FINANCIAL AND COMMERCIAL.

MONEY AND STOCKS.

New York Financial Market.

NEW YORK, April 11.—Money—On call continues easy at 1 per cent. Closing at 1 per cent.

Prime Mercantile Paper—4@5 per cent.

Bar Silver—Unchangedat 106⅝.

Foreign Exchange—Is extremely dull with unchanged quotations; actual business is done at 484¾@486¾.

Government Bonds—Are quiet and steady.

State Securities—Are quiet and in some cases lower.

The railway bond market was quiet. Total sales being only $910 000, an increase over yesterday of $220,000. Of to-day's business 250,000 consisted of transactions in Erie seconds new, which opened at 54⅞, sold at 54¾ and then up to 56⅝, closing at 55⅞, an advance of 1⅞ per cent. The remainder of the business was well distributed the sales in no case being for large amounts. Prices were somewhat irregular but there were more gains than losses. Central of New Jersey issues were prominent for the advances made. The the total sales for the week (six business days) were $6,464,000, and increase over last week (five business days) of $126,000.

The stock market continues subject chiefly to European war news. At the opening this morning prices were firm and in some cases ⅛ to ¾c higher than at closing last evening. There was a manifest disposition on the part of the shorts in the grangers and the Vanderbilt's to cover. There are rumors that a new "bull" combination has been formed in the grangers. The market continued strong but only fairly active until the announcement was made near the middle of the day that England would probably declare war before Monday, when an active buying movement set in, accompanied by a further advance in prices, which continued until 2 o'clock. In the last hour the market was firmly held but made no further gains, and finally closed strong near the best price of the day. The total sales were 274 000 shares, an increase over yesterday of 90,600 shares, but of today's business 73 per cent. consisted of sales of Northwestern, St. Paul, Lackawanna, Lake Shore, Pacific Mail and Western Union. In no other stock did the transactions amount to as much as 15,000 shares. As compared with last evening's prices are generally from ½ to 2 per cent. higher than they closed yesterday, while C. B. and Q. is up ¾c at 124¾. The weakest stock on the active list late in the afternoon were the Vanderbilts, Lake Shore, which in the general advance rose to 60⅝ in the afternoon, declined later to 59⅞, at which it closed, a net gain of 1 per cent. New York Central is up ¾ at 95⅞, after selling between 96⅞ and 89⅞; Western Union fluctuated 1⅝ per cent. and closed within ⅛ of the highest price of the day. Union Pacific is also 1⅛ higher. Central of New Jersey was prominent for its strength early in the day on the general impression that the Reading Company would in some way raise the money to pay the amount now due Central, and that the relations between the two companies would continue as heretofore. President Little, of the New York Central, has been in Philadelphia in the interest of his company, and it is generally conceded by insiders that the Reading will not give up its hold on the Central without a local fight. Lackawanna was strong all day and shows a gain of 1⅝, and Delaware and Hudson is up 1½ per cent. Louisville and Nashville gained 1 per cent, also Missouri Pacific. Other advances were for smaller fractions. The street was devoid of news, having an influence upon prices all day other than the European war news. Comparing prices closing this week, with those of last week, show higher prices nearly all round, ranging from 1 to 2½ per cent. Huron Pacific gained 1⅞, Delaware and Hudson 1¾, St. Paul 1¾, and Pacific Mail and Central Pacific each 1⅛ per cent. Some of the inactive stocks, however, are lower, notably Oregon Transcontinental, which is down ¾, and St. Paul preferred is 2⅝ per cent. lower.

The total sales of stock this week were 1,193,000 shares, an increase of 455,000 shares over the five days of last week.

Application has been made to the Stock Exchange for the listing of the following securities: Louisville and Nashville Railroad Company, $857,000 additional 10-40 6 per cent. adjustment bonds, making the total amount sold and issued to date $8,000,000; Atchison, Topeka and Santa Fe, $4,500,000 additional 6 per cent. sinking fund received bonds; New York and New England, $1,000,000 additional 6 per cent first mortgage bonds and East Tennessee, Virginia and Georgia, $417,000 additional consolidated first mortgage divisional bonds.

Included in the transactions to-day were 27,000 shares Lackawanna, 23,000 Lake Shore, 45,000 Northwestern, 12,000 New York Central, 18,000 Pacific Mail, 41,000 St. Paul, 14,000 Union Pacific, and 17,000 Western Union.
