MEDICAL.

CANCERS.

DR. W. C. COUDEN, formerly of Cincinnati, has located permanently in Terre Haute, Rooms over Coe's Drug Store.

Dr. Coudon

Will devote special attention to the treatment of Cancers and Cancerous affections.

In calling attention to my Cancer Antidote, a new treatment for Cancer, permit me to say that it is the most wonderful discovery ever made in medicine. It is the great desideratum so long sought for by the Medical Profession and the afflicted with cancer. Its operation is truly astonishing, without a parallel, and is the only known antidote to cancer, and all cancerous affections; the tissues or growth of the antidote is apparently by entering into the chemical composition of the cancer, cancerous, malignant or unhealthy growth, thereby removing all life and vitality, antidoting, killing and destroying the cancer, every particle root and fibre belonging to it, without pain or the use of the knife; without caustic eating or burning; without the loss of blood, or in the least affecting the sound flesh. It can be applied to the naked eye or an open wound, as easily and freely as water. By this means large cancers can be removed from vital parts, the eye, large blood vessels, &c., where no other treatment could possibly be used; and in doing so we feel assured of making permanent cures when all other treatment fails. The medical fraternity and all interested are invited to call, and I will exhibit a large number of cancers that I have thus removed and preserved, and if desired will refer to hundreds of cases cured throughout the country.

Consumption, Asthma, Bronchitis, Pharyngitis and all affections, treated by inhalation, or otherwise. Particular attention paid to all diseases of the Eye and Ear, such as partial blindness or deafness, cataracts, amaurosis, loss of sight, a gutta serena, a never failing remedy for Fits and Apoplectic Diseases.

SCROFULA, RHEUMATISM AND LIVER COMPLAINT,

treated with success. Also, all other diseases, such as piles, fistula, ulcers, tumors, old sores, syphilitic affections, mercurial diseases, dyspepsia and indigestion, irregular gout, or swell neck, and all affections of the Kidneys and Spine will receive the attention.

Also a new and important remedy for removing tape-worm from the human system, which has found the public and profession quite prominent. Invited to call and examine my specimens of cancer and tapeworm.

DR. SEELYE'S LIQUID CATARRH REMEDY.

Cure Guaranteed if Directions are followed. Hundreds of Citizens of Chicago have been Permanently Cured by this Medicine.

CALL FOR A CIRCULAR DESCRIBING ALL SYMPTOMS. DR. D. H. SEELYE & CO., SOLE PROPRIETORS. Office—Masonic Temple, ROOM NO. 11. CHICAGO ..... ILLINOIS.

Symptoms.

The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have frequent attacks, and are more sensitive to the changes of temperature in this condition, the nose may be dry, or a slight discharge, thin and acrid, afterward becoming thick and adhesive.—As the disease becomes chronic, the discharges are increased in quantity and changed in quality, they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; deafness frequently takes place. Another common and important symtom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucous, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrh Symptoms.

A Single Bottle will last a month—to be used three times a Day.

TESTIMONIALS.

From Hon. Thos. J. Turner, Ex-Member of Congress, from Illinois, late Speaker of Illinois House of Representatives; and Grand Master of A. F. & A. M. of the State of Illinois.

PEKIN, Oct. 11, 1863.

DR. D. H. SEELYE; DEAR SIR: In reply to your notice of the 17th inst I would say that I was severe y afflicted with Catarrh for years, when I became acquainted with you and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle I was sensibly improved, and before the second bottle was finished, was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully Yours, &c., THOS. J. TURNER.

This is to certify that in the use of Dr. Seelye's Catarrh Remedy, I experienced much relief and have heard many speak of it as being invaluable for the cure of Catarrh.

Yours, &c., Chicago, May 13, 1864. EDWARD ELY.

FURNACE.

PETER MARTIN'S PATENT IMPROVED Warm Air Furnaces For Public and Private Use For Wood or Coal.

I. L. FRANKEN, Indianapolis (AGENT.)

THE attention of the public is called to the above Furnaces, as they combine ventilation with heating qualities.

