DEPARTMENT OF FINANCE, COMPTROLLER'S OFFICE, New-York, March 27, 1855.

SALE OF FERRY LEASES at PUBLIC AUCTION.—In pursuance of the 7th section of "An Act further to amend the Charter of the City of New-York," passed April 12, 1853, the Comptroller will sell at Public Auction, on THURSDAY, the 26th day of April next, at 12 o'clock M., at the City Hall, a Ferry Lease from the slip at the foot of Whitehall-st., East River, to Staten Island, for Ten Years, from the first of May, 1855.

This sale will embrace only the Ferry slip between No. 1 East river, now occupied by the United States, and the pier west of Pier No. 1, built for the purpose of a ferry to Staten Island, including the latter pier, except such portions of the surface of the pier on the west side thereof as may be required for the accommodation of a boat house and landing-place for small boats from Governor's Island and from public vessels of the United States and of foreign Governments, according to a plan under consideration in the Common Council; it being distinctly understood that this ferry grant is to confer no privilege to occupy any portion of the water on the west side of said pier, but that the same is reserved to be rented or used temporarily by the Corporation of the City of New York until the same is otherwise disposed of by the Common Council, in altering the line of the Battery wall, establishing a second Ferry-Slip, or until interfered with by the operations of the contractor in completing the wall of the Battery enlargement.

It is also to be understood that the ferry grant is not to interfere with Pier No. 1 by landing on it, but that the United States Government is to have the sole use of that pier according to the terms of their lease, and as the same has been occupied by them.

The lease to contain covenants for the usual ferry franchise from the foot of Whitehall-st. to the Quarantine dock on Staten Island, or such other convenient place as may be selected by the lessee, to be approved by the Mayor or Common Council. Also that the lessee will provide safe and comfortable steam ferry-boats, adapted to the navigation between the city and island, and to be approved by the Commissioners of the Sinking Fund; that suitable, convenient, and comfortable ferry-houses shall be erected and maintained during the term of the lease at the several ferry landings, for the shelter and accommodation of passengers; that the docks and piers occupied by the lessee shall be kept in good repair and secure condition, for the protection of passengers and property; with such other covenants as may be required by any act of the Common Council, provided the same is passed in time to have notice given at the auction sale.

Also, covenants on the part of the lessee that he will conduct and manage the said ferry agreeably to such rules, regulations, ordinances, or by-laws, as now are, or may hereafter, from time to time, be made or passed by the Common Council or the State Legislature.

The grant of this Ferry is not to interfere with the right of the Corporation to grant other ferries to and from Staten Island, or to and from any other places.

Security for the faithful performance of all the covenants will be required, to be approved by the Mayor and Comptroller.

Ten per cent. of the annual rent, and the fees of the Auctioneer, to be paid on the day of sale; and the residue of rent in quarter yearly payments.

At the same time and place, separate bids will be received for the temporary use of the slip and dock or pier on the west side of the Ferry Pier. The use of this privilege will be rented to the highest bidder, from month to month, subject to the conditions and reservations set forth in the preceding part of this advertisement.

FERRY LEASE FROM BARCLAY-ST. TO HOBOKEN.—The Ferry established from the foot of Barclay-st., in the City of New-York, across the North River to Hoboken, in the State of New Jersey, and commonly called the Hoboken Ferry, will be sold at public Auction, at the same time and place as before stated, under the direction of the Comptroller.

This sale will embrace only the Ferry franchise, as no portion of the property at the foot of Barclay-st. belongs to the city; and, on the Jersey side, the present Lessees, John C., Edward L., and Edwin A. Stevens, are the exclusive owners.

The conditions of the present lease will be embodied in the new lease, one of which is, that the Lessee takes it subject to whatever may be the right of the heirs, or legal representatives of Wm. Rhinelander, deceased, to the bulkhead at the foot of Barclay-st., or any part thereof, or to the wharfage or profits to accrue therefrom.

