GRATITUDE!

DENVER, COL., Aug. 29, 1882.

GENTS—I cannot find words with which to express my gratitude to you for the cure your Swift's Specific has effected in my case. I was afflicted with the horrible blood disease for three years, and after spending some time at the Hot Springs, considered my case a hopeless one. I used only one dozen small bottles of S. S. S., and there is not a sign of the disease remaining. My sores are all healed, my throat is entirely rid of that terrible dis-SSS well; I am ease. Being a drug clerk, I have seen so many hundreds of men dosed with Calomel, Iodide of Mercury and Iodide of Potash, until they were made complete wrecks, that I shudder to think of the misery which has been brought on the human family by the use of Mercurials for Blood Diseases. It is a crying shame that physicians will not acknowledge the merit of your GRAND Blood Medicine. Use my name as you wish. I refer you to my present employers, or to Messrs. Collins Bros., St. Louis.

Broadway Pharmacy, Denver, Col.

If you doubt, come to see us, and we will CURE YOU, or charge nothing! Write for particulars and a copy of the little book, "Message to the Unfortunate Suffering." Ask any Druggist as to our standing.

$$1,000 Reward will be paid to any Chemist who will find, on analysis of 100 bottles of S. S. S., one particle of Mercury, Iodide of Potassium, or any Mineral substance. SWIFT SPECIFIC CO., Proprietors, Atlanta, Ga.

DR. J. E. SMITH,

NO. 1117 CHAPLINE STREET.

The best evidence of a physician's success is the testimony of his patients. The increasing demands for my professional services prove that I have dealt honorably and fairly with those who have consulted me. I never use a patient's name without permission, though I have many hundred certificates from those whom I have cured after they had been pronounced incurable. A thorough medical education, with many years hospital experience and familiarity with therapeutic agents, a close observance of temperamental peculiarities and strict attention to hygienic management insures success, if cure is possible, and I frankly give the patient my opinion.

MEDICAL.

The world moves—Skill and Science Triumphant.

Our reporter relates the following remarkable experience of one of our most reliable and substantial merchants, Deacon Stephen G. Mason. Mr. Mason says that from 1869 to 1880 he suffered terribly from frequent very severe attacks of Inflammatory Rheumatism. The last attack in the winter of '79 and '80 was so severe as to render him unable to take a step in four months. His physicians thought that one side of him was paralyzed, and both knees became so stiff that he could not bend them. The doctors pronounced his case incurable, leaving him in a terrible condition. He was then induced to try Hunt's Remedy, by a medical friend who told him that his whole sickness and trouble arose from kidney disease, and convinced Mr. Mason that such was the case, and after taking it six weeks was entirely cured, and is now in such excellent physical condition that neither damp weather nor wet feet affect him disagreeably. Mr. Mason says that his cure is complete, as it is more than two years since he has had the disease. "I attribute my most remarkable cure solely to Hunt's Remedy, the Infallible Kidney and Liver Medicine," says Mr. Mason.—Providence Evening Press.

The Best.

William H. Wilson, M.D., Springfield, Edington Co., Ga., says: "I prescribed Hunt's Remedy in a complicated case of Dropsy which had been treating for eight years, and I find Hunt's Remedy is the best medicine for dropsy and the kidneys I have ever used."

Owe My Existence.

Abigail S. Coles, of Moorestown, Burlington Co., N. J., says: "Eighteen months ago I had Dropsy around the heart. My physicians and friends despaired of my ever getting well. The first bottle of Hunt's Remedy gave me great relief. I feel I owe my very existence to Hunt's Remedy, and I am deeply thankful."

Aladdin's lamp wrought mighty things, but Hunt's Remedy works mightier. Try it.

WEST VIRGINIA HUNTERS.

A Good Season for Deer, Bear and Wild Turkey.

South Branch Intelligencer.

