NORMAL COLLEGE.
Randolph County, N. C.

THIS Institution is situated four miles from "High Point," on the North Carolina Railroad, about one mile from the Western Plank Road, and eighteen from Greensboro.' The buildings which are now finished consist of an elegant brick edifice, three stories high, and of ample dimensions, well furnished and finished, together with extensive boarding arrangements both public and private. The Apparatus, made by Chamberlain and Ritchie of Boston, is of the very best character; the Museum and all other appliances properly belonging to a College, are such as the spirit of the age demands. The extent, thoroughness and finish of instruction are suited to the dignity of an enterprising State, and have been matured by the wisdom of a large board of Trustees, headed by His Excellency the Governor, John A. Gilmer, Hon. J. C. Dobbin, &c. The Collegiate year is divided into three Terms of fourteen weeks each: a holyday of two weeks is given at Christmas and one week about the fifth of April, but students from a distance are not expected to return home till the Summer vacation. The location is easy of access by rail and plank roads, within two days drive of the finest mountain scenery in the South, and is itself in a rolling country of first rate water and cheap living. The entire expense varies from about $31 to $40 per term, or from $93 to $120 per annum. All money must be placed in the hands of the President, and if any pocket money is to be allowed, parents should give precise instructions as to the amount. Money sufficient to pay the Janitor's fee ($1 per annum) and to purchase books must be deposited in advance, all other expenses are due at the end of the Term and must be promptly settled. Books can be obtained at the College, but clothing should always be furnished from home. All communications should be directed to "Normal College, N. C." Catalogues can be obtained by application to the President.—The next Term will begin on the 12th of September.

LIVERY AND SALE STABLE.

THE undersigned has purchased the stock heretofore employed by Col. L. P. SADLER, and respectfully informs his friends in this vicinity and

THE TRAVELLING COMMUNITY

generally, that he will carry on, at the old stand in the rear of G. R Ratchford's Store, the business of a Livery and Sale Stable, in all its departments.—He is fully prepared with

A GOOD STOCK

to furnish accommodations at a moment's warning; and will hire horses and vehicles by the day or convey travellers by experienced and
