MEDICAL.

CANCERS.

DR. W. C. COUDEN

Formerly of Cincinnati, has located permanently in

Terre Haute,

Rooms over Coe's Drug Store.

Dr. Couden

Will devote special attention to the treatment of Cancers and Cancerous affections.

In calling attention to my Cancer Antidote, a word of testimony for Cancer, permit me to say that it is the most wonderful discovery ever made in medicine, it is the great desideratum so long sought for by the Medical Profession and the afflicted with cancer, its operation is truly astonishing, without a parallel, and is the only known antidote to cancer, and all cancerous affections; the modus operandi of the antidote is apparently by entering into the chemical composition of the cancer, cancerous, malignant or unhealthy growth, thereby removing all life and vitality, antidoting, killing and destroying the cancer, every particle root and fibre belonging to it, without pain or the use of the knife, without caustic eating or burning; without the loss of blood, or in the least affecting the sound flesh. It can be applied to the naked eye or an open wound, as easily and freely as water. By this means large cancers can be removed from vital parts, the eye, large blood vessels, &c., where no other treatment could possibly be used; all in doing so we feel assured of making permanent cures when all other treatment fails. The medical fraternity and all interested are invited to call, and I will exhibit a large number of cancers that I have thus removed and preserved, and if desired will refer to hundreds of cases cured throughout the country.

Consumption, Asthma, Bronchitis, Pharyngitis and all affections, treated by Inhalation, or otherwise. Particular attention paid to all diseases of the Eye and Ear, such as partial blindness or deafness, either accounted or deafness. I am in possession of almost a never failing remedy for Fits, and Apoplectic Diseases.

SCROFULA, RHEUMATISM AND LIVER COMPLAINT.

treated with success. Erupting diseases, such as tetter, piles and itching, scald head, syphilis, syphilitic ulcers, old sores, ulcerated throats, old ulcers, scalds, burns, salt rheum, scurvy, tetter or scald rock, and all skin diseases. The Kidneys and Spine will receive due attention.

I have now and successful remedy for removing Tape-Worm and all other varieties of worm found in the public and regular professions are invited to call and examine my specimens of cancer antidote.

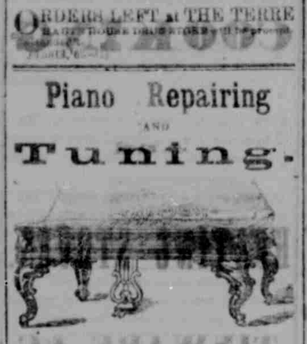
Piano Repairing AND Tuning.



HAVING JUST RECEIVED A full assortment of all kinds of material in Piano making and repairing, I am now prepared to overhaul Pianos and Melodeons, and warrant all work to give satisfaction. As it has been reported of some person that there was no one here to do repairing, I would state that I have served a full apprenticeship in a Piano manufactory, I am also fully prepared to repair all other kinds of Musical Instruments in the most approved manner.

As the only workman in Terre Haute, all those having instruments needing repairs will do well to call.

Pianos tuned on short notice, also engagements made by the year.

Remember an instrument placed in the care of a workman can be preserved for many years longer, as the action of an instrument requires equally as much attention as the tuning.

CERTAIN AND SAFE.

For the Removal of Obstructions and the Insurance of Regularity, at the Recurrence of the Monthly Periods.

They cure or obviate those numerous diseases that spring from irregularity, by removing the irregularity itself.

They cure Suppressed, Excessive and Painful Menstruation.

They cure Green Sickness (Chlorosis).

They cure Nervous and Spinal Affections, pains in the back, and lower parts of the body, weariness, Fatigue on slight exertions, *Palpitation of the Heart, Lowness of Spirits, Hysteria, Sick Headache, Giddiness*, etc., etc. In a word, by removing the *Irregularity*, they remove the cause, and with it all the effects that spring from it.

Composed of simple vegetable extracts, they contain nothing deleterious to any constitution, however delicate, their function being to substitute strength for weakness, which, when properly used, they never fail to do.

They may be safely used at any age, and at any period, except during the first twelve months, during which the unfailing nature of their action would infallibly PREVENT pregnancy.

REJUVENATING ELIXIR!

Or, ESSENCE OF LIFE,

Prepared from Pure Vegetable Extracts containing nothing injurious to the most delicate.

"As the Phoenix rises from the ashes of its fire, invigorated with new life"—so does this Elixir rejuvenate the system and overcome disease.

The Rejuvenating Elixir is the result of modern discoveries in the vegetable kingdom; being an entirely new and abstract method of cure, irrespective of all the old and worn out systems.

This medicine has been tested by the most eminent medical men of the day, and by them pronounced to be one of the greatest medical discoveries of the age.

One bottle will cure general Debility.

A few doses cures Hysterics in females.

One bottle cures Palpitation of the Heart.

From one to three bottles restores the manliness and full vigor of youth.

A Few doses restores the appetite.

Three bottles cure the worst case of Impotency.

A few doses cures the low spirited.

One bottle restores mental power.

A few doses restores the organs of generation.

A few doses bring the rose to the cheek.

This medicine restores to manly vigor and robust health the poor debilitated, worn-down and despairing.

The listless, enervated youth, the over-tasked man of business, the victim of nervous depression, the individual suffering from general debility, or from weakness of a single organ, will all find immediate and permanent relief by the use of this Elixir or Essence of Life.

Price, $2 per bottle or three bottles for $5, and forwarded by Express, on receipt of money to any address.

The Cherokee Pills and Rejuvenating Elixir, are sold by all enterprising Druggists in the civilized world. Some unprincipled dealers, however, try to sell worthless compounds in place of these; those which they can purchase at a cheap price, and make more money by selling, than they can on these medicines. As you value your health, aye, the health of your future offspring, do not be deceived by such unprincipled Druggists, *ask for these medicines and take no others.* If the Druggist will not show them for you, enclose the money in a letter, and we will send them to you by Express, securely sealed and packed, free from observation.

Ladies or Gentlemen can address us in perfect confidence, stating fully and plainly their diseases and symptoms, as we treat all diseases of a chronic nature in male or female. Patients need not hesitate because of their inability to visit us, as we have treated patients successfully in all portions of the United States by correspondence.

Patients addressing us will please state plainly all the symptoms of their complaints, and write Post Office, County, State and name of writer, plain, and inclose postage stamp for reply.

We send our 32 page Pamphlet free to any address. Address all letters for Pamphlets or advice to the proprietors,

Symptoms.

The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have frequent attacks, and are more sensitive to the changes of temperature in this condition, the nose is dry, or a slight discharge, thin and acrid, is afterward becoming thick and adhesive,—As the disease becomes chronic, the discharges are increased in quantity and changed in quality, they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; deafness frequently takes place. Another common and important symptom of Catarrh is, that the patient is obliged to clear his throat in the morning of a thick or slimy mucous, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrh Symptoms.

A Single Bottle will last a month—to be used three times a Day.

TESTIMONIALS.

From Hon. Thos. J. Turner, Ex-Member of Congress, from Illinois, late Speaker of Illinois House of Representatives, and Grand Master of A. F. & A. M. of the State of Illinois.

FAIRFIELD, Oct. 21, 1863.

DR. D. H. SEELYE:

DEAR SIR: In reply to your notice of the 17th inst I would say that I was severely afflicted with Catarrh for years, when I became acquainted with you and bought two bottles of your Liquid Catarrh Remedy. Before I had used one bottle I was sensibly improved, and before the second bottle was gone, I was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully Yours,

THOS. J. TURNER.

This is to certify that in the use of Dr. Seelye's Catarrh Remedy, I experienced much relief and have heard many speak of it as being invaluable for the cure of Catarrh.

Yours, &c.

FURNACE.

PETER MARTIN'S

PATENT IMPROVED

Warm Air Furnaces,

For Public and Private Use.

For Wood or Coal.

I. L. FRANKEN, Indianapolis, AGENT.

THE attention of the public is called to the above Furnaces, as they combine ventilating with heating qualities.

The inventor has, after years of experiments, succeeded in perfecting what he claims to be the best Furnace now in use. Among the many advantages over the ordinary furnaces, are:

The small amount of fuel required to keep it in operation.

Keeping the rooms constantly supplied with pure, fresh air, drawn from Nature's in exhaustible stock out of doors, which, by a recent improvement, purifies, thereby avoiding all dust.

Large Air Chambers, avoiding the confinement of heat in heated walls and hot-metal chambers.

Improved Water Chambers, which keep up a steady supply of moisture, which overcomes the great objection to ordinary Hot Air Furnaces.

The castings are heavy, and strongly bolted together, guaranteeing durability under any degree of heat.

Particular attention is called to the Self-regulating Arrangement of this Furnace, which has been pronounced by business men to be the

BEST EVER MADE.

Every Furnace warranted to give entire satisfaction.

REFERENCES.

By permission, I refer to the following parties, where the Furnaces are in operation:

CINCINNATI, April 13, 1864.

Martin's Patent Furnace, manufactured by Peter Martin, of this city, I have no hesitancy in pronouncing the best I have ever observed. He was employed to put one in the church I now serve, last fall. We have given it a fair trial, and the whole Society unite in praising it as incomparable, superior to any thing we had ever seen. Several gentlemen of my congregation have his Furnace in their private residences, and in every case are perfectly satisfied. I can not take time minutely to describe this Furnace. I will just say that it burns less coal, and gives a greater volume of heat, than any furnace I am acquainted with, and it free from smoke, dust and impure air.

WILBER McKAIG,
Pastor Third Presbyterian Church, Cincinnati, O.

MT. NOTRE DAME, READING, O., Nov. 20, 1861.

Mr. Martin—This is to certify that we tried the Furnace you built for us, and we are satisfied with it. Our rooms are amply heated. Yours, respectfully,

SISTERS NOTRE DAME

I bear testimony to the above, having used the same Furnace all last winter, and am fully satisfied with all its arrangements. M. L. LEOPOLD,

141 Eighth street, of Leopold & Goodheart, No. 75 West Pearl street.

Cincinnati, June 28, 1862.

The First Presbyterian Church have two in use.

I have one of Peter Martin's Hot Air Furnaces. It gives entire satisfaction.

CINCINNATI, April 1864.

Having tried the experiment of warming our place of business by steam, at a very heavy expense, and without satisfactory results, we ordered the apparatus taken out, and had, what we supposed to be, a good Hot Air Furnace put in the place, but was still unable to warm it so as to be comfortable. Upon a more thorough investigation of the whole subject of female warming, we ordered the furnace to be removed and one of the Atmospheric Purifying Warm Air Furnaces, manufactured by Peter Martin, Esq., put in the place, and we find that in the coldest weather decide it to our entire satisfaction, we have had no difficulty in keeping every part of our rooms warm and comfortable. We would advise our friends to profit by our experience, and save themselves great inconvenience and expense by ordering these invaluable furnaces direct from the inventor and manufacturer