The inventor has, after years of experiments, succeeded in perfecting what he claims to be the best Furnace now in use. Among the many advantages over the ordinary furnace, are

The small amount of fuel required to keep it in operation.

Keeping the rooms constantly supplied with pure, fresh air, drawn from Nature's inexhaustible stock out of doors, which, by a recent improvement, purifies, thereby avoiding all dust.

Large Air Chambers, avoiding the confinement of heat in heated walls and hot-metal chambers.

Improved Water Chambers, which keep up a steady supply of moisture, which overcomes the great objection to ordinary Hot Air Furnaces.

The castings are heavy, and strongly bolted together, guaranteeing durability under any degree of heat.

Particular attention is called to the Self-regulating Arrangement of this Furnace, which has been pronounced by business men to be the BEST EVER MADE.

☞ Every Furnace warranted to give entire satisfaction.

REFERENCES.

By permission, I refer to the following parties, where the Furnaces are in operation:

CINCINNATI, April 15, 1864.

Martin's Patent Furnace, manufactured by Peter Martin, of this city, I have no hesitancy in pronouncing the best I have ever observed. He was employed to put one in the church I now serve last fall. We have given it a fair trial, and the whole Society unite in praising it as incomparable, superior to any thing we had ever seen. Several gentlemen of my congregation see his Furnace in their private rendezvous, and in every case are perfectly satisfied. I need not take time minutely to describe this Furnace. I will just say that it burns less coal, and gives a greater volume of heat, than any furnace I am acquainted with, and is free from smoke, dust and impure air.

WILBER McKAIG, Pastor Third Presbyterian Church, Cincinnati, O.

MT. NOTRE DAME, READING, O., Nov. 20, 1861.

Mr. Martin—This is to certify that we tried the Furnace you built for us, and are satisfied with it. Our rooms are simply heated. Yours, respectfully, SISTERS NOTRE DAME.

I bear testimony to the above, having used the same Furnace all last winter, and am fully satisfied with all its arrangements. M. L. LEOPOLD, 181 Eighth street, of Leopold & Goodheart, No. 75 West Pearl street. Cincinnati, June 28, 1862.

CINCINNATI, April 1864.

Having tried the experiment of warming our place of business by steam, at a very heavy expense, and without satisfactory results, we ordered the apparatus taken out, and had, what we supposed to be, a good Hot Air Furnace put in the place, but was still unable to warm it so as to be comfortable. Upon a more thorough investigation of the whole subject of heating, we ordered the furnace to be removed and one of the Atmospheric Purifying Warm Air Furnaces, manufactured by Peter Martin, Esq., put in the place, and we find that in the coldest weather inside it to our climate, we have had no difficulty in keeping every part of our rooms warm and comfortable. We would advise our friends to profit by our experience, and save themselves great inconvenience and expense by ordering these invaluable furnaces direct from the inventor and manufacturer.

CINCINNATI, April, 1864.

I regard the Warm Air Furnace invented and manufactured by Peter Martin, Esq., of this city, as far superior to any other house warming apparatus with which I am acquainted. It will produce a greater quantity of heat from a given amount of fuel, than any other in use. A bucket half full of coal with some ashes from the cooking range, will keep the house warm a whole day.

ABNER L. FRAZER, No. 467 West Eighth Street.

I have used for two winters Mr. Peter Martin's Hot Air Furnace in my dwelling, and am well satisfied with its operation. GRIFFIN TAYLOR.

CINCINNATI, April 28, 1864.

Having used, during the past winter, the Hot Air Furnace manufactured and put up by Mr. Peter Martin, I willingly testify to the very general satisfaction it has given me. J. C. CULBERTSON, 336 West Sixth St.

The Warm Air Furnace manufactured and put in St. Anthony's Church, on Budd St., near Cass, by Peter Martin, Esq., does all we expected it would. It affords a full supply of warm air, does not throw out any dust, gas, or smoke; besides, the cost for fuel is very small. JOHN ROTHAN, JOHN ANTON LANGE, Trustees of St. Anthony Church.
