## NEW LIFE Weak, Nervous and Debilitated MEN and WOMEN

## TAMAR TREATMENT (The great restorative and tonic especially prepared for men, youth and middle-aged, who have, by their indiscretions or excessive indulgence, brought upon themselves premature debility, nervous and physical weakness, producing some of the following effects: Nervousness, Debility, Dimness of Sight, Defective Memory, Impotency, Pimples on the Face, Aversion to Society, Want of Ambition, Melancholy, Dyspepsia, Flatulence, Loss of Power, Veins in the Neck, etc., etc.; for all such complaints we guarantee the permanent cure by the use of **Tamar Treatment**

**Tamar Treatment Prescribed by Leading Physicians. Read What They Say:**

St. Louis, Mo., Feb. 10, 1886.

"For more than three years I have used **Tamar Treatment** with the best results. I recall now several cases of seminal weakness and debility with all its evil consequences. I have treated during the past year, which have been cured by the use of the **Treatment**, and several of these cases were in the last stages. The composition of the different medicines contained in the **Treatment** is scientific, and its effects prove it to be a specific restorative of nerve and sexual power. You are at liberty to use my letter in any way that will contribute to your pecuniary profit. I feel it is my duty of the profession to make it known.

Respectfully,
J. Z. HALL, M. D."
617 Walnut St., St. Louis, Mo.

**Tamar Treatment** is prescribed daily for all forms of nervous debility in both sexes as well as for checking the unnatural secret losses which cause so much loss of vitality. The medicines are prompt in action and permanently restore those weakened by early indiscretion, excesses, or overwork of the brain. A number of physicians have discarded all the hypophosphites, glycerines and phosphates formerly used, and invariably prescribe **Tamar Treatment** with the best results.

**Tamar Treatment** is composed of a compound of vegetables, pleasant to the taste and smell, and is really valuable I think it the most well tolerated by the stomach.

**Tamar Treatment** is sold in packages containing all medicines necessary for a complete month's treatment, with full and complete instructions how to exercise diet, bathe, etc., etc., price, **Tamar Treatment**, per package $2.00; three packages (full course) prepaid and securely sealed on receipt of price.

**Tamar Treatment** has been used successfully in private practice and in the hospitals of St. Louis for the past fifteen years, and knowing, as we do, its wonderful curative effects, we will give the following guarantee. With each order for 3 packages (3 months' treatment) enclosing $5, we will send our written guarantee to refund the money if the **Treatment** does not effect a cure. Packages sent C. O. D. on receipt of $1, as security against loss. Send money by express, P. O. Money Order, or registered letter at our risk. Address: DR. RICHARD WARE & CO., S. W. ## THE HARTSFELD PORTABLE SMELTING FURNACE.

This portable Steel Water Jacket Smelter invented by C. L. Hartsfeld, the result of many years of practical observation and experiment in Europe and America, is now offered to the public as the most complete, durable and successful furnace yet produced for the economical treatment of low grade ores. It is built entirely of quarter inch steel plates inside, and one-fourth inch boiler plates outside, and has no cheap cast iron in its construction. Is made in sections for transportation and requires no brickwork for foundation. The sizes range from one to fifty tons and are guaranteed to stand the severe tests of mining camps.

Any ores that run above seven ounces silver per ton may be readily smelted, as the most refractory ores, with 10 per cent. lead, with the Hartsfeld process will run like butter and separate like oil and water.

This furnace requires no no more care or attention than an ordinary steam boiler, and can be run as long and with as little loss of time or expense for repairs. Full information will be furnished by the
