THE GREAT PLEA FOR FREEDOM:
READ IT AND YOU CANNOT RESIST IT.
MY BONDAGE AND MY FREEDOM,
By FREDERICK DOUGLASS.
One vol., 12mo., 464 pp., Illustrated. Price $1 25.
IT WILL BE READ WITH AVIDITY.
"It cannot fail to be read with avidity, as one of the most striking illustrations of American Slavery, which either fact or fiction has presented to the public. [N. Y. Tribune.
WE WONDER HOW HE DID IT.
"As an orator the public here and elsewhere have had abundant opportunity to judge; and we suppose that none have ever listened to his graceful elocution, his cutting satire, and his frequent bursts of eloquence, without wonder that a man who emerged from the dense darkness of Slavery, after reaching his manhood, who in fact learned his alphabet after coming to maturity, could deservedly rank among the first orators of the day." [Roch. American.
For sale by all Booksellers and News Agents.
Single copies sent by mail, postpaid, on receipt of price.

We also publish the following important Anti-Slavery Works, the immense sale of which gives evidence of the estimation in which they are held by the reading and thinking public:

One vol., 420 pp., 12mo. Price $1.

OUR WORLD;
OR, THE SLAVEHOLDER'S DAUGHTER.
600 pp., 12mo. 10 Illustrations. Price $1 25.

THE NARRATIVE OF SOLOMON NORTHRUP.
TWELVE YEARS A SLAVE.
Sol. is a citizen of New-York, born in Washington County—was enticed to Washington City—and there, under the shadow of the National Capitol, was kidnapped, and sold into bondage, from which he was finally released after twelve years of inhuman servitude—during which time no tidings reached him from his wife and children. This book is a blow at the "institution" of Slavery, which no amount of mere argument can parry. 12mo., 336 pp. 6 Illustrations. Price $1.

LIVES OF DISTINGUISHED AMERICAN REFORMERS.
With nine Steel Portraits of Horace Greeley, H. W. Beecher, E. H. Chapin, Wm. H. Seward, and others.
By D. W. BARTLETT. 12mo. 396 pp. Price $1 25.

NO. XXVI.—APRIL 26.
THE CRITERION,
A LITERARY AND CRITICAL WEEKLY JOURNAL,
may be obtained of the principal News Agents. Single copies, 6 cents, $3 per annum.
From The N. Y. Daily Times.
"It more particularly resembles The Athenæum in being wholly uninfluenced by any publishing house, as well as in stability and industry. * * * * A leading feature is its collection of literary news and gossip from all parts of the world where books are published. This, added to its evident good sense, impartiality, and early notice of new works, eminently makes it a desirable family journal."
Specimen copies sent by mail on application to the publisher,
CHARLES R. RODE, No. 118 Nassau st., N. Y.

THE PARIS CHRONICLE.—On the 1st of May next will be published a new tri-monthly Journal in the English language, of the Fashion, Literature, the Fine Arts, Industry and Commerce. Each number will be embellished by a beautiful colored engraving of the Fashions. The journal will contain a complete account of every new invention, whether in Art, Science, or Fashion, besides the various news and gossip of "the capital of the civilized world." Published by CHARLES HARTWICK, No. 18 Rue Vivienne, Paris. Terms of subscription—6 months, $1; 12 months, $6. Subscriptions to be received for the United States by Messrs. WESTERMANN & Co., New-York.

BALLOU'S PICTORIAL for the present week is elegantly ILLUSTRATED; containing one Mammoth Picture particularly worthy of notice, giving a life-like view of GOLD DIGGING IN CALIFORNIA. This number also contains a brilliant nautical tale entitled "The Texan Cruiser," by T. Burlingame Ross, U. S. Navy. SAML. FRENCH, No. 121 Nassau-st., is the New-York Publisher. For sale everywhere at SIX CENTS.

