THE GREATEST MEDICAL DISCOVERY of the AGE!
Mr. KENNEDY, of Roxbury, has discovered in one of our common pasture-weeds, a remedy that cures EVERY KIND of HUMOR from the worst Scrofula down to a common Pimple. He has tried it in over five hundred cases, and never failed except in two cases, both thunder humor. He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a running sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will clear the system of biles.
Two bottles are warranted to cure the worst canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of erysipelas.
One or two bottles are warranted to cure all humor in the eye.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four or six bottles are warranted to cure confirmed scrofula or king's evil.
One bottle will cure scaly eruptions of the skin.
Two or three bottles are warranted to cure the worst case of ringworm.
Two or three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Nothing looks so improbable to those who have been imbued all the wonderful medicines of the day, as that a common weed growing on the pastures and along old stone walls, should cure every humor in the system; yet it is a fixed fact. If a humor exists it has to start. There are no life nor ands human nature, about it, suiting some cases, but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old to old people of sixty. I have seen poor puny worm-looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.
To those who are subject to a sick headache one bottle will always cure it. It gives great relief in catarrh and rheumatism. Some who have taken it have been positive for years, and have been regulated by it. Where the body is sound it works quite easy. Where there is any derangement of the functions of nature it will cause very singular feelings, but you must not be alarmed, they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that ever man listened to.
