FRIDAY EVENING, JUNE 17.

THE GOOD (?) OLD TIMES.—It sounds very poetical to say "the good old times," but if we should be strictly truthful, having an eye upon the actual rather than upon the sentimental, we should be more inclined to designate them as the "mean old times," especially if, by some powerful freak of nature, we should be taken up and set back among the days that fell to the lot of those who were men and women when our grand parents were little children. It is no wonder that Benj. Franklin, with his prophetic vision, wished it had been his destiny to be born two or three centuries later. Think of the journeys then requiring days, that may now be accomplished in as many hours, and with far more comfort. Think of sitting in church winter after winter without the cheerful light of a fire; save that which was kindled in the imagination by the glowing eloquence of the preacher, as he described the terrors of the "damned." Think of paying forty or fifty dollars a year for newspapers, and think, also, of the bigotry in politics and all its meagre qualities! Think of living without a friction match in the house or a tooth-brush, or carpet, or gas light, or furnaces, or sewing machines, or doing without over-shoes and umbrellas, and a thousand other things that we call necessities. It is startling to consider the multitude of things, small and great, that we possess, which contribute to our comfort, our welfare, our ease, our enjoyment, that were utterly unknown to our immediate ancestors, and never could have entered their dreams. The spirit of progress controls our convenience and multiplies advantages in every direction, enhancing the charms of life, diminishing its pains and inviting us to welcome and enjoy its innumerable gifts.

SAMUEL M. MULLIN, Proprietor.
OPEN JUNE 10th.
This large and delightful summer resort, situated among the mountains of the Valley of Virginia, only 12 miles away from Baltimore and Ohio R. R. at Mount Jackson. Round trip tickets issued by railroad companies. Send for pamphlet.

CAPON SPRINGS AND BATH, (ALKALINE LITHIA WATER,) HAMPSHIRE COUNTY, WEST VIRGINIA. Also Chalybeate Waters, rich in Iron, and a fine White Sulphur Spring in the Neighborhood. Open on June 1st to as late in October as the company will justify. Unequaled by any mineral waters in America for the cure of acid dyspepsia, kidney and bladder troubles, uterine ailments, gout, diseases of the skin, catarrh affections, rheumatism and functional heart troubles. IT IS AN UNFAILING SOLVENT OF CALCULI. These waters have proved of great value in many other diseases, but can be more confidently relied on in the above named than any other mineral springs in this country. I guarantee a cure if curable by mineral waters. The baths—hot, cold and shower—are unexcelled anywhere. The new and elegant swimming pool of alkaline water, the largest in the United States, if not in the world, is especially attractive. No safer or better place for ladies or children to learn to swim. Plenty to fill their stomach and new beds to rest them on. Best mountain roads in Virginia; one hundred dollars to the mile expended upon them this spring. The air of this elevated region is pure and delicious. Capon being nearer to all the cities north of the Potomac than any of the Virginia springs of note by an average of a hundred and fifty miles, claims a large patronage on that score. For pleasure or health the traveler need not go further. Board, by the month, $12, $10 and $15, according to location. Send for pamphlets direct, or call on W. S. THOMPSON, 703 15th st. Washington, D. C., for pamphlets and water. Fine music, good boating, fishing and hunting in season; good livery. W. H. SALE,