The terms of the present lease will be followed, and in the general provisions are similar to the foregoing, in relation to the Staten Island Ferry.

HELL GATE FERRY AT THE FOOT OF 86TH-ST.—At the same time and place, the Ferry lease from the foot of 86th-st., East River, to Astoria, will be sold for ten years from the first of May, 1857, in obedience to the requirements of the following resolution, viz:

"Resolved, That the Comptroller be, and he is hereby directed, to advertise the lease of the Hell Gate Ferry, running from 86th-st. to Astoria, for ten years, for sale at public auction, by a notice in the Corporation papers for ten days;* and to lease the same to the highest bidder who will give adequate security; and that the Corporation Counsel prepare a lease to said highest bidder, in pursuance of the provisions of the seventh section of the act further to amend the Charter of the City of New-York, passed April 12, 1853.

"Approved by the Mayor, December 28, 1853."

The Corporation owns the land, and the piers and slips on both sides. A map of the premises has been prepared, which may be examined at the office of the Controller.

The new lessee in the cases of all the Ferries, by the seventh section of the Charter of 1853, is "required to purchase, at a fair appraised valuation, the boats, buildings, and other property of the former lessees, actually necessary for the purposes of such ferry."

A. C. FLAGG, Controller.

* The Charter requires thirty days.

$200,000 OHIO and INDIANA SECOND MORTGAGE CONVERTIBLE BONDS.

We offer for Sale TWO HUNDRED THOUSAND DOLLARS of SEVEN PER CENT. MORTGAGE CONVERTIBLE BONDS of the OHIO and INDIANA RAILROAD COMPANY secured by a Second Mortgage on the Company's Road, 131 miles long, Real and Personal Property, Franchises, &c.

They are in sums of $1,000 each, redeemable in New-York on the 1st day of October, 1873, with half yearly Coupons, payable in New-York, 1st April and 1st of October, each year.

The entire issue under the Second Mortgage is limited to $500,000. The first or prior Mortgage is for one million of dollars.

The entire cost of the Road, including rolling Stock to date, is $2,716,328 38, or $21,346 02 per mile.

The Company yet own assets to the amount of $274,160 12, including unsold real-estate, stock in the Fort Wayne and Chicago Railroad, unpaid stock, subscriptions, bills receivable, &c., &c.

The Board of Directors have passed an order appropriating $20,000 per year out of the net revenues as a Sinking Fund, applicable to the reduction of the mortgaged debt. This is to commence on the 1st of July, 1856.

The Bonds are now offer for sale are the balance of the issue, and will pay off the entire floating debt of the Company, leaving the net receipts applicable to the payment of interests and dividends.

THE OHIO AND INDIANA ROAD is now completed and in successful operation, having been opened for business to Fort Wayne about four months since; the receipts during that period were $76,954, of which $26,000 in March.

The receipts would have been much greater had the Company possessed a sufficient number of freight cars, and could the connecting road have been able to receive the freight from the Ohio and Indiana line. That difficulty is now remedied. The receipts of the line from this time will be much greater, the traffic being now equal to the capacity of the present rolling stock, which is being increased.

This line of road occupies a most favorable position; is a continuation of the Pennsylvania Central and Ohio and Pennsylvania Railways; is crossed at various other points by other important railways; is by nearly 100 miles, the shortest and most direct route from New-York to Chicago; 137 miles of the Ohio and Indiana Road are straight, with only four miles of curved line.

The highest grade is 26 feet; 63 miles are level.

THE FORT WAYNE AND CHICAGO ROAD is a continuation of this line, and is now progressing to completion; the iron rails are purchased, 9,000 tons paid for and delivered to the Company. It is expected that this road will be in operation to the New Albany and Salem Road within the present year, thus giving a direct communication to Chicago.

The entire travel from the vast regions beyond Chicago, equal to all Europe in extent, and to any part of the globe in fertility, and the country along and near the line, to the Middle and South-eastern States, the cities of Pittsburg, Baltimore and Philadelphia, will necessarily pass over this line, which from its peculiar location, will not likely ever have competition.

