THE PATENT DOUBLE ICE PITCHERS.—When Woodworth sung so sweetly in praise of "the old oaken bucket," it was before the days of modern inventions. Now, the country people have "kicked the bucket," and draw water from their wells with a chain. To think of chaining up the water in this land of liberty! We may yet read of
"The beautiful chain, the iron-lined chain,
The zinc-plated chain that revolves in the well."
The thirsty citizens must obtain their supplies of water through the underground process, and withal so warm as to require ice to make it palatable, which leads to a demand for Pitchers that will contain the ice a long time before it melts. That demand can be supplied at the well-known stand at the foot of John-st. Plated and Britannia Double ICE PITCHERS from $5 to $25, for sale at Nos. 4 and 6 Burling-slip, by LUCIUS HART.

JOHN W. QUINCY, No. 98 William-st.

KEROSENE OILS,
NOT EXPLOSIVE.
SECURED BY PATENTS.
KEROSENE ILLUMINATING OIL.
The advantages possessed by this Oil are:
1. The intensity of the light produced.
2. It is not explosive.
3. It will remain fluid when the best sperm oil has congealed.
4. Its unrivaled economy. $1 10 worth of Kerosene giving as much light as $9 worth of Rapeseed Oil, $12 of White, $26 47 of Sperm Oil, or $29 of Burning Fluid.
This Oil burns in all the Argand button-top lamps, including camphene and sylvic oil lamps, without the usual tendency to smoke.
KEROSENE LUBRICATING OIL.—The effect of this Oil on machinery is found to be perfectly magical; it removes the gum caused by the use of impure oils, wears equal to best sperm oil and does not congeal at a low temperature. It burns magnificently in all the solar, binnacle and hand lamps; also, in signal and bowsprit lanterns. The attention of engineers, ship owners, ship captains, ship supply men and others is particularly requested to the certificates to be seen at the office of
AUSTENS, Agents for the Kerosene Oil Co.,

Miscellaneous.

ARTHUR'S CELEBRATED CANS and JARS for preserving FRESH FRUITS and VEGETABLES. Operation simple—result certain. As no India-rubber is used in making these Cans air tight, they are free from all unpleasant odor. The whole top is open, permitting them to be properly cleansed, and also allows them to nest for shipping. Use the best, which is ARTHUR'S, and do not waste your fruit and sugar on inferior ones.
