FINANCIAL AND COMMERCIAL.

MONEY AND STOCKS.

New York Financial Market.

NEW YORK, April 20.—Money—On call continues easy at 1@1½ per cent. Closing at 1 per cent.

Prime Mercantile Paper—4@5 per cent.

Bar Silver—107¾.

Foreign Exchange—Quiet at unchanged quotations. Actual business is done at 4 85¾@4 87½.

Sale of stocks to-day aggregated 324,636 shares, including the following: Delaware Lackawanna and Western, 26,700; Lake Shore, 12,000; Northwestern, 30,600; Pacific Mail, 6,700; St. Paul, 69,200; Union Pacific, 41,000.

Government Bonds are strong and unchanged quotations. There were sales of the 4½ per cent. coupon at 112¾, and the 4s at 122¼@122.

State Bonds received some attention in this afternoon and were strong, the sales including Missouri 6s 1886 at 104¼, Tennessee compromise bonds at 54¼@54¾, and North Carolina tax 4s at 46½.

The Railway Bonds market was comparatively quiet, but the business done was not well distributed, there being no instances in which the total sales foot up any considerable sum.

The stock market was irregular at opening this morning, but immediately developed considerable strength, and prices continued strong throughout the forenoon for everything on the active list except St. Paul. The reports that rates west had been heavily cut, and from that time to close of the market was flooded with conflicting rumors in regard to the situation, admitting, however, that the freight business between Chicago and Council Bluffs is thoroughly demoralized. The weakness in the grangers soon extended to the remainder of the list, but the declines which followed were only fractional amounts. Support again came from the friends of the different stocks, and they aided in bringing about a reaction by dispatches from Europe stating that the Russian Government had greatly increased its demands in regard to the Afghan boundary, and that the outlook for war was again much more threatening. The recovery was sufficient to carry the prices of nearly all the active stocks above the opening quotations, and the market finally closed about steady at an advance of ¼@¾ per cent. for the most active list, although St. Paul lost only ⅛ per cent.; Lackawanna lost ⅜ per cent. All the Gould stocks, except Manitoba consolidated, are ¼@¾ per cent. higher than they closed last week, while Union Pacific shows a gain of ¾ per cent. It is stated that all the litigation connected with the Missouri Pacific properties were settled to-day. The total sales foot up 234,346 shares, but of this business 57 per cent. consisted of trading in St. Paul and Union Pacific, while 82 per cent. of the day's business was made up of transactions of the two stocks mentioned and in Lackawanna, Northwest, Pacific Mail, and Lake Shore. The Vanderbilts were very quiet and show fractional gains this evening. Lackawanna remained about steady in the forenoon, broke in the afternoon, and was quiet in the last hour at 105@105¾. Pacific Mail assumed a secondary place on the list in the forenoon. At the general break later in the day it fell 2 or 3 per cent. There were sales of nearly 30,000 shares of Green Bay, Winona and St. Paul from 3½ up to 4½.

COMMERCIAL.

The dry goods market opens slugrish, and without the usual vigor expected at this season of the year. Prices are fairly well maintained, although some "leaders" are made of staples, owing to lively competition. The produce market is without special feature. Sugars are quiet and coffees dull. There is some demand for salt fish, especially lake herring, and the market is fairly active. Foreign fruits show a falling off in prices in some lines. There has been a steady improvement in drugs since the first of March, and the market is quiet and firm.

GRAIN.

Wheat—Local markets higher, and good demand for all grades. Futures show some life. New York is 2¾c higher, Chicago 1½c higher, and Baltimore 1@2c higher.

Corn—Higher and active demand for all cash deliveries. New York ¾c higher, Baltimore steady, Chicago ¼c higher.

Oats—Firmer; light receipts and active demand. Prices are higher.

The following table shows the receipts of grain at this point for the past twenty-four hours:

BRITISH GRAIN TRADE REVIEW.

LONDON, April 20.—The Mark Lane Express, in its review of the British grain trade during the past week says: There was a copious rainfall during the week, and a powerful sun during the last two days, and vegetation has responded, spring-sown crops have made visible progress. In consequence of the prospect of a peaceful termination of the Anglo-Russian dispute, half of the recent advance in wheat was lost. The sales of English wheat during past week, 44,137 quarters at 34s 1d, against 40,951 quarters at 39s 3d during the corresponding week last year. There was a sharp reaction in foreign wheat caused by the pacific aspect of politics. Trade off coast was restricted to one cargo of Oregon at 38s 3d and one cargo of Australian. Six cargoes arrived. Two cargoes were sold, seven were withdrawn and six remained, including three of California. To-days brilliant sunshine and prospect of peace disorganized the market. Buyers and sellers were a long way apart, and there was really no business done. Flour was 1s@1s 6d lower. Barley was 1s lower. Oats were 6d lower. Beans and peas were unchanged.

GRAIN IN SIGHT.

CHICAGO, April 20.—The following figures taken from the Board of Trade weekly statement, compiled by Secretary Stone, show the amount of grain in sight in the United States and Canada on Saturday, April 18. Also the amount of increase or decrease over the preceding week: Wheat, 45,688,394; decrease, 1,162,838. Corn, 9,923,557; decrease, 29,969. Oats, 2,340,621; decrease, 77,689. Rye, 505,209; decrease, 6,960. Barley, 583,385; decrease, 172,187. The statement shows the Chicago stocks of grain on that date to have been: Wheat, 15,670,56; corn, 1,883,10; oats, 326,860; rye, 111,109; barley, 47,994.