Mr. James A. Holt, of this county, brought into town on Friday last a bear which he killed on Big Mountain. It weighed 135 pounds, and he sold it to the Messrs. Russell. On Saturday Messrs. May, Sanders, F. W. Bean and John Sanders, sold a bear to Messrs. Gilkeson & Pugh, weighing 140 pounds, also two fine deer, and on Monday last Mr. William Fellers & Son brought another bear which weighed 85 pounds, also six deer saddles and one turkey which they sold to Messrs. Gilkeson & Pugh. The two last bears were killed in or about the Trough in this county.

Randolph Enterprise.

The most successful hunt of the season, of which we have any knowledge, was made by George and Dixie John Pritt, last week. They killed seven deer in a couple of days on Glady Fork. One weighed, when dressed, 250 pounds.

Keyser Tribune.

The deer hunters appear to be reaping a rich harvest in this section of the county. We noticed no less than fifteen saddles of venison and two handsome deer at the Keyser depot Tuesday evening, awaiting shipment. It quantity has anything to do with it, we think deer meat ought to be cheap.

Fairmont West Virginian.

Our townsman, Mr. John J. Chisler, returned home last Saturday, after another successful hunt in Mineral and Grant counties. This time he and his party killed three deer and five wild turkeys. Mr. Chisler was joined in the hunt by three jolly fellows of Washington, D. C. These four gentlemen constituted the party that succeeded in bagging the game above mentioned.

A party of hunters from Alderson spent six days hunting deer in Alleghany county, Virginia, and succeeded in killing six deer. The party consisted of Messrs. William Bros., R. W. Baird, N. B. Sheppard and C. C. Smith.

Deer seems to be more plentiful than usual in Greenbrier county. Recently a party of hunters killed seven deer about six miles northeast of Lewisburg out of twelve started.

If Mrs. Lydia E. Pinkham has not really discovered the Elixir Vitæ, which the ancient Alchemists sought by so much patient research and persistent experiment, her medicine seems, at least, likely to command an immense sale and universal popularity in the future. If rapid progress and eminent success furnish any basis for a correct judgment, Mrs. Pinkham is a most promising competitor for such honorable distinction as the alchemists failed to achieve. MWFAW

And They Flattened Him Out.

Preston County Journal.

Mr. H. Clay Hyde, editor of the Piedmont Dispatch, recently made a coarse and indecent attack, through his paper, upon Mrs. Fague, editor of the Keyser Echo. Mr. Hyde delivered a part of his attack under the similitude of a dream, and his remarks prefatory to the "dream" were so coarse and vulgar, that the Wheeling INTELLIGENCER characterized them as "driveling and indecent," and the Grafton Sentinel as "a disgrace to West Virginia journalism." The State Journal declares that "a more indecent and disreputable act was never committed by a newspaper editor in this State;" while the Ritchie Gazette said it had "never seen anything in print more idiotic and contemptible." Others of our exchanges have condemned Mr. Hyde's article, so that he was pretty badly punished; but Mrs. Fague, in a quiet and dignified article, full of keen sarcasm and telling hits, printed Mr. Hyde's alleged "dream" side by side with an article which appeared in the Spectator of Tuesday, January 15, 1711, which showed that Mr. Hyde stole his article, which he palmed off as original, almost bodily from the Spectator of over a century and a half ago! All in all, Mr. Hyde is badly and deservedly flattened out. Even the Baltimore American has an article, in which it says the "lady wielding the pen of the Echo has come off with triumph." Well, we should say she did.

A Knabe in the White House.

From the Baltimore American.

There was seen yesterday at Messrs. Knabe & Co's factory a magnificent concert grand, just finished by them for the presidential mansion. President Arthur, who is a thorough connoisseur of music, in selecting a piano for the White House, decided in favor of the Knabe Piano as his preference, and ordered accordingly the instrument referred to. It is a concert grand, of beautiful finish, in a richly carved rosewood case, and of superb tone and action—an instrument worthy in every respect of the place it is to occupy. It was shipped to its destination yesterday. DAW
