The True American.

PRICE 12½ CENTS. NEW ORLEANS, SATURDAY MORNING, NOVEMBER 2, 1839. VOL.—VI No. 2044.

Terms of the Newspaper Press of New Orleans unanimously agreed to at an adjourned meeting of the Proprietors, held on the 12th of March, 1837.

SUBSCRIPTIONS.—Twelve Dollars for the daily paper annum, payable semi-annually in advance; two dollars for the tri-weekly country paper, payable one year in advance, where no city reference is given.—Five dollars for the Weekly; payable in advance. No subscription will be discontinued until arrearages are settled. In case of discontinuance, one week's notice to arrange must be given, or charged, previous to the expiration of subscription.

ADVERTISING.—One dollar per square for the first insertion, and half that price for each subsequent one—no material alteration from the original advertisement will be charged as a new one.

YEARLY ADVERTISING.—Merchants and Traders, sixty dollars for English alone, and sixty for both languages; Banks, Insurance Offices, and other strictly public institutions, fifty dollars in English only, and eighty for both languages; Ship and Steamboat Owners, or Commission merchants sixty dollars in English only, and eighty for both languages.

MARRIAGES, OBITUARY NOTICES, and articles calling the attention of the public to sales of property, cards of passengers, benefits, &c. &c. will be charged one dollar per square for the first insertion in each language.

COMMUNICATIONS, or Advertisements of any personal nature, when admissible, shall be charged double, and in advance.

A deduction of twenty-five percent will be made to Auctioneers, Sheriffs, Registers of Wills, and Marshals on sales of real estate, published in both languages, and 50 per cent. in English alone; 10 per cent on sales of other property.

ADVERTISEMENTS out of the direct line of business of the advertiser, such as land, auction, and plantation sales, runaway slaves, ships and sales, &c. &c. will be charged for separately, and at the ordinary rates.

ADVERTISEMENTS not specified as to time, will be published one month, and charged accordingly.

No advertisements of business places will be published in any case, unless paid for previous to insertion, or payment guaranteed by a responsible person in town.

Theatres and other places of amusement, charge daily or the season, to be charged $100 for English alone, and $150 in both languages.

All announcements of candidates for public offices, will be charged double the price of other advertisements.

Owing to the immense loss sustained by newspaper proprietors, they have come to the conclusion that the names of persons whose accounts have not been paid within one month after presentation, should be made known (so far as practicable) to each other, thus enabling themselves not to advertise or print for such delinquents unless in case of *advance payments*.

(Signed) C. DE ST. ROMES, J. BAYON, P. P. REA, J. C. PRENDERGAST, JOHN GIBSON, LUMSDEN.

Weekly Press.—We, the undersigned, agree to abide by the above conditions, as far as they are applicable to weekly papers.

(Signed) A. B. LAWRENCE.

§§ No subscriptions are taken for less than 6 months. Letters must, in all cases, be post paid.

HARROWGATE SPRINGS

Montgomery county, Alabama.

THREE DAYS JOURNEY FROM NEW ORLEANS.

THE proprietor of this establishment has the pleasure of announcing to his friends and the public in general, that he will be in readiness by the first day of May to receive visitors. The well also stands for the benefit of those at a distance, that there have been improvements made, and others now going on, and in rapid progress for completion, which will enable the subscriber to accommodate a much larger number than heretofore, and at the same time much better.

Families can be accommodated with good rooms or those who prefer can have large cabins in rear from the main building.

It is deemed unnecessary to say anything in particular of the character of these waters, for it is certainly believed that they are not inferior to any in the Southern States. All the amusements that are generally found at Watering Places, will be found at this. The best music that this part of the country affords, has been engaged, and will be in readiness at the Springs during the whole season.

The subscriber will avail himself of this opportunity of returning his unfeigned thanks for the very liberal support given him last season, and hopes by his exertions that have been and shall be in future, to merit the same patronage to merit a liberal patronage at the present season.

J. W. CRAM.

KOHL, DAVIDSON & co.

Corner of Chartres and Conti streets.

NO CURE NO PAY

DR. JOHNSON, 103 Chartres street, continues his practice the treatment of Venereal Diseases, on all reasonable terms.

