves and purifies the system, by furnishing the elements which have vitality.

ARNOLD'S VITAL FLUID gives to the system, influence and effect similar to that produced by exercise in the free open air. It exhilarates by strengthening the blood, it brightens and better adjusts the work by beginning at the beginning, to rejuvenate to the taste, and become a favorite wherever known.

ARNOLD'S VITAL FLUID removes biliousness in the most direct and easy manner, by neutralizing the cause. This is the principle of its action in removing illness generally. It neutralizes the cause by freeing the blood from impurities, to the proper fulfilment of its life-giving functions. This principle of neutralizing the cause, is why *ARNOLD'S VITAL FLUID CURES HUMORS* that mere medicine cannot sensibly affect, and why it cures diseases RESULTING FROM POISONS IN THE BLOOD, that mere medicinal preparations, cannot alleviate. Humors are poisons in the blood and it is by their chemical action in neutralizing those poisons that *ARNOLD'S GLOBULES AND VITAL FLUID* are enabled to cure them.

Messrs. Burr, Foster & Co., Boston,

Gents: I feel it incumbent upon me as a duty which I owe to you and the public, to make the following statement in regard to the remarkable powerful Arnold's Fluid.

For more than a year my wife's mother and three of my children were afflicted with a malignant humor, the character of which eminent physicians were unable to determine or provide a successful remedy for. After trying many humor remedies, I was induced to make use of Arnold's Globules and Vital Fluid, which I am most happy to say has entirely cured them. For the benefit of others like afflicted, I would say that no language of commendation which I can use is too strong for the merits of these vastly celebrated medicines. C. B. SHERMAN.

HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and intelligence. The stomach is its manufactory, the veins the distributers and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable, dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields resolutely and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the liver.

BOWEL COMPLAINTS.

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhea, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all strictures of the bowels, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORLD TO FEMALES.

The loss of debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved in the time being and prevented for the time to come, by a course of this mild but thorough alterative. Holloway's Pills are the best remedy known to a world for the following diseases:

Asthma, Bowel Complaints, Coughs, Colds, Chronic Diarrhœa, Costiveness, Dyspepsia, Diarrhœa, Dropsy, Debility, Fever and Ague, Female Complaints, Headaches, Indigestion, Influenza, Inflammation, Inward Weakness, Liver Complaints, Lowness of Spirits, Piles, Stone and Gravel, Scrofula, Secondary Symptoms, Venereal Affections, Worms of all kinds.

☞ Caution!—None are genuine unless the words "Holloway, New York and London," are discernible as a water-mark, in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious. d&w

Curious teeth filled with pure Crystal Gold (the best article now in use) and Gold Foil, and restored to permanent usefulness if attended to in proper time.

Teeth inserted on plate or plate either Gold or Silver, partial or full sets, and made in a manner which cannot fail to please.

Teeth extracted without pain by the freezing process, which is in advance of Chloroform and Ether, as there is not the slightest danger in its use, and is just as successful.

Dr. H. has fitted himself in this place permanently, and operations will be performed by him in a careful and durable manner and warranted to give perfect satisfaction.

June 26 NICHOLS.

$100 PROCLAMATION.

TO THE INHABITANTS OF

BURLINGTON AND THE STATE.

I propose to cure, almost instantaneously, individuals afflicted with Headache, Rheumatism, Neuralgia, Paralysis, Asthma, Piles, Gout, Felons, Swellings of all kinds, Cramps, Deafness, and all Bronchial Affections, and some other cures that I have treated successfully.

I propose to clock, and effectually dissipate, more Aches and Pain than can be effected by any other, or all other methods of medical aid, in the same space of time, the masses themselves being Judges.

I do not propose to cure every disease, only a certain class named in my directions. My Electric Oil operates on chemical and electric principles, and is therefore applicable to the cure, or natural restoration of any organic derangements arising from an improper circulation of Nervo-Vital Fluid.

I want the masses to join in this matter—the well and the sick; because, if these things are so, are all alike interested. The cures made by

A. E. SMITH'S

"ELECTRIC OIL"

are so nearly miraculous, so wonderful and instantaneous, so satisfactory and mitigating of human ill, as to call upon public functionaries, and those having charge of the sick and suffering, to look into the well attested merits, the simple efficacacy of this "Electric Oil."

I will forfeit $100 if the Electric Oil, sold at the corner of Walnut and 8th Streets, Philadelphia, fails to cure a single case of Rheumatism, or pains in the Back or Limbs, Piles, Sores, or Burns, Fever Sores, Ulcers, Caked Breast, Sore Nipples, Felons, stiffness in the Joints or Neck, or Palpitation. To remove all soreness and swellings in from 5 to 20 minutes, if applied to any patient, male or female, in the almshouse, or any public institution in the city.
