MEDICINAL.

LIVER

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. MERRELL'S HEPATINE, the great vegetable discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexion or a brown, dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking Hepatine in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given. Take no pills when you can get Hepatine at the same price. For sale by all Druggists. **PRICE 25c and $1.**

LUNGS

The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one third of all death's victims, arises from the Opium or Morphine treatment, which simply stupefies as the work of death goes on. $10,000 will be paid if Opium or Morphine or any preparation of Opium, Morphine or Prussic Acid can be found in the Globe Flower Cough Syrup, which has cured people who are living to-day with one remaining lung. No greater wrong can be done than to say than Consumption is incurable. The GLOBE FLOWER COUGH SYRUP will cure it when all other means have failed. Also Colds, Coughs, Asthma, Bronchitis and all diseases of the throat and lungs. Read the testimonials of the Hon. Alex. H. Stephens and others in our book—free to all at the drug stores. Take no Troches or Lozenges for Sore Throat, when you can get Globe Flower Syrup at same price. For sale by all Druggists. **PRICE 25c and $1.**

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease in a thousand is treated without the use of Mercury in some form. Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. Doctor PEMBERTON'S STILLINGIA or QUEEN'S DELIGHT is the only medicine upon which a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer. $10,000 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and harmless can be found in it. Price by all Druggists $1.

A Romance that Reaches from New York to Georgia.

Husband hunting seems to have been the cause which recently led a robust and rather good looking New York lady to leave her comfortable home and go to the State of Georgia. Yesterday she returned home without a husband and in company with her mother and brother, who had accompanied her on a wild goose chase in search of a man. It seems that several months since his sister inserted the following notice in the New York Herald:

"Wanted, a husband; would like to marry a gentleman of comfortable circumstances residing in the South. S. E. R., Herald up town office."

Shortly after the appearance of this notice in the public press Miss Redmond received a letter from a gentleman post marked at Hawkinsville, Ga., which stated that he had read her notice in the Herald, and desired to open up a correspondence. The lady answered, and an animated correspondence was at once commenced.

The lady wrote numerous letters, giving her age and size, and stated that she was a brunette, also stated that she was quite an accomplished pianist and vocalist; in short, she thought that she could make her correspondent a good wife, and would try and make him happy if they should become united in marriage. Her correspondent answered all of the letters, and wrote that he was a farmer of middle age, and that he was situated in comfortable circumstances. He stated that he had quite a large farm located about fourteen miles from Hawkinsville, and that he had plenty of everything for both. This state of things continued until a few weeks since, at which time Miss Redmond wrote to her correspondent at Hawkinsville that if he would marry her she would come to him at once and have the ceremony performed. To this she received an answer to come at once and that he would be ready to receive her with open arms and make her his wife.

She at once read to her mother and brother the letter that had made her feel so happy. The other two members of the family said that they would go with her and see the affair done up in the best of style. Hawkinsville was reached and the party of three persons disembarked. Upon inquiry it was ascertained that the farmer for whom they were searching lived
