FINANCIAL AND COMMERCIAL.

MONEY AND STOCKS.

New York Financial Market.

NEW YORK, March 3.—Money—Easy at 1½ per cent.

Prime Mercantile Paper—4@5 per cent.

Government Bonds—Quiet and unchanged, except the 3 per cents., which are ½ per cent. lower at 101 bid.

State Bonds—Quiet and steady.

The stock market was extremely dull on slight fluctuations, most of the day traders showing no disposition to speculate on either side. Fluctuations were consequently within narrow limits, as is shown by the fact that from the opening of the board until nearly 2 o'clock Lackawanna sold at 103⅝@104; Pacific Mail, 56¼@55⅞; Lake Shore, 64@63¾; New York Central, 93⅞@93¼; Northwestern, 95¾@95⅜; St. Paul, 72⅞@72¼; Kansas and Texas, 18⅞@18⅝, and Louisville and Nashville, 31⅞@31¾. These were among the most active stocks on the list during the day. The feature in late afternoon operations was the trading in Northwestern. A dispatch from Chicago was circulated on the street announcing that the earnings of the company for the fourth week of February showed an increase of $61,000. Following this announcement the stock rose to 96¼ on heavy transactions. Lackawanna followed by selling at 104¼, and Lake Shore touched 64⅝ while the rest of the active list made only slight advances. Later in the afternoon a second Chicago dispatch was given out, correcting the first one by the statement that the earnings showed a decrease of $61,000 for the fourth week and a much larger amount for the month of February. The whole market became weak, and Northwestern, on continued activity, steadily sold downward until it reached 95⅛, and closed at that price, with sales in the last hour of over 25,000 shares, or more than 40 per cent. of the business done during the day in that stock.

At the office of the company in this city, Vice President Sykes says he has not yet received complete reports for the last week in February, and does not know what they will be. Among the rumors afloat in the afternoon was one to the effect that the next dividend on New York Central will be reduced 1 per cent., and the stock of that company fell to and closed at 63⅝, a loss of ⅝ per cent. Next to Northwest, Missouri, Kansas and Texas has attracted most attention, the total sales for the day amounting to over 30,000 shares, instead of only a few hundred shares, as has usually been the case until recently. At the same time the price rose to 18⅞, and closed unchanged at 18¾. Prominent houses report buying this stock for both foreign and Washington account. In the last half hour Lackawanna fell from 104¼ to 103⅝, and closed weak at that price, with sales of only 19,600 shares for the day. On a much restricted business, St. Paul went down ⅜ per cent. at 72¼, but the stock was almost neglected in the afternoon. Pacific Mail sold as high as 57 early in the last hour, but declined to 56⅛, a final sale, however, being made at 56½, an advance of ⅜ per cent. New Jersey Central was also ⅜ per cent. higher, at 85⅝, on sales of less than 1,400 shares, and Omaha preferred shows a gain of ¾ per cent. at 187¾, on light dealings. Missouri Pacific is ⅝ per cent. lower, at 90⅝, and other more active stocks show small declines compared with last evening. The market closed weak, with total shares sold of 212,866, about the same as yesterday.

Bond market rather quiet except for Erie seconds, new, trading in which amounted to $122,000, or nearly one-third of the day's business. Bonds opened at 56¾ and sold down to 55⅝ in the forenoon. In the afternoon they were entirely neglected until near the close, when there were sales of $35,000 at 56¼@56, closing at the latter price. There was only limited trading in other issues, and prices generally show only fractional changes. New Jersey Central firsts, coupon off, were, however, 1 per cent. higher at 111, and there was an equal advance in Oregon Improvement Company firsts at 85. Atchison, Colorado and Pacific firsts rose 1½ to 91½ and Mobile and Ohio firsts are up 3½ at 106½. Erie sevens, consolidated gold, sold at 114. Kansas Pacific firsts, 1896, at 110 and Long Dock bonds at 116, also 1 per cent. higher in each case. There was a sale of Great Western firsts at 107½, an advance of 1½. The greatest declines were in some of Houston Texas Central issues, firsts, Western Divisions, coupon off, showing a loss of 1½ at 76¼, and seconds, main line, 2 per cent at 71. Texas Central firsts are down 1 per cent. at 51, and Texas Pacific terminal sixes sold at 49, a net decline of 1 per cent. Union Pacific sinking funds registered are also 1 per cent. lower at 115. St. Paul and Northwest issues traded in were firm, and Nickel Plate is were ½ lower at 90. The total sales were $1,329,000, an increase of $455,000.

Transactions on Stock Exchange aggregated 212,000 shares, of which 20,000 were Lackawanna, 30,000 Kansas and Texas, 22,000 Lake Shore, 10,000 Louisville and Nashville, 6,000 Northwestern, 15,000 New York Central, 13,000 St. Paul.

There was less business in mining stocks during the forenoon than during the same time yesterday, the total sales having been but 6,500 shares. Amie sold at 5; Bodie, 275, seller 10; Belle Isle, 12; Consolidated Pacific, 95; Consolidated California and Virginia, 60.

COMMERCIAL.

The demand for dry goods is now steadily improving. Groceries remain in steady demand at unchanged prices, though sugars and coffees are weaker. Dried fruits and fish are in active request. There is nothing noted as new in vegetables. There is said to be a considerable quantity of frozen fruit, particularly lemons, which are of little value. Oranges do not seem to have suffered as much, especially those shipped from Mediterranean ports. Fair to choice apples are advanced.

GRAIN.

We quote from the Board of Trade circular as follows:

Wheat—Local markets remain firm, with scarcely any offerings of either spot or futures. Receipts light. Cash No. 2 red scarce and wanted, at full quotations. New York ¼c higher; Baltimore steady, and Chicago ⅜c lower.

Corn—Still wanted at full prices, but offerings are very meager, and supply not equal to demand. Futures friendless. New York ⅜c higher, Baltimore ⅜c lower, and Chicago steady.

Oats—Steady under light receipts, with demand good and offerings light.

The following table shows the receipts of grain at this point for the past twenty-four hours:
