THREE DAYS JOURNEY FROM NEW ORLEANS.

THE proprietor of this establishment has the pleasure of announcing to his friends and the public in general, that he will be in readiness by the first day of May to receive visitors. He will also state, for the benefit of those at a distance, that there have been important improvements made, and others now going on and in rapid progress for completion, which will enable the subscriber to accommodate a much larger number than heretofore, and at the same time much better.

Families can be accommodated with good rooms, or those who prefer can have large cabins attached from the main building.

It is deemed unnecessary to say anything in particular of the character of these waters, but is generally believed that they are not inferior to any in the Southern States. All the accompaniments that are generally found at Watering Places, will be found at this. The last music that this part of the country affords, is to be engaged, and will be current at such Watering Springs during the whole season.

The subscriber will avail himself the opportunity of returning his sincere thanks for the very liberal support given him, but seeing and hopes that the improvements made in conjunction and everything that may conduce to render a liberal patronage in the present season.
