For the Chronicle

THE LONG LOST CRUISER.

Standing on the mountain's brow
All in a boyish glee,
A gallant ship then stood aprow
Toward the raging sea.

A mighty wind began to blow,
Then did the tall pine wave,
Time will bring all things low
And each mortal to their grave

A lad some maidens gazed upon
One more blithe than the rest,
Said you will be the favored one
As I leaned on her breast.

Scores of years have gone round,
Oft did the pine tree wave;
Where can this fair one be found
Say is she in the grave.

If I go to the mountain's brow
An aged man you'll see,
But where's the ship? That ship, now
She can no longer, be.

Alas! for you cannot be had
The gallant top or spare.
How then can the tale betold
Of eagle, stripes or stars?

She left her native shore
At government command,
But returned no more
Unto her native land.

She bore as brave a crew
As need to tramp the deck,
Where she went we never knew;
She may have gone a wreck.

She may have battled with the foe
Where many pirates be;
Many gales passed on her bow
All in the deep blue sea.

She may have battled with the ship
And sunk upon the line;
But be that ship where she will
Her country shall be mine.

DR. STROBLE'S

CELEBRATED

PILE LINIMENT.

FOR

Internal and External Piles.

THIS Liniment has been long used only as the private prescription of an eminent Physician. It has been used in this way more than eight years, during the whole of which time, although prescribed in a great number of cases, it has never, in any instance, been known to fail.

Many of the cases which have been effectually cured by this Liniment, have been of more than thirty years standing, causing great suffering and producing considerable ravage upon the system. These chronic cases have yielded so readily to the virtues of this remedy as those of more recent date. Experience warrants the assertion, that there cannot be a case of Piles, uncomplicated with other diseases, which will not be forced to yield before the well-tested powers of this medicine.

Warranted to cure, where the directions are strictly followed. Price $1.

GREAT ENGLISH REMEDY.

THE MOST VALUABLE

Spring and Summer Medicine in the World!!

DR. HALSEY'S

FOREST WINE.

PATRONIZED BY THE NOBILITY AND MEDICAL FACULTY OF ENGLAND, AND ESTEEMED THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

Medicines containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the

Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, for all complaints of the

Saved from Death!

Testimony of Mr. NATHAN MATHEWS, a highly respectable and wealthy citizen of Newark, N. J.

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I had arrived at the point of death with Dropsy, Piles, and Asthma. My physicians had given me over as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. Yours, respectfully,

Newark, N. J., Dec. 19, 1847. N. MATHEWS.

Great Cure of Liver Complaint of Ten Years Standing.

New York, Jan. 9th, 1848.

DR. HALSEY, Dear Sir:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of 10 years; and having adhered closely to the directions which accompany the medicines, I have recovered my health notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had resorted to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and I doubt not, but what there are hundreds who are disuaded from taking your excellent medicine, by consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in daming advertisements. But, what a pity it is, that the deception used by others, should be the means of discouraging persons suffering under disease, from making trial and being cured by your excell
