TO HORSEMEN.

A. GALLEY, Veterinary Surgeon

Cor. St. Clair and Second Streets, DAYTON, OHIO.

DURING the twenty months since I have opened the stable on Second and St. Clair sts., I have treated in my Horse Infirmary more than 400 horses and cows; of these there were many animals which the majority considered incurable; and yet I have treated them with the very best success.

The public is therefore respectfully requested to favor me with its confidence and patronage in the treatment of Horses and Cattle; and I will spare no pains to deserve the same.

The following testimonials given under their own hands, by my patrons, are sufficient to prove my capability:

DAYTON, OHIO, Oct. 20, 1857.

We, the undersigned, certify that A. Galley, Veterinary Surgeon, has treated sick horses for us, and that we are not only satisfied with the cures he has effected for us, but we conscientiously recommend him to all our friends and acquaintances as an experienced and skillful Physician in this branch of science.

Fugitive Slave Arrested.

ZANESVILLE, May 3d.

Great excitement exists here this afternoon on account of the fugitive slave, William Jackson, who was arrested here last evening. Judge Marsh decided the prisoner illegally held, and ordered him discharged. He was immediately re-arrested, hand-cuffed, put in a hack and driven to the depot for the purpose of taking him to Wheeling, Va., on the train then due at the depot. A desperate effort was made by the negroes to rescue him, which was unsuccessful. During the excitement at the depot, pistols, clubs, bricks &c., were freely used, and several were severely injured. Meanwhile a writ was served upon the Marshal, commanding him to bring the prisoner back, and show why he was held. This point has not yet been settled.

Sewing Machines.

HUSTON BUILDING,

Corner of Third and Jefferson,

DAYTON, - - OHIO.

WE offer the Wheeler & Wilson Sewing Machines, with important improvements, at a reduction of $25 on former prices, and to meet the demand for a GOOD, low-priced Family Machine, have introduced a NEW STYLE, working upon the same principle, and making the same stitch, though not so highly finished, at

FIFTY-FIVE DOLLARS!

The elegance, speed, noiselessness and simplicity of the Machine, the beauty and strength of stitch, being ALIKE ON BOTH SIDES, impossible to ravel, and leaving no chain or ridge on the under side, the economy of thread, and adaptability to the thickest or thinnest fabrics, has rendered this the most successful and popular Sewing Machine now made.

At our various offices, we sell at New York prices, and give instructions free of charge, to enable purchasers to sew ordinary seams, hem, fell, quilt, gather, bind and tuck, all on the same Machine, and warrant it for three years.

DAYTON, O.

I HAVE RECENTLY REFITTED THIS well-known Gallery with all the improvements of the Photographic Art, and have made it the most complete and attractive in the city. I have procured the right to use the Solar Camera, the most important improvement in Photography, and am prepared to enlarge to Life Size on Canvass or Paper,

Daguerreotypes, Ambrotypes, or Miniature Portraits,

of any kind, and have them colored in Oil, Crayon, Water Color, or India Ink, by the very best Artist.

Those having small pictures of deceased friends, can by the above process, secure a correct and durable likeness—one that will be valued at all times.

I have associated with me in the Photographic department Mr. O. D. FINCH, one of the best Artists in the United States; and cordially invite all to call and examine his specimens recently enlarged—they speak for themselves.
