PEREMPTORY SALE OF $240,000
FIRST MORTGAGE 7 PER CENT.
REAL ESTATE BONDS
OF THE
FORT WAYNE AND SOUTHERN RAILROAD CO.
ALBERT H. NICOLAY
Will sell at Public Auction on
THURSDAY, MARCH 22D,
AT 12½ O'CLOCK,
AT THE MERCHANTS' EXCHANGE,
Without reserve to the highest bidder,
BY ORDER OF FORT WAYNE AND SOUTHERN RAILROAD COMPANY, $240 OF THEIR FIRST MORTGAGE SEVEN PER CENT. REAL ESTATE BONDS.
This Railroad is two hundred and two and a half miles in length, commencing at Fort Wayne (Indiana) and extending south to Louisville (Kentucky) crossing the Ohio River by means of a tunnel, and in connection with the Ohio and Mississippi Railroad forms a line between Louisville and Cincinnati, 28 miles shorter than the Ohio River. The Company have issued Bonds to the amount of $240,000 only, secured by a Mortgage upon their Real Estate described in schedule No 1, in hands of Trustees. They are $1,000 each, bearing interest half yearly, and are made payable 1st June, 1869, at the office of the Ohio Life Insurance and Trust Company, in NEW-YORK. The lands of the First Mortgage, as contained in Schedule No. 1, were appraised by sworn appraisers at the amount of $300,000, and upon this Mortgage but 240 Bonds are or can be issued. The lands of this Mortgage are situated in the Counties of Clark, Scott, Jennings, Decatur, Delaware, Blackford and Wells, being along the road and within the bounds of the State, and the prices fixed upon them was in reference to their cash at time of appraisal, and not what they would be worth when possessed of all railroad facilities.
These Bonds are at any time at the option of the holder, exchangeable for the Real Estate mortgage at such prices as may from time to time be fixed by the Company, but in no case less than four fifths of the appraised value. This Railroad has from its earliest commencement to the present date been prosecuted steadily from the home means and credit of the Company, and without the sale of a single Bond; and it is the fixed determination of the Company to move rapidly forward, until the work is completed; and, unlike most other Railroad Bonds, the security of these Bonds are of the most unbounded character, independent of the success of prosecution of the profitable working of the Road after its completion, as the Real Estate being entirely unencumbered, is now the property of the Company absolutely, and without the successful completion of the Road, or any other condition whatever. For pamphlets and statements of full particulars of the condition of the Company, apply to ALBERT H NICOLAY,
No. 4 Broad st.
P.S.—The President of the Company, knowing the intrinsic value of these Bonds, and not wishing the public to rely upon his statement, wholly solicited the appointment by me of some person in whom I had the utmost confidence, to go and examine the mortgage, record, lands, statistics, and facts, (which I did,) and his report is more favorable in every particular than I could have expected from the statement and exhibit of the Company. I would therefore recommend these Bonds to my friends, believing them to be entirely safe, and a most desirable security as a profitable and permanent investment, and worthy of attention, as the sale is made by order of the Company, and will be peremptory to the highest bidders.
ALBERT H NICOLAY.