CRITICAL OPINIONS.
"We accord to Cooper an equal degree of talent and power with that ascribed to Scott, and would place the originality of the American author at a higher point. There is certainly in Cooper more power of concentration, a more epigrammatic style, and greater terseness of expression. . . . . No one can peruse the works of Cooper without being convinced of the innate beauty of his own mind. His ethical notions are of the highest order, his morality is as pure as that of the men whose unaffected religion he is so fond of portraying.
"The philosophy of his mind is of a high order, and few can be unsusceptible of this. The most ordinary reader must be conscious of a superiority and elevation of thought while he peruses the writings of Fenimore Cooper. The gentleness of his own mind, its lofty appreciation of everything that was good, its innate poetry, breathed forth in his graphic descriptions of nature, in the love with which he regards the forests, the broad prairies and the sun-lighted valleys.
"It is rarely so many qualities are combined in one writer. His name is endeared in his country, and his productions will hand it down to posterity with undiminished luster. Cooper's novels will be standard works as long as fiction continues to excite an interest in the admirers of literature."
[Obituary Notice, Eclectic Review (London).
"Altogether he is the most original writer that America has yet produced, and one of whom she may well be proud."
[London Athenæum.
"The issue of this very fine uniform edition is a great service to the literary character of the country, as well as an unspeakable boon to readers of taste and feeling. Slowly but surely the public verdict has come to stamp the name of Cooper as the highest in our annals of genius, and to place his works among the great achievements of art which have the pledge of immortality. We are not surprised to see the new and better editions of these works are continually called for, and that time adds only attraction to them."
[The Eclectic Magazine, (N. Y.)

ANOTHER GREAT HISTORY.—
HARPER & BROTHERS,
Nos. 327 to 335 Pearl-st. (Franklin-square),
PUBLISH THIS MORNING:

HELPS SPANISH CONQUEST.
The Spanish Conquest in America, and its Relation to the History of Slavery and to the Government of Colonies. By ARTHUR HELPS. Numerous Maps, &c. 2 vols. large 12mo. Muslin, $2; half calf, $3.
An elaborate and complete history of the Conquest of Spanish America, from the time of Columbus to that of Hernando Cortez. Though portions of the work have been ably treated in Irving's Columbus and Prescott's Peru and Mexico, yet, as a connected whole, the ground is almost unbroken. The work is written with special reference to the elucidation of the establishment of Slavery in this country, and on that subject contains many interesting developments—though it is not sectarian or partisan in its tone. The subject is one of the most important in modern history—the author is favorably known as a sound thinker and a scholar of rare accomplishments—and his work, learned, scholar-like and yet popular, has been pronounced by leading critical authority in England to be one of the most important and valuable contributions to historical literature recently published in that country.

II.
ÆSCHYLUS LITERALLY TRANSLATED.
The Tragedies of Æschylus. Literally Translated. With Critical and Illustrative Notes, and an Introduction. By THEODORE ALOIS BUCKLEY, B. A., of Christ Church, Oxford. To which is added an APPENDIX, (not included in Bohn's volume), containing the new Readings of Hermann's Posthumous Edition. Translated and considered by GEORGE BURGES, A. M. 12mo., Muslin, 75 cents.
The present translation has been undertaken with the view of presenting the classical student with a close and literal version of Æschylus, and of furnishing the general reader with a faithful copy of the author's thoughts and words.

MOTLEY'S DUTCH REPUBLIC.
The Rise of the Dutch Republic. A History. By JOHN LOTHROP MOTLEY. 3 vols., 8vo. Muslin, $6; sheep, $6 75; half calf extra, $8 25.

MADAME PFEIFFER'S SECOND JOURNEY.
A Lady's Second Journey round the World: from London to the Cape of Good Hope, Borneo, Java, Sumatra, Celebes, Ceram, the Moluccas, &c., California, Panama, Peru, Ecuador, and the United States. By IDA PFEIFFER, Authoress of the "Lady's Journey round the World," &c. 12mo. Muslin, $1 25.

MAYHEW'S WONDERS OF SCIENCE.
The Wonders of Science; or, Young Humphrey Davy (the Cornish Apothecary's Boy, who taught himself Natural Philosophy, and eventually became President of the Royal Society). The Life of a Wonderful Boy written for Boys. By HENRY MAYHEW, author of the "Story of the Peasant-Boy Philosopher," &c. With numerous Illustrations. 16mo. Muslin, 75 cents.

MADEIRA, PORTUGAL, &c.
Sketches and Adventures in Madeira, Portugal and the Andalusias of Spain. By the Author of "Daniel Webster and his Cotemporaries." Numerous and beautiful Illustrations. 12mo.; Muslin, $1 25.

