A CURE FOR CHILLS.

About two years since, says the Columbus (Ga.) Enquirer, we stated that a citizen of this vicinity had told us that he had broken and cured a spell of chills and fever by the use of pure apple vinegar—drinking about a wine-glass full at a time at intervals before the time for the return of the chill.

The Rome (Ga.) Courier reports cures by the same course in its neighborhood. It says that a lady friend has known this recipe to be used in many cases, and has never known it to fail in curing chills and fever. "Take a wine-glass full of the best apple vinegar for nine mornings in this way; Take it three successive days, then omit it three days, and so on until the vinegar has been taken nine mornings in all. The vinegar must be a first rate article of apple vinegar."

SOAP MAKING—COLD PROCESS.

In Virginia there is a mode for making soap, adopted by the country people, which they call the cold process, that deserves to be generally known. It is thus described by a farmer's wife:

"I put my barrel—a common fish barrel—in the cellar where it is intended to stand, and fill it nearly full of strong ley; then add as much grease, without melting it, as I think sufficient, stirring it once every day or two.—In a few days I can tell whether I have put too much or too little grease, and add ley or grease as the case may require. In two or three weeks it becomes excellent soap. We get rid of the trouble and risk of boiling, and can make it as suits our convenience, or occasion requires."

UMBRELLAS! UMBRELLAS!

Just received a large addition to stock of Umbrellas, comprising all grades of Cotton, Cambric, Gingham, Alpaca and Silk, ranging in price from $1 to $10, all of which were bought for cash of one of the most reliable manufacturers in the country, and will be sold at the lowest possible prices.

Merchants in want of such goods would find it to their interest to examine them, as I am determined to sell every species of goods in my line as low as can be bought in same quantity in any Northern city.

"DR. STONEBRAKER'S"
RAT EXTERMINATOR,

The surest exterminator of rats ever offered to the public.

Read the following certificates from the citizens of Baltimore, as to its merit as a rat destroyer:

Baltimore, May 14, 1867.

Messrs. Clotworthy & Co.

Gent: My warehouse, on Howard street, was completely overrun by rats. I used a bottle of "Dr. Stonebraker's" Rat Exterminator, and, truly, it is an exterminator. It cleared the warehouse of rats, and have had no return of them, and it has been four months since I used it.

WM. T. LANDSTREET,
Corner Howard and German streets.

Baltimore, May 13, 1867.

Messrs. Clotworthy & Co.

Gent: We were very much troubled with rats in our Store. Dr. Stonebraker's Rat Exterminator being highly recommended to us, we used one bottle of it, and it proved itself worthy the high recommendations it had received as a Rat Destroyer. We have not been troubled with rats since the first night we used it.

HOPKINS, HARDES & KEMP,
Baltimore st.

Baltimore, May 15, 1867.

Messrs. Clotworthy & Co.

Gent: The bottle of Dr. Stonebraker's Rat Exterminator, purchased of you, has proved to be death to rats. I used it only one night, according to directions, and the next morning I counted nine dead rats in the yard. They come out of their holes to die.
