FINANCIAL AND COMMERCIAL.

MONEY AND STOCKS.

New York Financial Market.

NEW YORK, Feb. 11.—Money—Easy at 1 per cent.

Prime Mercantile Paper—4@5 per cent.

Governments—Dull Only one sale on Stock Exchange to-day and that without change of quotation.

State Securities—Neglected.

The feature of to-day's stock market has been the strength and activity of New York Central and Lake Shore, accompanied by reports that Vanderbilt had again entered the market as a buyer of these stocks. Another rumor was that Woenshoffer was making an earnest effort to secure the controlling interest New York Central. Neither story is confirmed or denied, but the New York Central, which opened ¼ per cent. lower at 82¾, made steady advance during the day until it reached 93, which was accomplished during the last hour. In final dealings it sold off to 92¾, and rallied, closing at 9¾, a net gain of 2¾ per cent. Total sales aggregated 42,673 shares, of which Lake Shore was first priced at 63, and after selling at 63¾ yielded early to 62⅞, but immediately rallied and sold during the forenoon at 64¼. Twice before 2 o'clock the price touched 65 but in the last hour yielded to 64½, a gain of 1¾ per cent., with sales of 52,966 shares. The remainder of the active market, with a few exceptions, show gains of ¼ to 1¾ per cent, the course of prices following pretty closely that of the stocks already mentioned Lackawanna was very active in the forenoon, but thereafter took a second place in the amount of business done. Its highest price (97½) was also reached before midday, against 96⅞ at the opening. In the afternoon it did not sell below 97⅝ until shortly before the close of the board, when it dropped to 96⅞ and closed at 97, a gain of ⅞ per cent., with sales of 56,860 shares, of which over 30,000 were sold before noon. Northwestern with sales of 44,735, St. Paul with 52,115 and Union Pacific with 41,705 shares were the other most active stocks, amounting to over 75 per cent. of the day's business of 378,200 shares. Northwestern sold from 93¾ to 94⅞, and closed same as yesterday. St. Paul advanced from 74¼ to 75¾ and closed ⅝ per cent higher at 74⅝; and Union Pacific, which was active in the forenoon at 50⅝@49⅞@50¾, rose in the afternoon to 51 on light trading, but broke later to 50⅝, and closed with a gain of ¼ per cent. at 50⅝. Bulls claim the short interest in this stock was largely increased to-day, and they estimate there are now only about 80,000 shares of it afloat on Wall street. Among stocks less active but making important gains were Pacific Mail, which closed 1½ per cent higher at 56⅝, and Michigan Central 1 per cent. at 92. Western Union, Manhattan and Missouri Pacific unchanged, and Northern Pacific common, Chicago, Burlington and Quincy and Central Pacific each ¼ per cent. lower, while Omaha shows a decline of ⅛ per cent. Leaders in the recent advance say they practically left the market alone to-day while Vanderbilt stocks were being advanced by other parties. New York companies have advanced price of anthracite coal 10 and 15 cents per ton. There was again a good business to-day in railroad bonds and prices are generally higher, following the report previously mentioned respecting the effort to control New York Central and also the statement that the troubles between that company and West Shore were about to be settled. West Shore firsts were neglected in the forenoon, but showed later 1 per cent. higher at 34½, and rose on large sales to 37, closing at 36½. As high as 1 per cent, was bid for the use of bonds for the day. Nickel Plate first was dull at 86½@85¾, closing unchanged at 86; and the second mort. ¼ per cent. higher, at 54½, after selling between 55¼@55½. Among the important advances are a gain of ⅝ per cent in Alton and Terre Haute division bons, to 29; 3 per cent. in International coupon 6s at 70; 2 per cent in Texas Pacific, Rio Grande division, bonds at 52 coupon off, and 1 per cent. each on Missouri Pacific third, Western Union coupon firsts, and Northwestern twenty-five-year debenture fives at 96. Missouri, Kansas and Texas general sixes are up ¾ per cent. at 68 and sevens ¼ per cent. at 101½, while Missouri Pacific firsts show a gain of 1¼ per cent. at 95. Texas and New Orleans first, Sabine division, are also 1¼ per cent. higher at 76¼. The heaviest sales were in Evansville and Terre Haute firsts, Mount Vernon Division, 2 per cent at 93, and Richmond and Danville debentures 1¼ per cent. at 58. New Jersey Central firsts consol assented down 1¼ per cent. at 96¼.

Brokers report an increasing demand for railroad bonds for investment on account, and also claim there is an important short interest in some speculative issues. The Delaware and Hudson annual statement gives the surplus on the dividend fund December 31 at $2,187,731.

Transactions, 378,000 shares; 57,000 Lackawanna, 53,000 Lake Shore, 51,000 Northwestern, 42,000 New York Central, 52,000 St. Paul, 42,000 Union Pacific, 27,000 Western Union.

In mining stocks, the market presents no new features. Business was entirely local and the movement of prices unimportant. Sales in the forenoon amounted to 3,465 shares. Bodie sold at 215; Consolidated California and Virginia, 29; Eureka, 295; North Belle Isle, 21; Navajo, 130@125; Savage, 110; Yellow Jacket, 110; Consolidated Pacific, 85; New Pittsburg, 45, and Bulwer 31. The mining market was more active this afternoon. Silver King sold at 400, Plymouth at 15½@15¾, Alice at 195, New Pittsburg at 37, Central Arizona at 17, Independence at 02, North Standard at 60, Consolidated Pacific at 80, Sierra Nevada at 40, and Sutro Tunnel at 11.

COMMERCIAL.

The snow blockade has about cut off what little was doing in dry goods notwithstanding this, active preparations are being made for the spring trade, by displays of new goods.