Every Lady her own Flower Gardener	25

C. M. SAXTON & Co., No. 140 Fulton-st., up stairs.

THE GREATEST NOVELTY of the AGE—
PRICE, ONE SHILLING.
Will be issued on TUESDAY, April 29, the MAY NUMBER—the initial of THE ILLUMINATED NEW-YORK MONTHLY. Each number of this paper will be embellished with a superb Picture in oil colors, 9x12 inches, ordinarily worth $5, which the publisher pledges himself shall be worthy a place in any collection of art. These Pictures—in consequence of a new, rapid and rapid manner of producing them—can be afforded, including the paper, for the astonishingly low price of 12½ cents each. Thus, by this wonderful invention, the millions of this country are enabled to decorate the walls of their homes with specimens of the finest productions of the greatest artists of the age. This publication will be issued monthly, and will contain Eight Folio Pages of Reading on superfine paper—comprising in its columns some of the most choice, refining, amusing and instructive literature of the day, and peculiarly adapted to the varied tastes of the family circle.
Any person forwarding to the publisher 12½ cents in cash or postage stamps, will have sent to his address a copy of this paper, or to any one address ten copies for $1, free of postage. Agents and Newsmen will be supplied on the most reasonable terms.
H. W. HEWIT, Publisher, No. 15 Dutch-st.

WEBSTER'S Royal Octavo DICTIONARY,
UNABRIDGED IN WORDS.
Retail price, in substantial binding, $3 50.
WEBSTER'S
ROYAL OCTAVO DICTIONARY
Revised and Enlarged,
CONTAINING ALL THE WORDS
In the Quarto Edition,
And an important feature, not found in any other work—an arrangement of SYNONYMS under the leading words.
By CHAUNCEY A. GOODRICH,
PROFESSOR IN YALE COLLEGE.
The demand for an edition of Webster's Dictionary—full, comprehensive, and of convenient size for daily reference—has led to the preparation of the Royal Octavo. The great favor with which it has been received, both in this country and England, is the best evidence of the value of the work.
The price brings it within the reach of all who desire a complete Dictionary.
THIS EDITION EXHIBITS:
I. The Origin, Orthography, Pronunciation and Definitions of all words acknowledged by the most eminent Lexicographers as properly belonging to the English Language, with many idioms and phrases from the Latin and other foreign tongues.
II. An arrangement of Synonyms under the leading words; a new and characteristic feature, designed to facilitate the practice of correct and elegant composition, and not one found in any other work.
III. A Synopsis of words differently pronounced by different Orthoepists, including Walker, Perry, Jameson, Knowles, Smart and Worcester.
V. Walker's Key to the pronunciation of Greek, Latin and Scripture proper names.
V. Vocabulary of Modern Geographical Names, with their pronunciation, by J. Thomas, M. D., Editor of "Lippincott's Pronouncing Gazetteer."
"It is the most complete work of the kind yet published. The definitions are clear and concise, presenting briefly the various meanings and shades of meaning belonging to each word. . . . The pronunciation is satisfactorily indicated, and in most cases the Synonyms of the words defined are added—a great advantage to persons engaged in literary composition."
[Leeds Times.
"To all who wish for the most complete, cheap and portable Dictionary at this moment existing, we cordially recommend Webster. Numerous tables of philologic matter, copious Vocabularies of Scriptural, Mythologic and Geographic names, we can cordially recommend the volume before us." [London Atlas.
"The meaning of every English word, in all its various shades, is given in this admirable work; and it contains, moreover, a Dictionary of Synonyms." [London Observer.
"A marvel of accuracy, neatness and cheapness. . . . . It is a contribution of substantial service, not only to our times, but for posterity." [Wesleyan Banner.
"The edition of Webster is all that could be desired. Etymologically, it is superior to anything that has preceded it, and is in this department of lexicographic labor a monument of labor and research." [N. Y. Commercial Advertiser.
"A feature which cannot but prove of the greatest utility is the introduction of a complete Dictionary of Synonyms. Every one who is at all engaged in literary composition feels the necessity of such a work, as none of those hitherto published have been precisely adapted to the wants of the public in this respect. . . . This cannot fail to be universally acceptable, and is an entirely novel feature of the work." [N. Y. Journal of Com.
"How it could be published for $3 50, considering the expense incurred in the revision and preparation, is a secret known only to the trade." [Christian Advocate and Journal.
