FINANCIAL AND COMMERCIAL.

MONEY AND STOCKS.

New York Financial Market.

NEW YORK, April 7.—Money—On call continues easy at 1 per cent.

Prime Mercantile Paper—4@5 per cent.

Bar Silver—1 06½.

Foreign Exchange—Is dull but firm at unchanged quotations. Quotations for actual business are 484½ and 486½; posted rates are 485½ and 488.

Government Bonds—Are quiet and unchanged.

State Securities—Have been neglected.

The Railway Bond market has been more active to-day, the total sales being $1,421,000, an increase over yesterday of about $5,000, and prices this evening are irregular as compared with last previous sales. The changes, however, are in many cases for only fractional amounts. Erie seconds now continue active, and there was considerable business in Chesapeake and Ohio firsts and the Nickel Plate firsts. Mr. Huntington, President of the company, says he thinks the interest on the firsts will be paid at maturity, but he is not positive. He says the company has not earned its fixed charges after paying for improvements, operating expenses, etc.

The total sales to-day on the Stock Exchange foot up 179,872 shares, which is a moderate increase over the last few days, but the gain was confined principally to one stock—Pacific Mail. The total transactions in which amounted to 55,800 shares, seven other stocks—Lackawanna, Western Union, St. Paul, Northern Pacific preferred, Lake Shore, Northwestern and Union Pacific in the order named, contributed 95,600 shares, leaving only 28,000 shares to be distributed among the remaining fifty stocks traded in during the day. Prices at the opening were weak, but after the first hour the marked settled down into a dull and listless condition. Late in the afternoon the weakness and extended throughout the whole list and prices this evening are generally from ½ to 2 per cent. lower than they closed yesterday.

The air has been full of "bear" rumors for the past twenty-four hours regarding the Northern Pacific property, and it has been repeatedly stated that the company would not be able to earn its fixed charges during the current fiscal year. President Harris, of the Northern Pacific, says this statement is absolutely false in every particular; that in the first place the fixed charges are only a little more than third the amount stated in the reports afloat, and further, that the company does not owe a dollar of unfunded debt which it has not cash or cash receivables to meet, and that every dollar of money due to meet fixed charges is in bank. Although this statement was circulated on the street before the board closed, the final prices of the Northern Pacific show a gain of ½ per cent. over the lowest of the day, at 16½ for common and 38⅝ for preferred. This is a decline in each case of ⅜ per cent. from the final prices of yesterday. Central Pacific is down ⅝ per cent. at 39½. It is stated that the directors have decided to publish the lease of the Central to the Southern Pacific Company in the forthcoming report of the Central Pacific, which is to be issued in a short time. Oregon Transcontinental is down ½ per cent. at 11⅝, and Oregon Railway and Navigation, 1⅜ per cent. at 61¾. It is stated that there was no meeting of the directors of the company here to-day, and that none will be held at present. Lake Shore lost ⅞ per cent. at 59⅝, after touching 59; and New York Central is 1 per cent. lower at 88¼. Lackawanna is down ⅝ per cent. at 101, and Delaware and Hudson, ⅞ at 78⅞.

The final prices are generally at or very near the lowest figures. The market closed weak at the decline.

Transactions aggregated 180,000 shares, as follows: 12,000 Lackawanna, 12,000 Lake Shore, 4,600 Northwestern, 15,000 New York Central, 55,000 Pacific Mail, 15,000 St. Paul, 10,000 Union Pacific, 17,000 Western Un on and 12,000 Northern Pacific.