Dr. Johnson, from a course of some years in the Hospitals in Europe, combines the treatment of Venereal Diseases, and have been his practice for the last 10 years, for the removal of the most inveterate cases of the disease, in a safe, speedy and effectual manner, such persons as are troubled with any of the following diseases, viz:—

Gonorrhœa, Gleets, Strictures, Chancres, Bubos, Seminal Weakness, Affections of the Bladder, Kidneys, Loins, Urethra, Prostrated, Spermatorrhœa, Eruptions on the Surface Extremity, Pains in the Joints;

And the numerous symptoms which generally follow his disease.

Recent cases cured in no more than a week without the use of Mercury, copaiba, cubebs, or any other medicine in the mode of living.

A medicine to prevent venereal disease can be obtained of Dr. Johnson. Upon the receipt of the Baron Larry, as celebrated French surgeon, and was used by him during the campaigns in which he served as Surgeon Generalin the French Army.

Sold by Dr. Johnson, wholesale. If those persons having any affection of Venereal Disease, and should taking sent engages, or living in the country, would do well by giving Dr. John a call, as proper medicines for their cure in the best manner can be put up with written directions for use.

Office open from 7 in the morning until 10 o'clock at night.

ABERNETHY'S DRAPS ANTIS.

Dr. Abernethy, the great surgeon, has regretted an opinion that nineteenths of diseases that afflict mankind originate in the skin. This Elixir, prepared by him with the most wonderful success in his private and public practice, upwards of forty years, for the removal of the following diseases.

Loss of appetite, Flatulent distension of the Stomach, Pain in the side, Heavy the Head and inclination to sleep, Irregularity in Bowels, and in all cases where Indigestion or other Bile is found to exist.

This medicine must not be placed among the best of quack nostrums now before public, as it is the sole invention of the ablest medical surgeon Europe ever produced, and secret of preparing it was purchased by the agent very large sum. It is agreeable and pleasant to the taste, and operates quiet, always keeps the bowels, imparts vigor and strength to the system, invigorates the mind, and a few bottles removes the confirmed cases of Dyspepsia or Indigestion, appetite return at any future period.

New 17th August, 1839.

DISCOVERY.

SIR—In consequence of in a sedentary life, I have been troubled, more or with Indigestion for ten years; for the last three my sufferings have been insupportable. I have several physicians, and a number of quack medicines deriving any benefit. I despaired of ever finding any permanent relief, and resigned myself to be a hopeless despair was persuaded by many friends to try Abernethy's Dyspeptic Elixir. I have used the fourth bottle, and know not how to express satisfaction of its wonderful virtues and the manner performed in restoring me to vigorous health. I might not forever. Send me half a dozen by and except my thanks for the blessings you conferred by restoring me to perfect health.

I remain, H. MONROE.

HEMORRHOIDS

HAYS' LINIMENT.—No Fiction.—This extraordinary chemical composition, the result of science, and the execution of a concerted medical man, for introduction to the public was invented with the sole intent of a deceased bequest, has since gained a reputation unprecedented, fully justifying the confidence of the deceased Dr Gratlon's last admission, that "he should not die without giving to publicity the result of his knowledge on this subject," and he left the secret bequeathed to his friend at Lafayette, Stanislas Hays, the successor of his discovery.

It is now used in the principal hospitals and the great practice in our country, has in fact certainly for the cure of the Piles and cancers, and effectually to heal excoriations, in the where its effects are witnessed. Receive yearly following complaints:

For Drops—Creating extraordinary dropping at once.

All Swellings—Reducing them in a few hours.

Rheumatism—Acute or Chronic, long standing.

Sore Throat—By Cancers, Ulcers or Tumors.

Croup and Whooping Cough—Relieving at once.

All Bruises, Sprains, and Burns—Curing in a few hours.

Sores and Ulcers—Which for long standing, and have resisted.

Its operations upon a bulb of children in relieving rheumatic swellings, and the unspeakable relief of the clothy relief in a few days, has been surprising beyond description. The common remark of those who have used it in the Piles, is "Hays like a charm."

THE PILES.—The proprietor is willing to say person who will use a bottle of Hays' Liniment for the Piles, and return the unused bottle with the money, if it does not prove a cure. The proprietor to the Agents, and all of every Druggists sold, not one bottle has been returned.

We might insert testimonials to any length, but prefer that those who will use the article, should judge for themselves.

CAUTION.—None can be genuine but a splendid engraved wrapper, on which is the name and signature of the Agents.

SOLOMON HAYS.