The entire road, from CRESTLINE to CHICAGO, traverses a region of unsurpassed fertility, increasing in wealth and population at the rate of one hundred per cent. each period of ten years.

From the fact that the Road is entirely finished and in successful operation, and that the entire mortgage debt only amounts to less than $11,500 per mile, we believe the Bonds now offered for sale are justly entitled to rank among first class securities. In our opinion the right of conversion into stock which these Bonds possess will eventually add considerably to their value.

That they are required to surrender the same at the office of the undersigned, at Lansing, on or before the 12th day of August next ensuing, for adjustment agreeable to the provisions of said act. The rate of such adjustment will be, in accordance with the 8th section of the Act numbered 173, approved April 1, 1848, (herewith annexed.) The new bonds to be issued in the adjustment of those above described will contain a clause entitling the holder to any and all claims the State may have against the United States Bank, and the Morris Canal and Banking Company, or their legal representatives, growing out of the negotiation of the Five Million Loan Bonds; and each new bonds, when issued, will be made payable in New York, both as to principal and interest, and will be made redeemable at the time fixed for the maturity of the original part-paid bonds. The interest on said new bonds will be paid semi-annually, on the first day of July and January of each year, until the maturity of said bonds or the redemption of the principal. After the expiration of said 12th of August, the interest on all this class of bonds, remaining outstanding or unadjusted, will cease.

S. M. HOLMES, State Treasurer.

COPY OF SEC. 2 OF THE ACT RELATING TO THE SURRENDER OF BONDS. APPROVED FEB. 12, 1855.

SECTION 2. All holders of that class of State Bonds for which new bonds are directed to be issued by section eight of Act numbered 173 of the session laws for the year 1848, entitled an Act to provide for the funding the outstanding Internal Improvement Warrants of this State, and the interest due thereon, and also for liquidating and funding the amount of principal and interest actually due upon the part-paid, Five Million Loan Bonds, are hereby required within six months from and after the passage of this Act, to present any bonds of this State, held by them, at the State Treasurer's Office, for the purpose of having the amount due thereon accurately ascertained, and new bonds issued therefor, according to the provisions of said Act; and, in case they fail so to present said bonds within the time herein prescribed, no interest shall be allowed on said bonds to the holder or holders thereof, after that time, so that the same may not be in any manner incorporated into said new bond, so to be issued as a part of the principal sum thereof, and the State Treasurer is hereby authorized to give all reasonable and proper notice of the provisions of this Act, so as best to secure the object hereby contemplated.

COPY OF SEC. 8 OF THE ACT RELATING TO THE RATES OF ADJUSTMENT OF THE PART-PAID BONDS. APPROVED APRIL 1, 1848.

SECTION 8. That, upon the surrender at the Treasury of this State of any of the said part-paid Five Million Loan Bonds still outstanding, the holder of the same shall be entitled to receive from the Governor of this State certificates of stocks or bonds, at the rate of four hundred and three dollars and eighty eight cents on each one thousand dollars of said bonds, for principal and interest due thereon, the first day of January, eighteen hundred and forty-six, and adding for subsequent interest, at the rate of six per cent. per annum, on three hundred and two dollars and seventy-three cents, for each thousand dollars of said bonds, to be computed up to the first day of January next, after the surrender thereof. *Provided* The Coupons since July, eighteen hundred and forty-one, shall remain attached thereto:

Provided further, That, in case any of the Coupons falling due on any of the said bonds, between the first day of July, eighteen hundred and forty-one, and the maturity of the bond or bonds, shall not be delivered to the State Treasurer, with the bonds to which they belonged, there shall be deducted from the amount authorized to be issued in new bonds, under the preceding section, the sum of nine dollars and eighty cents for each Coupon removed from a bond of one thousand dollars, and twenty-seven dollars and twenty-four cents for each Coupon removed from a bond of three thousand dollars.
