HAWTHORNE'S LIFE OF GEN. PIERCE.

THE subscribers have just published an authentic edition of the LIFE OF FRANKLIN PIERCE, by Nathaniel Hawthorne, drawn up from original sources, and containing the General's Military Journal, as written on the field.

The biography is illustrated with an accurate portrait from a painting by Tenny, executed expressly for this work.

As Mr. Hawthorne was in College with Gen. Pierce, and has ever since been his intimate friend, he is peculiarly well qualified for this undertaking, and his high literary reputation is a sufficient guarantee of the ability with which the book is written. It has been prepared with the sanction of Gen. Pierce.

It is handsomely printed on good paper, and sold for the low price of 37½ cents in paper covers, and 50 cents in muslin.

Persons ordering ten or more copies, and remitting the amount for the same to the publishers, shall have the books promptly delivered to them free of expense.

A liberal discount will be made those who buy to sell again.

P. H. TAYLOR is constantly receiving elegant and fine PIANOS, from the popular makers, NUNNS & CLARK.

They combine all the modern improvements, with the *Metallic Plate*, and *patent over strings*, and are confidently recommended for EVENNESS OF TONE and *great durability*, which quality will be appreciated in the country, where good tuners are seldom found.

P. H. TAYLOR has sold these instruments in this city for the last 12 years, to the entire satisfaction of his numerous customers.

SCHOOLS AND COLLEGES.

NEW CLASSICAL SCHOOL,
BY THE REV. WM LOVE.

THE subscriber would respectfully inform the inhabitants of Richmond and its vicinity, that he will open a Classical School in the house lately occupied by David Anderson, Jr., Esq., on 4th St. near Leigh street, on the first Monday in October. From many years successful experience, he hopes for a share of public patronage.

LOCATION—It is one of the very best in the city for youth, being very retired, and, at the same time, convenient. The rooms are very large and airy.

TERMS—From 1st October until 1st August.

TERMS—For all the English branches, $40 per session: for Classics and Mathematics, $50. Tuition for five months invariably in advance. [Sept. 7—3m] WM. LOVE.

REV. M. D. HOGE'S
BOARDING AND DAY SCHOOL,
Corner of Franklin and 5th Sts., Richmond, Va.

THE next term of this institution will commence on the 1st of October. The course of study will embrace all the branches pertaining to a thorough English education, together with Ancient and Modern Languages. Last year more than 100 pupils were in attendance at the same time, but during the next term the number will be restricted to 100—twenty of whom will be received as boarders in the family of the Principal. Charge for board, washing and all usual accommodations for ten months, $220, as heretofore. Tuition in English, from $25 to $40, according to the advancement of the pupil. French, Spanish or Italian, $30; Latin, $15; Music $7 per month. The German Language will be taught gratuitously, or by the usual method, to as many as may wish to acquire it, *free of charge.*

Rev. J. P. Safford will occupy the position which it was filled by the Rev. W. J. Hoge last year. Mr. Safford is a gentleman of varied and accurate scholarship, and has had several years experience as an instructor in some of the best institutions in our country.

Young Ladies from the country, as well as from the city, are desired to be present on the first day of the session. It is often a serious inconvenience, and discouragement to a pupil to enter a class which has made even a week's progress.

Payments *invariably in advance*—one-half on the first of October, the other on the first of March.

UNIVERSITY OF VIRGINIA, Aug 2d, 1852.

Rev. M. D. Hoge—Dear Sir: I am gratified to learn that you have associated with you in your very flourishing School for Young Ladies, my friend and former pupil, Professor J. Price Safford. Mr. Safford will make a worthy successor to your late associate Rev. Wm J. Hoge, now called to another field of usefulness.

I have ever regarded Mr. S. as a gentleman of superior talents, and his varied efforts and uniform services as an instructor, leaves no room for doubt as to his entire success in connection with your institution.

Mr. S. is a ripe scholar. His extensive, accurate and varied attainments, scientific as well as literary, will enable him to bring to the task of training the mind and taste of young ladies much more than the ordinary advantages of even distinguished teachers.

Very respectfully, yours, &c., WM. H. McGUFFEY.

Mr. Safford has my highest confidence as a scholar and gentleman.

JAMES W. ALEXANDER.
