FOR NEW YORK.

New York & New Orleans Line.

A NEW LINE of packets has been established to run between New Orleans and New York, to consist of the first rate ships, viz:

Ship St. Mary, R W Foster, master,

" Republican, J G Russell "

" Auburn, H P Durfey, "

" —— new building,

These ships were built in New York expressly for this trade; are of a light draught of water, and will not be subject to detention at the Bar. Their accommodations for passengers comprise all that may be required for comfort and convenience; and their commanders are men of experience. Until the ships now building are completed, two first class ships will supply their place.

The greatest punctuality will be observed in the time of sailing, and every reasonable accommodation afforded to shippers and passengers.

For further particulars apply to Messrs. Johnson & Lowden, No. 86 Wall street, New York, or to

The above ships are all of the first class, coppered and copper fastened, of a light draught of water, and built in New York expressly for the trade, with elegant accommodations for passengers and commanded by able and experienced masters.

The price of passage is fixed at $90, without wine, or liquors, ample stores in every other particular will be provided, and every attention given to promote the comfort of those passing to and fro in the line. The ships will at all times be towed up and down the river, and the greatest punctuality observed as to their day of sailing

Neither the owners or captains of these vessels will be responsible for jewelry, bullion, precious stones, silver or plated ware, breakage of glass, hollow ware, marble, or granite, compurage on tin, rust of iron or steel, or for any letters, parcel or packages sent by or put on board of them, unless regular bills of lading are taken for the same, and the value thereof expressed.

For freight or passage, apply to

MARRIAGE PHYSIOLOGICALLY DISCUSSED. Translated from the French of Jean Dubois, M. D. by William Greenfield.

Part 1st. On the necessity of Marriage!

Part 2d. Instructions in courting, with a cure for Love!

Part 3d. * * * * * *

Part 4th. * * * * * *

Marriage Physiologically Discussed is the most useful, and decidedly the most interesting work that we ever read. It will break up more rakes and spinsters, and make more more married men and women than any publication that has ever been sanctioned by the court of Hymen.—*Le Monateur.*

This is a great book, and will be productive of much good in the community. It is true it contains much strange language, but then the subject is its excuse, and if the Pope had written on it, he could not have treated it more delicately. We especially recommend its "Instructions in Courting," to the attention of all young ladies and gentlemen that may be in quest of partners.—*Le petit Courier Des Dames.*
