Sandy Hook Pilots.—At a meeting of the Board of Pilot Commissioners, held Oct. 11, 1854, RUSSELL STURGIS was reelected President, and FRANCIS PERKINS, Secretary.
The Secretary presented an Annual Report for the year ending 31st August last, showing that out of 138 Pilots licensed by the Commissioners since the law passed, 20th June, 1853, there are now in active service 116; that there are 20 cruising boats, and that there have been piloted during the year 5,104 vessels, viz: 2,885 inward and 2,219 outward.
The present Commissioners (with but a single exception) were appointed some nine years since by the Chamber of Commerce and Board of Underwriters, and they feel gratified in being able to say that during that time few or no important losses have taken place when the property was under charge of a pilot holding their licenses.
They also take pleasure in stating that the facilities and regulations given to the pilot business under the late act of the Legislature, appear to act with great harmony and satisfaction both as to pilots and the commercial interests generally.
The Commissioners would ask attention to the following sections of the State law:
Sec. 13. When any ship or vessel, bound to the port of New-York, and boarded by any pilot appointed by this Board, at such distance to the southward or eastward of Sandy Hook Lighthouse, as that said Lighthouse could not be seen from the deck of such ship or vessel in the day time, and in fair weather, the addition of one-fourth to the rates of pilotage hereinbefore mentioned shall be allowed to such pilot.
Sec. 29. Any person not holding a license as pilot under this act, or under the laws of the State of New-Jersey, who shall pilot or offer to pilot any ship or vessel to or from the port of New-York by the way of Sandy Hook, shall be deemed guilty of a misdemeanor, and, on conviction, shall be punished by a fine not exceeding one hundred dollars, or imprisonment not exceeding sixty days; and all persons employing a person to act as pilot, not holding a license under this act or under the laws of the State of New-Jersey, shall forfeit and pay to the Board of Commissioners of Pilots the sum of one hundred dollars.
COMMISSIONERS.
CHARLES H. MARSHALL, ROBERT TAYLOR, E. E. MORGAN,

GEORGE W. BLUNT, RUSSELL STURGIS,
Appointed by the Board of Underwriters.
