FINANCIAL AND COMMERCIAL

MONEY AND STOCKS.

New York Financial Market.

NEW YORK, April 16.—Money—On call continues easy at 1@1½ per cent. Closing at 1 per cent.

Prime Mercantile Paper—4@5 per cent.

Bar Silver—107¼.

Foreign Exchange—Quiet and firm at unchanged notations; actual business is done at 485@487½.

Sale of stocks to-day aggregated 224,913 shares, including the following: Delaware, Lackawanna and Western, 29,700; Lake Shore, 12,300; Northwestern, 18,300; New York Central, 6,600; Pacific Mail, 36,600; St. Paul, 25,300; Union Pacific, 56,400, and Western Union, 9,400.

Government bonds have continued quiet and quotations steady, except for the 3s, which are ⅛ per cent. lower at 101½ bid, an advance of 2 per cent. in quotation bid for Pacific 6s; there was a sale of the 4s coupon at 121⅝.

State Bonds—Quiet, but the Alabamas show slight advance in quotations, while Georgia 7s are a shade lower.

Railroad Bonds have been strong for a majority of the issues traded in with a well distributed business.

The market was heavy at the opening this morning with both bulls and bears selling, the former to realize profits, and the early dealings were accompanied by declines of ¼ to ¾ per cent. This was followed by a moderate reaction, and for the first hour the market became very dull and fluctuations were limited to a narrow range, but tendency was toward lower prices. A little more life after 11 o'clock was accompanied by a show of strength, but lost in latter part of the day, and the market finally closed irregular at prices that are from ¼ to 1¾ per cent. under yesterday. The announcement made during the day that the Central Pacific Railroad had not agreed to accept the proposition embraced in the resolution adopted by the Pacific Mail Directors yesterday, together with the statement by Mr. Huntington that he did not think the resolution would be accepted, was the only news to affect values. Mr. Huntington said, however, that the companies were working harmoniously at present, and while the Central Pacific had not been asked to extend the subsidy to June, he thought an extension would be granted if desired. The market exhibits strong undertone and resists attacks with persistency. The bulls claim there are very few stocks in the market and that it is heavily oversold. The only activity in to-day's market was developed during the first two hours, business thereafter growing extremely dull as the day advanced. Total sales were 224,923 shares, which is 131,000 less than yesterday, but considerably larger than for several days preceding. The trading in Union Pacific, Pacific Mail and Lackawanna continued to be features of the day's dealings, the sales of which amounted to about 55 per cent. of the day's business. Union Pacific opened ¼ lower at 47¾, declined to 46¾, rallied to 47⅛ and down to 46½ and back to 46¾ in the forenoon. After midday it was less active at 46⅞@47⅛@47, a loss of ½ per cent. It is stated that the company have settled all disputed claims with the Government by paying $317,000 cash and that its tonnage is 33 per cent. greater than at this time last year. Pacific Mail was unchanged at opening at 35⅞, from which it fell to 34¾, rallied to 35⅞, sold again at 43⅛, back to 36, and closed at 35, a loss of ⅞ per cent. Lackawanna was prominent for its weakness in the forenoon; in the afternoon it was very dull at a decline of 1½. Other active stocks followed listlessly in the wake of those mentioned, Grangers being the next most active, with St. Paul this evening ¾ lower and Northwest down ⅜ per cent. Western Union is also ¾ lower, Central of New Jersey ⅞, Chicago, Burlington and Quincy ⅝ and Rock Island ¾.

COMMERCIAL.

All conditions taken into consideration the jobbing dry goods trade is all that could reasonably be expected. Prices are steadily accompanied with a disposition to "cut" at times to secure sales. Groceries continue a little dull owing to the wet weather. Butter is firm and cheese quiet. Dried fruits, canned goods and fish are only in moderate demand. Horse shoes have declined. Eggs, poultry, etc., are quiet and unchanged.

GRAIN.

Wheat—The bulls are not quite so numerous as they were a few days ago. Alas for the confiding souls that looked for the market to touch $1.25 "without a break"! If questioned they might be able to give some information as to the number of cross ties between the Hoosier capital and their rural homes. Local markets, in sympathy with the general decline and weakness, have gone off three points and dealers are more desirous to sell than buy. Receipts are more liberal under the sudden boom in prices. Futures are in uncertain quantity. New York has declined 1⅜c, Baltimore ¾c and Chicago 2c

Corn—Local markets give evidence of slight weakness both in tone and prices. Receipts only fair with less demand than usual. The visible supply report shows a large increase, amounting to over 1,500,000 bushels. Futures not wanted. New York steady, Baltimore ¼c off and Chicago 1⅛c lower.

Oats—Only wanted as orders may require; prices well maintained and receipts light.
