AND

DAGUERREAN GALLERY,

COR. MAIN AND THIRD STS.,

DAYTON, O.

I HAVE REFITTED THIS well-known Gallery with all the improvements of the Photographic Art, and have made it the most complete and attractive in the city. I have procured the right to use the Solar Camera, the most important improvement in Photography, and am prepared to enlarge to Life Size on Canvass or Paper,

Daguerreotypes, Ambrotypes, or Miniature Portraits,

Of any kind, and have them colored in Oil, Crayon, Water Color, or India Ink, by the very best Artist.

Those having small pictures of deceased friends, can by the above process, secure a correct and durable likeness—one that will be valued at all times.

I have associated with me in the Photographic department Mr. O. D. FINCH, one of the best Artists in the United States; and cordially invite all to call and examine his specimens recently enlarged—they speak for themselves.

☞All work WARRANTED, or no charges will be made.
