MONEY AND STOCKS.

New York Financial Market.

NEW YORK, Feb. 14.—Money—1@1 per cent.; closed at 1½ per cent.

Prime Mercantile Paper—4@5 per cent.

Governments—Dull, but firm.

State Securities—Quiet.

The stock market was again weak and lower today, the decline being led by Western Union. Some of the prominent operators on the bull side throughout the recent advance were large sellers of Western Union and Union Pacific to-day, especially the former, and they made no effort to conceal the fact. It was very positively asserted that the bears in Western Union made private settlement at about 63, and the opinion has therefore prevailed that the present break would enable bulls to buy stocks again at lower prices. The downward course of prices was checked before 2 o clock, and in the last hour the market rallied a fraction, and in most cases closed strong at the advance. All active stocks were lower, however, than they closed yesterday. At the opening was the highest prices of Western Union, and on large transactions quickly sold down to 58⅝, rallied to 59¼, and by noon sold at 58¾. There was a sale in the afternoon of shares at 57¾, but with these exception prices did not go below 58, nor again above 59⅛, and it closed weak at 59¼, a decline of 1⅝ per cent. on total sales of 66,442 shares. During the afternoon Union Pacific was pressed for sale until it touched 48⅝, but during the general rally rose to 49⅝, a net decline of ¼ per cent. Lackawanna was active and steady, between 95⅞ and 96⅝, until after midday, when it declined to 95¼, but rallied in the last hour, and closed strong at 96, a decline of ⅛ per cent. with transactions aggregating 73,000 shares. Delaware and Hudson were notably weak, selling down from 74¼ to 72½, and closing 1¾ per cent. lower than yesterday at 73¼; New Jersey Central dull and strong, and closed ⅛ per cent. higher at 36⅞. Northwestern weak, declining from 93¾ to 92, from which it rallied to 93⅝ at the close, a loss of ¾ per cent on sales of 31,656 shares. St. Paul was traded in to the extent of 56,185 shares, fluctuating between 79 and 72, and closing at 72¾; New York Central and Lake Shore comparatively firm, and closed the same as last evening at 91⅞ for the former after selling from 92 down to 91, while Lake Shore advanced early to 63⅝, yielded to 62¾, and sold finally at 63⅝. The total business for the day amounted to 305,573 shares, which is 28,000 shares greater than Friday. Over 45 per cent. of to-day's trading was in Western Union and Lackawanna. Comparing prices this evening with a week ago there is a decline of from 1 to 3¾ per cent. in a majority of most of the active list, but Lackawanna is an exception, closing ⅞ per cent. higher to-day, and Lake Shore was also equal in the advance. The bond market was less active, especially during the afternoon, than for sometime past. Prices irregular, but generally closed strong, and at an advance of a fraction in many cases over the last previous sales. Richmond and Danville debenture up 2 per cent. at 60, after selling in the afternoon at 58⅝. Lehigh and Wilkesbarre Consolidated assented bonds gained 1 per cent., selling at 91. Louisville, New Albany and Chicago firsts made an equal advance at 93. Erie seconds, new, rose ¾ per cent., to 54¾ on a moderate business, and West Shore firsts 35⅝, after selling between 36 and 35¾. New York, Susquehanna and Western firsts are 1½ per cent. higher, 51⅝, and Lake Shore second coupon ⅝ per cent. at 115. There was a sale of $1,000 Green Bay, Winona and St. Peters firsts at 55, a decline of 5 per cent. Indiana, Bloomington and Western firsts, eastern division, are 1 per cent. lower at 77, and Evansville and Terre Haute firsts, Mt. Vernon division, 1¾ per cent. lower at 91. Canada Southern firsts, guaranteed, declined ⅛ per cent. to 97¾; Northern Pacific firsts at 101¾; Milwaukee, Lake Shore and Western firsts at 101; St. Louis and Iron Mountain seconds at 104½; Ohio Southern firsts at 87, and Houston and Texas Central firsts at 92½. In each case shown ½ per cent. East Tennessee, Virginia and Georgia 5s at 46¼, and Metropolitan Elevated firsts at 107¾ were strong at 86½.

Transaction, 307,000 shares. 73,000 Lackawanna; 17,000 Lake Shore; 35,000 Northwestern; 17,000 New York Central; 40,000 St. Paul; 22,000 Union Pacific; 66,000 Western Union.

COMMERCIAL.

There is a better and more hopeful feeling in jobbing circles in the dry goods trade, not so much on account of the higher temperature, as upon the removal of the obstructions to railroad travel, so that it is now possible to fulfill orders. Prices are unchanged, but there is a perceptible firmer feeling. Groceries meet with a good demand and average firm. There is a better demand for canned goods. Dried fruits are more active and slightly firmer. Fish have also improved somewhat. Cheese is less dull, and butter remains quiet. Eggs are mighty uncertain, and quotations are almost useless as a guide to what can or can not be obtained for arrivals.
