FOR GOVERNOR.

JNO W GEARY,

Subject to the decision of the Republican State Convention.

Old Time Winters.

In 1564, the cold was so intense that the Thames was covered with ice sixty-one inches thick. Almost all the birds perished.

In 1731 the cold was so excessive that the famished wolves entered Vienna and attacked beasts and even men. Many people in Germany were frozen to death in 1695 and the winters of 1697 and 1709 were nearly as bad.

In 1796 occurred that famous winter by distinction, the cold winter. All the rivers and lakes were frozen, and even the sea for several miles from the shore. The ground was frozen nine feet deep. Birds and beasts were struck dead in the fields, and men perished by thousands in their houses. In the south of France the wine plantations were almost destroyed; nor have they yet recovered that fatal disaster. The Adriatic sea was frozen, and even the Mediterranean about Genoa, and the citron and orange groves suffered extremely in the finest parts of Italy.

In 1708 the winter was so intense that people traveled across the straits from Copenhagen to the province of Scnia, in Sweden.

In 1740, in Scotland, multitudes of cattle and sheep were buried in the snow.

In 1749 the winter was scarcely inferior to that of 1709. The snow lay ten feet deep in Spain and Portugal. The Zuyder Zee was frozen over, and thousands of people went over it. And the lakes in England froze.

In 1814 the winter was very cold. Snow fell in Portugal to the depth of 25 feet on a level.

In 1829 the winters were very severe and cold. In England strongest ale, exposed to the air in a glass, was covered in 15 minutes with ice one-eighth of an inch thick.

In 1830 the Elbe was frozen to the bottom.

In 1829 the Danube bore ice five feet below Vienna. Vast numbers of the feathered and finny tribes perished.

The winters of 1784 and 1785 were uncommonly severe. The Little Belt was frozen over.

From 1808 to 1812 also, the winters were remarkably cold, particularly the latter, in Russia, which proved so disastrous to the French army.

The largest weekly paper in the world. The *Church Union* comes to us a sixteen page, 36 by 52, weekly issue. It is double the size of the weekly quartos. It has three pages of stories. One page each issue devoted to Henry Ward Beecher's Sermons. One page for the farmer, and a vast amount of news. It gives about double the matter of the best religious paper, for exactly the same price, $2.50. It has dropped all premiums, and claims that henceforth it must be taken by those who want it. Send for a copy, enclosing a dime. HENRY E. CHILD, Publisher, 41 Park Row, N. Y. City.

THE ATLANTIC MONTHLY—FOR FEBRUARY.—The following choice collection of New Reading appears in the February number of this popular magazine: "Do Right, and Fear Nothing," a beautiful Sacred Song, by J. R. Thomas; and three charming songs by the Prince of Song Writers, Will S. Hays, namely: "Maggie Blake of Madison Square," Comic Song, with Chorus; "Down by the Deep, Sad Sea," Song and Chorus; and "Good-by, my Boy, God Bless you," Song and Chorus. Also, the following instrumental pieces: "Maiden's Blush," March, by Ch. Kinkel, the most popular writer in the country; "Pink Rose Mazurka," by E. Mack; and "Loving Thoughts Schottisch," by August Packer; the price of which, in sheet form, amounts to $2.40. In addition to the Music, there are fifteen large pages of reading, to wit: "The Frost Queen's Court," "Autumn Violets," "Her Last Appearance," "Schubert's Sixth Symphony," "An Operetta by Schubert," "Les Bavards—The Chatterers," "Robert Schumann," "The Night-Bell," "Recollections of an Amateur," "Telephony," "Blind Tom," "The Voice," "What is Burlesque?" "Winter weather," "Pergolese's Stabat Mater," "L'Africaine," "Music of the Spheres," "Sing again together," "The Musical Season," "Reviews of New Music," &c. &c.

This Mammoth Monthly is published by J. L. Peters, 168 Broadway, New-York, and is furnished at the low price of $3 per year. Sample copies, 30 cents. All those desiring to get their money's worth will do well to send for a copy.

BOUNTIES TO SOLDIERS.—The following bill has been introduced in Congress:

"That there shall be paid to the widow, minor children, or parents, in the order named, of any soldier who served his full term of enlistment but died prior to the passage of the act of July 28, 1866, granting bounties to soldiers, the same bounty such soldier would have been entitled to under said act had he been living at the time of the passage thereof."

An electrical phenomenon occurred during the thunder storm, on the 3d inst., at Tyngsborough, Mass. At about two o'clock a current of electricity passed over a large cross-cut saw and a bar of iron lying in juxtaposition, and they were so thoroughly fused by the heat that they could not be separated by hand.

L. C. Kingsbury, conductor on the Erie Railway, who resigned recently, has been about fifteen years running from Corning to Rochester or Buffalo, and during all this period has had no passenger on his train injured. There has been no serious damage to the cars under his control.

PRESIDENT Johnson has hit upon a shrewd device to get Gen. Kilpatrick out of the diplomatic service. He has sent to the Senate the name of Judge Dent, the brother-in-law of Gen. Grant, to take his place. He evidently thinks the Senate will not be likely to reject that nomination, and that Gen. Grant when he comes into power would not be likely to make it.

The Nebraska Legislature has passed a joint resolution asking Congress to remove the Pawnee Indians from their present reservation.

A CARD TO THE LADIES.—Dr. Duponco's GOLDEN PERIODICAL PILLS for females. Infallible in correcting irregularities, Removing Obstructions of the Monthly Turn, from whatever cause, and always successful as a preventive. One Pill is a dose. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, lest they invite miscarriage, after which admonition the Proprietor assumes no responsibility, although their mildness would prevent any mischief to health; otherwise the Pills are recommended as a Most Invaluable Remedy for the alleviation of those suffering from any irregularities whatever, as well as prevent an increase of family when health will not permit it; quieting the nerves and bringing back the "rosy color of health" to the cheek of the most delicate.

Full and explicit directions accompany each box. Price $1 per box; 6 boxes, $5.

Sold in Ridgway, Pa., by G. G. Messenger, Druggist, sole agent for Ridgway. Ladies, by sending him $1 to the Ridgway P. O. can have the Pills sent (confidentially) by mail to any part of the country, free of postage. Sold also by Swayne & Reynolds, St. Mary's, and by one Druggist in every village in the Union.
